(revised effective February 11, 2022)

Committee Purpose

The Audit Committee (the “Committee”) is a standing committee established by the Board of Directors (the “Board”) of PotlatchDelta Corporation (the “Company”) whose purposes are to:

- a. Assist Board oversight of the following:
 - (i) the integrity of the Company’s financial statements;
 - (ii) the Company’s compliance with legal and regulatory requirements;
 - (iii) the independent auditor’s qualifications and independence;
 - (iv) the performance of the Company’s internal audit function and independent auditors; and
 - (v) the Company’s financial structure, short- and long-term financing, and related matters; and
- b. Prepare the Audit Committee Report to be included in the Company’s annual proxy statement as required by the rules of the Securities and Exchange Commission (SEC).

The role of the Committee is to provide oversight on matters relating to accounting, financial reporting, internal controls, auditing, legal and regulatory compliance activities, financial structure, short- and long-term financing and other matters as the Board deems appropriate. The Committee’s role is limited to this oversight. It is not the duty of the Committee to plan or conduct audits or to determine that the Company’s financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations or to determine that internal controls are adequate and appropriate. These are the responsibilities of management and the independent auditor. In adopting this Charter, the Board acknowledges that the Committee members are not providing any expert or special assurance as to the Company’s financial statements or any professional certification as to the independent auditor’s work or auditing standards. Each member of the Committee is entitled to rely on the integrity of those persons and

organizations within and outside the Company that provide information to the Committee and the accuracy and completeness of the financial and other information provided to the Committee by such persons and organizations absent actual knowledge to the contrary.

Committee Membership and Procedures

The Committee shall consist of a minimum of three Directors, as determined from time to time by the Board, one of whom shall be appointed as Chair of the Committee (the “Chair”). The members and the Chair of the Committee will be appointed by the Board and shall serve at the pleasure of the Board. A majority of the members of the Committee shall constitute a quorum. The Chair (or in his or her absence, a member designated by the Chair) shall preside at all meetings of the Committee. The Chair shall be responsible for leadership of the Committee, including scheduling meetings, preparing agendas and making reports to the Board.

The entire Committee or any individual Committee member may be removed from office without cause by the affirmative vote of a majority of the Board. Any Committee member may resign effective upon giving oral or written notice to the Chairperson of the Board, the Corporate Secretary or the Board (unless the notice specifies a later time for the effectiveness of such resignation).

Independence and Other Qualifications

Each Director who serves on the Committee shall meet the objective test of “independence” which has been established by the Board or, in the absence of such test, the Board shall make an individual determination that such Director is independent within the meaning of any applicable law or any listing standard or rule established by Nasdaq and applicable to the Committee (“Listing Standard”). Each member of the Committee shall also meet any additional independence or experience requirements as may be established from time to time by Nasdaq or the SEC and applicable to the Committee.

The Board shall endeavor to appoint at least one member to the Committee who is a “financial expert” as such term may be defined from time to time by the SEC.

No Director may serve as a member of the Committee if such Director exceeds the limit in the Corporate Governance Guidelines for serving on the audit committees of other public companies.

Committee Meetings

The Committee shall meet at the call of the Chair upon notice given in accordance with the By-laws of the Company. Meetings may also be called, subject to required notice, at any time by any member of the Committee or by the Chairperson of the Board or the Lead Director of the Board (who may also be known as the Vice Chair). The

Committee may include in its meetings or in separate executive sessions members of management, the Company's internal auditors, the independent auditor or other persons employed or retained by the Company or the Committee.

Delegation to Subcommittee

The Committee shall have the authority to delegate to a subcommittee consisting of one or more designated members of the Committee the authority to conduct such of the Committee's duties and responsibilities as are provided in the resolutions of the Committee, except to the extent such delegation is limited by applicable law or listing standard. The actions of any subcommittee to whom authority is delegated under this paragraph shall be reported to the full Committee.

Resources and Authority

The Committee shall have the resources and appropriate authority to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of outside legal, accounting or other advisors to assist the Committee or a member of the Committee engaged in conducting the Committee's duties and responsibilities, as it deems appropriate, without seeking Board approval.
