Recognized in Nevada for Second Consecutive Year; Ten Total Top Workplaces Awards Wins in Last Year

LAS VEGAS, June 8, 2022 /PRNewswire/ -- Everi Holdings Inc. (NYSE: EVRI) ("Everi" or "the Company"), a premier provider of land-based and digital casino gaming content and products, financial technology, and player loyalty solutions, today announced that the Company was recognized by the Las Vegas Review-Journal and Las Vegas Business Press with a 2022 Nevada Top Workplaces® award.

Everi was named to the Nevada Top Workplaces list for the second consecutive year, with this most recent recognition marking a total of 10 "Top Workplaces" awards over the past year. In 2022, Everi earned four "Culture Excellence" awards from Top Workplaces and was named to the prestigious category of "Top Workplaces USA 2022." In 2021, the Company received the "Greater Austin Top Workplaces 2021" distinction from The Austin American-Statesman. It also earned national plaudits, winning two Top Workplaces 2021 Culture Excellence Awards for "Direction" and for "Remote Work". Everi's India offices also received an annual certification as a "Great Place to Work®" from the Great Place to Work Institute in India, which is based on positive employee feedback gathered through an independent employee engagement survey.

"We are honored to be recognized again for our diligent work to create a positive company culture and shared values across multiple office locations in Nevada as well as with our talented team of remote employees," said

Randy Taylor, Everi President and CEO. "As these awards are based upon direct feedback from our dedicated team members, they demonstrate the view of our workforce and serve to hold us accountable to live up to our core values and make Everi a unique place to work."

Issued by Energage, the research company with more than 16 years of experience surveying over 27 million employees at 70,000 organizations, Top Workplaces awards are based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage LLC. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization, including: alignment, execution, and connection, among others.

"Top Workplaces is a beacon of light for organizations as well as a sign of resiliency and impressive performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."
