### **ASHFORD REPORTS SECOND QUARTER 2020 RESULTS** *Gross Assets Under Management \$7.8 Billion at Quarter End* *OpenKey Sees Significant Increase in Demand for its Digital Key Product*

DALLAS, July 30, 2020 - Ashford Inc. (NYSE American: AINC) (“Ashford” or the “Company”) today reported the following results and performance measures for the second quarter ended June 30, 2020. Unless otherwise stated, all reported results compare the second quarter ended June 30, 2020, with the second quarter ended June 30, 2019 (see discussion below). The reconciliation of non-GAAP financial measures is included in the financial tables accompanying this press release.

#### **COVID-19 UPDATE**

In response to the impact of COVID-19 on the hospitality industry, the Company is deploying numerous strategies and protocols to protect the health and safety of its employees, guests, partners, and communities where it operates. Additionally, the Company has taken steps to enhance its financial flexibility going forward to navigate this crisis, including:

- During the first quarter of 2020, the Company converted its credit agreement with Bank of America, N.A. into a \$35 million term loan agreement. During the second quarter of 2020, the Company amended its \$35 million term loan to provide additional flexibility by removing the net worth covenant.
- The Company’s portfolio companies and advised REIT platforms have each taken actions to enhance their financial flexibility including implementing workforce reductions and expense reductions.

The negative impact of the COVID-19 crisis on economic activity and the hospitality industry continues to evolve. The crisis is expected to continue to impact the Company’s financial results during the third quarter of 2020 and beyond.

#### **STRATEGIC OVERVIEW**

While COVID-19 has altered the Company’s short-term priorities, its long-term strategy remains unchanged:

- High-growth, fee-based business model
- Diversified platform of multiple fee generators
- Seeks to grow in two primary areas:
  - Grow our existing REIT platforms accretively and create new platforms; and
  - Grow our service businesses via increased AUM and third-party business
- Highly-aligned management team with superior long-term track record
- Leader in asset and investment management for the real estate & hospitality sectors

## **FINANCIAL AND OPERATING HIGHLIGHTS**

- Net loss attributable to common stockholders for the second quarter of 2020 totaled \$16.7 million, or \$7.37 per diluted share.
- Total revenue for the second quarter of 2020 was \$45.6 million.
- Adjusted EBITDA for the second quarter was \$3.2 million.
- At the end of the second quarter of 2020, the Company had approximately \$7.8 billion of gross assets under management.
- As of June 30, 2020, the Company had corporate cash of \$60.0 million.

## **OPENKEY UPDATE**

Ashford currently owns a 48% interest in OpenKey. OpenKey is the universal, industry-standard smartphone App for keyless entry in hotel guestrooms. OpenKey continues to expand its platform with 209 hotels under contract at the end of the second quarter. As the hospitality industry strives to implement measures to provide a clean and safe environment for their guests, the Company expects that the digital benefits OpenKey offers, such as automated check-in (bypassing the front desk), keyless entry and secure digital key capability, will gain accelerated adoption and growth at hotels nationwide. OpenKey continues to see the benefits of this growth as the number of hotels under contract at the end of the second quarter increased 74% over the prior-year quarter. Total Revenue for OpenKey in the second quarter increased approximately 51% over the prior-year quarter, despite several properties being closed and travel restrictions being in place.

## **REMINGTON'S HOTEL MANAGEMENT BUSINESS UPDATE**

On November 6, 2019, the Company completed the previously announced combination with Remington Holdings, LP ("Remington"). The acquisition of Remington's high-margin, low-capex Hotel Management business adds scale, diversification and an enhanced competitive position for Ashford. It also expands the breadth of services the Company offers to its advised REITs. Additionally, the Company believes the transaction represents a compelling opportunity to further diversify its earnings stream and the potential to expand business to other third-party clients.

Remington is an independent hotel management company with over 40 years of experience in the hospitality business. Remington's Hotel Management business currently provides comprehensive and cost-effective hotel management services for both Ashford Hospitality Trust, Inc. (NYSE: AHT) ("Ashford Trust" or "Trust") and Braemar Hotels & Resorts Inc. (NYSE: BHR) ("Braemar"). Remington's Hotel Management business currently has very little third-party business outside of the Company's advised REITs, which will be a long-term growth opportunity and area of focus for the Company going forward.

In the second quarter, Remington generated hotel management fee revenue of \$3.7 million, Net Loss Attributable to the Company of \$2.7 million, and Adjusted EBITDA of \$0.6 million. Since the beginning of the COVID-19 pandemic in March, Remington has aggressively cut staffing and overhead to minimize the negative impact of the pandemic on its business and financial results.

## **LISMORE CAPITAL UPDATE**

During the first quarter, Ashford Trust and Braemar entered into agreements with Lismore Capital ("Lismore") for Lismore to seek modifications, forbearances or refinancings of Ashford's advised REITs' debt totaling approximately \$5.1 billion across over 40 different loans. Total revenue of \$1.3 million was recognized during the second quarter associated with these agreements.

### **PREMIER PROJECT MANAGEMENT UPDATE**

In August 2018, the Company completed the acquisition of Premier Project Management (“Premier”). Premier provides comprehensive and cost-effective architecture, design, development, and project management services. It also provides project oversight, coordination, planning, and execution of renovation, capital expenditure or ground-up development projects. Its operations are responsible for managing and implementing substantially all capital improvements at Trust and Braemar hotels. Additionally, it has extensive experience working with many of the major hotel brands in the areas of renovating, converting, developing or repositioning hotels. In the second quarter, Premier generated \$2.1 million of project management fee revenue, Net Loss Attributable to the Company of \$2.4 million, and \$0.4 million of Adjusted EBITDA. Since the beginning of the COVID-19 pandemic in March, Premier has aggressively cut staffing and overhead to minimize the negative impact of the pandemic on its operations.

### **JSAV UPDATE**

The Company owns a controlling interest in a privately-held company that conducts the business of J&S Audio Visual (“JSAV”) in the United States, Mexico and internationally. JSAV provides an integrated suite of audio visual services, including show and event services, hospitality services, creative services, and design and integration, making JSAV a leading single-source solution for their clients’ meeting and event needs. In the first quarter of 2019, JSAV completed the acquisition of BAV and the operations are now reported on a combined basis. During the second quarter of 2020, JSAV (including BAV) had revenue of \$1.0 million, Net Loss Attributable to the Company of \$3.0 million, and Adjusted EBITDA of negative \$2.1 million. Since the beginning of the COVID-19 pandemic in March, JSAV has taken aggressive steps to mitigate the impact of the pandemic on its business including reducing corporate overhead and furloughing or laying off approximately 94% of its workforce.

### **RED HOSPITALITY & LEISURE UPDATE**

RED Hospitality & Leisure (“RED Hospitality”) is a leading provider of watersports activities and other travel and transportation services in the U.S. Virgin Islands and Florida. Over the past 12 months, RED Hospitality continued as the beach and watersports services provider to the Ritz-Carlton St. Thomas Club - the timeshare and rental property adjacent to the Ritz-Carlton St. Thomas hotel, commenced ferry transportation services and beach and watersports services to the Westin St. John, and completed the acquisition of Sebago, a leading provider of watersports activities and excursion services based in Key West, Florida. Long term, RED Hospitality has several potential avenues for future growth including opportunities to expand into other hotels at Ashford-advised REITs or non-Ashford hotels in the USVI, elsewhere in the Caribbean, and in the U.S.

### **PURE ROOMS UPDATE**

The Company currently owns a 70% controlling interest in Pure Wellness’ Pure Rooms, a leading provider of hypo-allergenic hotel rooms in the United States. Pure Rooms utilizes state-of-the-art purification technology to create allergy-friendly guestrooms. Pure Rooms’ hypo-allergenic rooms are designed to provide a better night’s sleep for all guests, especially allergy sufferers. Pure Rooms’ patented 7-step purification process treats a room’s surfaces, including the air, and removes up to 99% of pollutants. Pure Rooms currently has contracts in place with 207 hotels (approximately 2,900 rooms) throughout the United States, including 118 hotels owned by Ashford’s advised REIT platforms.

As the hospitality industry strives to implement measures to provide a clean and safe environment for their guests, the Company expects that the health and wellness benefits Pure Wellness offers – including its air purification technology -- will gain accelerated adoption and growth at hotels nationwide. Pure Wellness transforms interior spaces into world-class wellness environments that protect against viral & bacterial contaminants and promote overall wellbeing. Pure Rooms provide a refreshing, relaxing experience to

guests around the world, at hotels, resorts, office buildings, senior living facilities and more. Pure Rooms are designed to meet the needs of wellness-minded travelers and guests.

"These are unique and unprecedented times, and we remain in the middle of an immeasurable public health crisis from the COVID-19 pandemic," commented Monty J. Bennett, Ashford's Chairman and Chief Executive Officer. "The pandemic continues to impact the overall U.S. economy and alter our near-term focus. While certain areas of our business have seen a measurable decrease in revenues, other areas like OpenKey and Pure Rooms continue to see a strong increase in demand. Looking ahead, we have an unwavering commitment to protect value for our shareholders, and we believe the actions we have undertaken reflect that commitment. With our talented and dedicated management team, along with our long-term strategy on finding growth opportunities in our business, I am confident we will navigate through this difficult time."

Included in this press release are certain supplemental measures of performance, which are not measures of operating performance under GAAP, to assist investors in evaluating the Company's historical or future financial performance. These supplemental measures include adjusted earnings before interest, tax, depreciation and amortization ("Adjusted EBITDA") and Adjusted Net Income. We believe that Adjusted EBITDA and Adjusted Net Income provide investors and management with a meaningful indicator of operating performance. Management also uses Adjusted EBITDA and Adjusted Net Income, among other measures, to evaluate profitability. We calculate Adjusted EBITDA by subtracting or adding to net income (loss): interest expense, income taxes, depreciation, amortization, net income (loss) to noncontrolling

interests, transaction costs, and other expenses. We calculate Adjusted Net Income by subtracting or adding to net income (loss): net income (loss) to noncontrolling interests, transaction costs, and other expenses. Our methodology for calculating Adjusted EBITDA and Adjusted Net Income may differ from the methodologies used by other comparable companies, when calculating the same or similar supplemental financial measures and may not be comparable with these companies. Neither Adjusted EBITDA nor Adjusted Net Income represents cash generated from operating activities as determined by GAAP and should not be considered as an alternative to (a) GAAP net income (loss) as an indication of our financial performance or (b) GAAP cash flows from operating activities as a measure of our liquidity nor are such measures indicative of funds available to satisfy our cash needs. The Company urges investors to carefully review the U.S. GAAP financial information as shown in our periodic reports on Form 10-Q and Form 10-K, as amended and our Current Reports on Form 8-K.

This press release does not constitute an offer to sell or a solicitation of an offer to buy any securities. Securities will be offered only by means of a registration statement and prospectus which can be found at [www.sec.gov](http://www.sec.gov).
