Everi Delivering World Class Exclusive Gaming Content to Golden Nugget for Online Real-Money Gaming in New Jersey

11/19/2019

Company Adds Leading Operator-Partner to Remote Game Server Which Provides Online Versions of Everi's High Performing Land-Based Games

LAS VEGAS, Nov. 19, 2019 (GLOBE NEWSWIRE) -- Everi Holdings Inc. (NYSE: EVRI) ("Everi" or the "Company"), the casino gaming industry's single source provider of gaming products and financial technology and loyalty solutions, announced today that **GoldenNuggetCasino.com** has exclusively launched the Company's player-favorite Triple Threat® and six other titles for online real-money play in New Jersey. **GoldenNuggetCasino.com** is now fully integrated with Everi's Remote Game Server ("RGS"), providing Golden Nugget with direct access to the Company's premium land-based titles for its iGaming platform, including additional titles expected to follow the exclusive launch.

"Our RGS integration with **GoldenNuggetCasino.com** is another significant milestone for our Interactive division as it positions us to accelerate the growth of this business by delivering world class gaming content directly to licensed online real-money gaming operators in New Jersey," said David Lucchese, Executive Vice President, Digital and Interactive Business Leader, of Everi. "We are excited to partner with one of the most successful online casino operators in the U.S. and deliver to the **GoldenNuggetCasino.com** player community our deep library of compelling titles that continue to perform well in land-based casinos."

"Everi's land-based stepper titles and entertaining video slot games represent a unique content profile that we know will resonate well with our online players," said Thomas Winter, Senior Vice President and General Manager,

Online Gaming, at Golden Nugget. "Current Everi titles such as Black Diamond® have been performing extremely well and we are excited to integrate directly with their RGS to provide us access to even more of their high-quality gaming content."

Everi's RGS currently supports a library of 30 titles and is expected to exceed 50 titles by year-end. Everi designed its proprietary RGS using state-of-the-art system architecture enabling the Company to develop and distribute compelling player-preferred content directly to operators. This content includes award-winning three-reel mechanical games and attractive video slots, all built to deliver the exact same look, game features, and math as their land-based counterparts with the added player feature to play games in landscape or portrait mode. Everi's RGS offers robust data analytics and real-time reporting and can support custom-built games for operators.
