

GENWORTH MI CANADA INC.

**NOTICE AND MANAGEMENT INFORMATION CIRCULAR
FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON
JUNE 5, 2019**

Dear Shareholder:

Please join our Board of Directors and management at our 2019 annual meeting of shareholders. The meeting will be held on June 5th, 2019 at 10:00 a.m. (E.T.) at the TMX Broadcast Centre, The Exchange Tower, 130 King Street West, Toronto, Ontario, Canada.

At the meeting, you will have the opportunity to obtain first-hand information regarding Genworth MI Canada Inc., learn about our plans for the future and be called upon to vote on matters described in the Management Information Circular. The Notice of Annual Meeting and Management Information Circular describing the formal business of the meeting and related proxy are enclosed.

Your vote is very important. Whether or not you plan to attend the meeting, please participate by completing and sending us your proxy (full details are provided herein).

If you are unable to attend in person, you will be able to listen to a live webcast of the meeting at <http://investor.genworthmicanada.ca>. Prior to the meeting you may also wish to visit our website to view our most recently filed public documents.

DATED this 18th day of April, 2019

Sincerely,

A handwritten signature in black ink, appearing to read "Brian Hurley", written in a cursive style.

Brian Hurley

Chairman of the Board of Directors

Dear Shareholder,

On behalf of the Board of Directors, I would like to take this opportunity to highlight some of the accomplishments of Genworth MI Canada Inc. (“**Genworth Canada**” or the “**Company**”) during 2018 and the alignment of performance with compensation decisions made for the year.

Highlights of 2018 Performance

Genworth Canada delivered strong financial performance in 2018, meeting or exceeding most of the objectives established for the year. The Company met its performance objectives for return on equity (“**ROE**”) and net operating income (“**NOI**”), and fell short of its growth target for premiums written, as a result of the impact of regulatory changes on the mortgage origination and housing markets. In addition, Genworth Canada maintained a disciplined focus on operating within its risk appetite and increased dividends for the 9th consecutive year.

Performance highlights for the year included the following:

Measures	2018 Performance	Comments
ROE	12.0%	100% of target
NOI	\$475 million	103% of target
Premiums written	\$640 million in premiums written	92% of target
Achieve capital plan	\$1.92 annual dividend	Delivered above target

Alignment with Compensation Decisions

Aligning compensation decisions with performance is an important principle of our executive compensation strategy. In light of our strong performance during the year, the Board of Directors of the Company (the “**Board**”) approved the Variable Incentive Compensation (“**VIC**”) program funding at 101% of the target opportunity. Based on a review of the contributions and accomplishments of the CEO, the Board approved a 2018 VIC award equal to 108% of target (108% of salary). Following a similar review, for the other named executive officers, the Compensation and Nominating Committee (“**C&NC**”) approved VIC awards within a range of 98% to 108% of target. Long-term incentive grant values were set consistent with established target levels for each named executive officer. For 2018, the C&NC continued to utilize a mix of stock options, performance share units and restricted share units to ensure the appropriate alignment of senior leadership compensation, Company and individual performance and the interests of our shareholders.

Looking Ahead to 2019

The Board is committed to ensuring that compensation levels continue to align with our business strategy. Acknowledging Mr. Levings’ tenure as CEO of a publicly listed insurance company, the Board approved increasing Mr. Levings’ target total compensation for 2019 to \$2,323,750 (a 10% increase), which is more closely aligned to the median of our Canadian financial services industry peers. In addition to some market specific corrections, to maintain a higher “pay-at-risk” philosophy the Board approved an increase of 5% to target LTIP for the named executive officers.

We are proud of the accomplishments of Genworth Canada over the last year in this dynamically changing marketplace and we look forward to what we expect will be another successful year in 2019. On behalf of the Board, I thank our executives and employees for their strong contributions to the success of our Company. The Board welcomes your feedback and looks forward to seeing you at our upcoming annual shareholders meeting.

A handwritten signature in black ink, appearing to read 'S. Horn', with a long horizontal flourish extending to the right.

Sidney Horn

**Lead Director & Chair of the
Compensation and Nomination Committee**

NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN to the shareholders of Genworth MI Canada Inc. (the “**Company**”) that the 2019 annual meeting (the “**Meeting**”) of shareholders will be held on June 5, 2019 at 10:00 a.m. (E.T.) at the TMX Broadcast Centre, The Exchange Tower, 130 King Street West, Toronto, Ontario, Canada. The Board of Directors of the Company have fixed April 23, 2019 as the record date for the Meeting. The purpose of the Meeting will be to deal with the following matters:

1. Receiving the consolidated financial statements of the Company for the financial year ended December 31, 2018 and the report of the auditors on such statements;
2. Electing the Board of Directors;
3. Appointing the auditors and authorizing the Board of Directors to fix their remuneration; and
4. Transacting other business that may properly come before the Meeting or any adjournments of the Meeting.

Accompanying this notice are: (i) a Management Information Circular of the Company (the “**Circular**”); (ii) a voting instruction form or form of proxy to be used for voting on the matters to be dealt with at the Meeting; and (iii) a reply card for use by shareholders who wish to receive the annual and/or interim financial statements of the Company.

All non-registered shareholders must provide voting instructions in the manner described in the enclosed voting instruction form and in the accompanying Circular. Your shares will not be voted without your instructions.

We urge you to read these materials carefully and cast your vote on these important matters.

DATED this 18th day of April, 2019

BY ORDER OF THE BOARD OF DIRECTORS

Brian Hurley

Chairman of the Board of Directors

MANAGEMENT INFORMATION CIRCULAR

This Management Information Circular (the “**Circular**”) is being sent to each holder of common shares (“**Common Shares**”) and of the special share (the “**Special Share**”, and together with the Common Shares, the “**Shares**”) of Genworth MI Canada Inc. (the “**Company**” or “**Genworth Canada**”) in connection with the annual meeting (the “**Meeting**”) of holders of Shares (“**Shareholders**”).

Date, Time and Place of the Meeting

The Meeting is to be held on June 5, 2019 at 10:00 a.m. (E.T.) at the TMX Broadcast Centre, The Exchange Tower, 130 King Street West, Toronto, Ontario, Canada.

Record Date and Quorum

The Board of Directors of the Company (the “**Board**”) has fixed April 23, 2019 as the record date (the “**Record Date**”) for the Meeting. Each Shareholder of record at the close of business on the Record Date is entitled to vote the Shares registered in such Shareholder’s name at that date on each matter to be acted upon at the Meeting.

A quorum for the Meeting consists of at least one person present, being a Shareholder entitled to vote at the Meeting or a duly appointed proxy holder for a Shareholder entitled to vote at the Meeting. In the event that a quorum is not present at the time fixed for the Meeting, the Meeting will be adjourned to a day not less than seven days later, at such time and place as determined by the Chairperson of the Meeting.

Interpretation of this Circular

Except as otherwise stated, the information contained herein is given as of April 18, 2019. Unless otherwise specified, all dollar amounts are expressed in Canadian dollars.

QUESTIONS AND ANSWERS ON VOTING AND PROXIES

1. WHO DO I CALL IF I HAVE QUESTIONS OR NEED ASSISTANCE?

AST Trust Company (Canada) (“**AST**”), the Company’s transfer agent, via telephone at 416-682-3860 (outside Canada and the United States) or 1-800-387-0825 (within Canada and the United States); via facsimile at 1-888-249-6189; via e-mail at inquiries@astfinancial.com; or through their website at <https://www.astfinancial.com/ca-en>.

2. WHO IS SOLICITING MY PROXY?

This Circular is furnished in connection with the solicitation of proxies by management of the Company, a corporation incorporated under the laws of Canada, for use at the Meeting and at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of the Meeting. The Company may pay investment dealers or other service providers for their reasonable expenses for sending this Circular and other Meeting materials to Shareholders and obtaining voting instructions and/or proxies. If needed, it is expected that the solicitation of proxies for the Meeting will be primarily by mail, but proxies may also be solicited by telephone or personally by regular employees of affiliated entities of the Company at nominal cost. The cost of solicitation will be borne by the Company.

3. WHAT AM I VOTING ON?

- (A) The election of each director;
- (B) The appointment of the auditors; and
- (C) Any other matter that may properly come before the Meeting.

The Company’s Board and management recommend that you vote FOR (A) the election of each director and (B) the appointment of the auditors. The person named in the proxy form has discretionary authority with respect to amendments or variations to matters identified in the Notice of the Meeting and to other matters which may properly come before the Meeting.

4. WHO CAN VOTE?

Registered Shareholders on the Record Date may deposit proxies to be recognized and acted upon at the Meeting. While Shareholders who are not registered Shareholders (referred to in this Circular as “**Beneficial Shareholders**”) cannot vote at the Meeting by completing and depositing a form of proxy as a registered Shareholder, they can vote in the manner specified below.

The Company is not sending this Circular directly to Beneficial Shareholders. Rather, the Company is paying for Beneficial Shareholders to receive a voting instruction form or other similar document with this Circular from their broker or other intermediary holding Shares on their behalf (the “**Intermediary**”). This voting instruction form allows the Beneficial Shareholder to provide voting instructions with respect to such Shares. The voting instruction form is similar to the form of proxy provided to a registered Shareholder, however, its purpose is limited to instructing a registered Shareholder how to vote on your behalf. Intermediaries will typically make arrangements that will allow you, if you are a Beneficial Shareholder, to provide voting instructions by completing and returning a voting instruction form by mail or facsimile, calling a toll-free telephone number or by using the internet. You should carefully follow the directions provided to you in order to ensure that your Shares are voted at the Meeting. Your Shares will not be voted without your instructions.

Please note that Beneficial Shareholders seeking to attend the Meeting will not be recognized at the Meeting for the purpose of voting Shares unless the Beneficial Shareholder has provided instructions to appoint him or herself as a proxyholder. In order to do this, the individual should follow the instructions on the voting instruction form received from the Intermediary regarding the manner in which voting instructions are to be provided and, in doing so, specify that individual’s own name as the person to be appointed as proxyholder for the purposes of voting his or her Shares. For instance, if “*David Jones*” is a Beneficial Shareholder and he wishes to be appointed as a proxyholder, in the voting instruction form he receives from his Intermediary, he should insert the name “*David Jones*” in the space provided and follow the other procedures specified on the voting instruction form for appointing a proxyholder other than one of the individuals specified on the form. Beneficial Shareholders seeking to appoint another person as proxyholder should see the procedures below in “*How do I appoint someone to vote for me?*”

All Beneficial Shareholders should communicate their voting instructions in accordance with directions received from the Intermediary holding Shares on their behalf well in advance of the deadline for the receipt of proxies to allow their instructions to be processed before the deadline.

5. BY WHEN SHOULD I MAIL MY PROXY?

Beneficial Shareholders need to deliver their voting instructions to their Intermediary within the timeframes specified by the Intermediary. Registered Shareholders should send their proxy forms to AST by no later than 5:00 p.m. (E.T.) on June 3, 2019 or, in the case of any adjournments or postponements of the Meeting, not less than 48 hours, Saturdays, Sundays and holidays excepted, prior to the time of the adjourned or postponed Meeting.

6. HOW DO I APPOINT SOMEONE TO VOTE FOR ME?

An instrument appointing a proxy must be in writing and either substantially in a form approved by the Board or as may be satisfactory to the Chairman of the Meeting. Forms of proxy must be executed on behalf of the registered Shareholder by a person duly authorized in writing. The individuals named in the enclosed form of proxy are officers of the Company. **A REGISTERED SHAREHOLDER MAY APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER, TO REPRESENT HIM OR HER AT THE MEETING.** In order to do so, the registered Shareholder must insert such other person's name in the blank space provided in the form of proxy and strike out the names of the nominees referred to, or complete another proper form of proxy and, in either case, deposit the completed proxy with AST by the specified deadline.

Beneficial Shareholders seeking to have another person vote for them at the Meeting must provide instructions to appoint such person as a proxyholder. In order to do this, the Beneficial Shareholder should follow the instructions on the voting instruction form received from the Intermediary regarding the manner in which voting instructions are to be provided and, in doing so, specify such person's name as the person to be appointed as proxyholder for the purposes of voting the Beneficial Shareholder's Shares.

7. IF I CHANGE MY MIND, CAN I REVOKE MY PROXY ONCE I HAVE GIVEN IT?

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered Shareholder or by its attorney authorized in writing, and by depositing such instrument with AST before the deadline for filing proxies, or in any other manner permitted by law. However, the revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

8. HOW WILL MY SHARES BE VOTED IF I VOTE BY PROXY?

The persons named in the form of proxy must vote or withhold from voting your Shares in accordance with your instructions on the form of proxy. Common Shares represented by a proxy are to be voted by the proxyholder designated in the enclosed form of proxy as instructed by the Shareholder. **In the absence of a contrary instruction, or where no instruction is indicated, the persons designated by management of the Company in the enclosed form of proxy intend to vote:**

- **FOR** the election of each director; and
- **FOR** the appointment of the auditors.

9. WHAT IF AMENDMENTS ARE MADE TO THESE MATTERS OR IF OTHER MATTERS ARE BROUGHT BEFORE THE MEETING?

The person named in the form of proxy has discretionary authority with respect to amendments or variations to matters identified in the Notice of the Meeting and to other matters which may properly come before the Meeting. As of the date hereof, the Company's management knows of no such amendment, variation or other matter expected to come before the Meeting. If any other matters properly come before the Meeting, the persons named in the proxy form will vote on them in accordance with their best judgment.

10. WHAT IS ELECTRONIC DELIVERY?

Electronic delivery is a voluntary program that permits Shareholders to receive their disclosure documents electronically rather than in paper form. Every year, the Company mails to Shareholders documentation, such as this Circular, that must by law be delivered to shareholders of a public company. Consenting registered Shareholders will receive an e-mail containing a link to disclosure documentation on the Company's website (www.genworth.ca). The Company believes that electronic delivery will benefit the environment and reduce the Company's costs.

11. IS ELECTRONIC DELIVERY MANDATORY?

No. Electronic delivery is voluntary; if you do not consent to electronic delivery, you will continue to receive documentation by regular mail.

12. IF I CONSENT TO ELECTRONIC DELIVERY, WHEN WILL THE DOCUMENTATION BE AVAILABLE?

If you consent to electronic delivery, you will be notified by e-mail of the availability on the Company's website (www.genworth.ca) of all documentation which must be sent to you by law.

13. HOW CAN I CONSENT TO ELECTRONIC DELIVERY?

By completing and returning the reply card accompanying this Circular.

14. HOW DO I VOTE?

Registered Shareholders:

A registered Shareholder can vote by delivering a proxy to AST in one of the following ways:

- By mail: AST Trust Company (Canada)
P.O. Box 721
Agincourt, ON M1S 0A1
- By fax: (416) 368-2502 (in the Greater Toronto Area); or
1-866-781-3111 (Toll Free)
- Both sides of the proxy must be faxed
- In person: AST Trust Company (Canada)
1 Toronto Street
Suite 1200
Toronto, ON M5C 2V6
- By e-mail: proxyvote@astfinancial.com
- Both sides of the proxy must be emailed

IF YOUR SHARES ARE NOT REGISTERED IN YOUR NAME (E.G., IF THEY ARE HELD THROUGH AN INTERMEDIARY), DO NOT USE THE ABOVE FAX NUMBERS AS THEY ARE RESERVED FOR REGISTERED SHAREHOLDERS. INSTEAD, USE THE FAX NUMBERS, IF ANY, PROVIDED BY YOUR INTERMEDIARY.

Beneficial Shareholders:

There are two ways that you can vote your Shares if you are a Beneficial Shareholder:

(i) By Providing Voting Instructions to Your Intermediary

Your Intermediary is required to seek voting instructions from you in advance of the Meeting. Accordingly, you will receive from your nominee either a request for voting instructions or a form of proxy for the number of Shares you hold.

Every Intermediary has its own procedures which should be carefully followed by Beneficial Shareholders to ensure that their Shares are voted at the Meeting. Please contact your Intermediary for instructions in this regard.

(ii) By Attending the Meeting in Person

The Company does not have access to the names of Beneficial Shareholders. Therefore, if you attend the Meeting, the Company will have no record of your shareholdings or of your entitlement to vote unless your Intermediary has appointed you as proxyholder. If you wish to vote in person at the Meeting, insert your own name in the space provided on the request for voting instructions or form of proxy to appoint yourself as proxyholder and follow the instructions of your Intermediary. Beneficial Shareholders who instruct their nominee to appoint themselves as proxyholders should present themselves to a representative of AST at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nominees for election as directors, nor persons who have been directors or executive officers of the Company since the commencement of the Company's last financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at the date hereof, the Company has 87,598,663 Common Shares issued and outstanding, each of which entitles the holder to one vote per Common Share.

Principal Shareholders

As at the date hereof, to the knowledge of the Board, Genworth Financial International Holdings, LLC ("**GFIH**") and Genworth Mortgage Insurance Corporation ("**GMIC**"), each a wholly owned subsidiary of Genworth Financial, Inc. ("**Genworth Financial**") are the only entities that beneficially own, directly or indirectly, control or direct voting securities of the Company carrying 10% or more of the voting rights attached to any class of voting securities of the Company. As at the date hereof, GFIH holds 35,467,949 Common Shares, representing approximately 40% of the issued and outstanding Common Shares and GMIC holds 14,416,791 Common Shares representing approximately 16% of the issued and outstanding Common Shares. Based on information publicly filed with applicable securities regulatory authorities, as of the date hereof, Genworth Financial, via GFIH and GMIC, each a wholly owned subsidiary of Genworth Financial, owns or exercises control over one Special Share and an aggregate of 49,884,740 Common Shares, representing approximately 57% of the issued and outstanding Common Shares.

Special Share Rights

The articles of the Company authorize a class of special shares. The rights, privileges, restrictions and conditions of the special shares provide that only one such special share may be authorized for issuance. The Special Share provides rights to Genworth Holdings, Inc., a wholly owned subsidiary of Genworth Financial, via GFIH, with respect to the election of a portion of the Board. The attributes of the Special Share provide that the holder of the Special Share is entitled to nominate and elect a certain number of directors to the Board, as determined by the number of Common Shares that the holder of the Special Share and its subsidiaries beneficially own from time to time. Accordingly, for so long as Genworth Holdings, Inc. beneficially owns a specified percentage of Common Shares, the holder of the Special Share is entitled to nominate and elect a specified number of the Company's directors rounded to the nearest whole number, as set out in the table below.

Common Share Ownership	Number of Directors
Greater than or equal to 50%	5/9
Less than 50% but not less than 40%	4/9
Less than 40% but not less than 30%	3/9
Less than 30% but not less than 20%	2/9
Less than 20% but not less than 10%	1/9
Less than 10%	None

See "*Business of the Meeting – Election of Directors – Director Nominees*" below for an indication of those nominees who are the nominees of Genworth Financial.

Under the terms of the Shareholder Agreement dated July 7, 2009, as amended, among the Company, GFIH, GMIC, Genworth Holdings, Inc. and Genworth Financial (the "**Shareholder Agreement**"), Genworth Holdings, Inc., as the beneficial holder, has agreed not to vote its Common Shares for the election of directors at any Shareholders meeting at which it exercises its rights to elect directors under the Special Share. However, where Genworth Holdings, Inc. does not exercise its Special Share director election rights, it is permitted to vote its Common Shares for the election of directors. Genworth Holdings, Inc. may also exercise the voting rights attached to Common Shares beneficially owned by it on any other matter.

In accordance with the terms of the Shareholder Agreement, Genworth Holdings, Inc., a wholly-owned subsidiary of Genworth Financial, has notified the Company that it has elected not to exercise its rights to elect directors under the Special

Share. Therefore, Genworth Financial, via GFIH and GMIC, will vote the Common Shares it beneficially owns in connection with the election of the nine nominee directors.

BUSINESS OF THE MEETING

ELECTION OF DIRECTORS

The articles of the Company provide that the Board shall consist of a minimum of three directors and a maximum of fifteen directors. The Board has determined that, at the present time, nine is an appropriate number of directors for the Board. The term of office of each director currently in office expires at the close of the Meeting. Each director elected at the Meeting shall hold office until the close of the next annual meeting of Shareholders, unless he or she resigns or his or her office becomes vacant for any reason.

Nomination and Evaluation of Candidates

The Board derives its strength from the background, diversity, qualities, competencies and experience of its members. Directors are elected by Shareholders at each annual meeting to serve for a term expiring on the date of the next annual meeting. The Board or its appropriate delegated committees considers all qualified candidates identified through an internal and external search process. Nominees are considered based on the assessed needs of the Board, using a skills matrix, against the collective qualities of the proposed candidate. Such qualities may include but not be limited to: integrity and ethics, business judgment, independence, business or professional expertise, international experience, residency, familiarity with geographic regions relevant to Genworth Canada's strategic priorities and gender and ethnic diversity.

Diversity Considerations

The Board has in place a nomination and independence policy (the "**Nomination and Independence Policy**") that outlines the search and nomination process for new directors. This policy establishes, among other things, the commitment of Genworth Canada to diversity and inclusiveness in practices around Board nomination. The Board recognizes the benefits of promoting diversity both within Genworth Canada and at the Board level. In assessing candidates and selecting nominees, the Board considers gender diversity an important factor and as such the Board has set a target that at least three of nine directors will be women by 2020. Following the Meeting and assuming that all nominees for director are elected as contemplated in the Circular, two of nine directors (22%) on the Board will be women.

The Board has sought to ensure that its commitment to diversity and inclusiveness will be effectively implemented by embedding it into the Nomination and Independence Policy. The Board's compensation and nominating committee (the "**C&NC**") evaluates the effectiveness of the director selection and nomination process, including adherence to its diversity and inclusiveness, through its annual evaluation of the Board.

Board Composition and Independence

The Board, subject to the Company's articles and by-laws, will normally be comprised of nine directors, five nominated by Genworth Financial or its applicable subsidiaries in accordance with the terms of the Shareholders Agreement. In compliance with the *Canada Business Corporations Act*, the Board must include at least 25% resident Canadians. The Board must also include at least three directors who are "independent" and "financially literate", which directors will be members of an audit committee in compliance with Canadian securities laws. In addition, in order to remain as a "foreign private issuer" under U.S. securities laws, a majority of the Board must not be U.S. citizens or residents. The Board also has in place a Nomination and Independence Policy that indicates how the Board will evaluate the "independence" of a director, which includes applicable securities regulatory requirements relating to independence, the requirements of applicable regulatory bodies, as well as giving consideration to the existence of any direct or indirect material relationship with the business. The Nomination and Independence Policy also specifies that for so long as the Chairman of the Board is deemed not to be independent by the Board, an independent Lead Director will be appointed by the Board to perform such duties as are specified by the Board in the position description of the Lead Director.

Director Tenure

The Board recognizes the benefit of balancing experience with new perspectives. As such the Board seeks to achieve ongoing renewal at the Board and committee levels. Directors will not stand for re-election after reaching the age of 75 years or following 10 consecutive years' service on the Board from the implementation date of the Nomination and Independence Policy, which occurred on March 26, 2015. Under certain circumstances the Board may extend the tenure of a director if there is sufficient justification to do so.

The table below under the heading "*Business of the Meeting – Election of Directors – Director Nominees*" sets forth information with respect to each of the nine persons who are proposed as nominees for election as directors of the Company, including the name, province or state, and country of residence of each of the proposed nominees for election as directors,

all other positions and offices with the Company now held by each nominee, his/her present principal occupation or employment, his/her business experience over the last five years, the period during which he/she has served as director, the number of securities of the Company (including Common Shares, options to purchase Common Shares ("**Options**"), Restricted Share Units ("**RSUs**"), Deferred Share Units ("**DSUs**"), Performance Share Units ("**PSUs**") and Executive Deferred Share Units ("**EDSUs**")) beneficially owned by him or her, as at the date hereof, over which each nominee has or shares voting or investment power, and attendance record for all applicable meetings held in 2018. The information as to securities beneficially owned, directly or indirectly, or over which control or direction is exercised, not being within the knowledge of the Company, has been furnished by the respective proposed nominees individually.

Majority Voting Policy

The Company has in place a majority voting policy (the "**Majority Voting Policy**"). The Company's form of proxy allows a Shareholder to vote in favour of, or withhold from voting for, each director nominee individually. Pursuant to the Majority Voting Policy, if at any uncontested meeting of Shareholders at which directors are elected, a director nominee receives more "withheld" votes than votes "for", despite being duly elected as a matter of corporate law, the Board shall consider the nominee to not have received the support of the Shareholders, and such nominee shall be required to submit his or her resignation forthwith to the Board. The Board shall refer such nominee's resignation to the C&NC for consideration, and unless the C&NC determines that there are appropriate circumstances that should delay the acceptance of the resignation or justify rejecting it, the Board shall accept the resignation. Such nominee's resignation shall be effective upon acceptance by the Board. In any event, it is expected that the resignation will be accepted (or in rare cases rejected) within 90 days of the applicable meeting of Shareholders. Subject to any corporate law restrictions, the Board may: (i) leave any vacancy in the Board unfilled until the later of the next annual meeting of Shareholders; (ii) fill any vacancy in the Board by appointing a new director or directors whom the Board considers to merit the confidence of the Shareholders; or (iii) call a special meeting of Shareholders to consider new Board nominee(s) to fill the vacant position(s). The Majority Voting Policy does not apply at any contested meeting of Shareholders where directors are elected (i.e., a meeting of Shareholders where proxy solicitation material is circulated in support of one or more nominees who are not part of the group of director nominees supported by the Company).

As of the date hereof, Genworth Financial, via GFIH and GMIC, owns or exercises control over approximately 57% of the issued and outstanding Common Shares. In accordance with the terms of the Shareholder Agreement, Genworth Holdings, Inc., a wholly owned subsidiary of Genworth Financial, has notified the Company that it has elected not to exercise its rights to elect directors under the Special Share, and therefore will vote the Common Shares it owns or exercises control over in connection with the election of the nine nominee directors, in favour of such nominees.

Director Nominees

Brian Hurley
North Carolina, USA

Director Since:
May 2009

Status:
Non-independent

- Areas of Expertise:**
- Financial Services
 - Strategic Management
 - Corporate Governance

2018 Votes in Favour:

Notes:
 (1) Independent within the meaning of *National Instrument 52-110 – Audit Committees*.
 (2) The number of meetings for this metric differs for this director compared to others, as this director's appointment to the relevant entity (i.e. Board or committee) during 2018 differs from that of the other relevant directors.

In addition to the skills listed under "Areas of Expertise", all of our directors have broad experience and expertise acquired from senior level involvement in organizations in the financial services industry. As a result, each director has significant expertise in strategic leadership and governance.

The Board recommends a vote “FOR” the election of each of the nominees listed above to serve on the Board until the next annual meeting of Shareholders. **In the absence of a contrary instruction, or where no instruction is indicated, the persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the election as directors of the proposed nominees whose names are set forth above.** The nominees set forth above have consented to being named in this Circular and to serve if elected. The Company does not contemplate that any of the proposed nominees will be unable or unwilling to serve as a director, but if for any reason, at the time of the Meeting any of the nominees are unable to serve, and unless otherwise specified, it is intended that the persons designated in the form of proxy will vote in their discretion for a substitute nominee or nominees.

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Other than as specified below, no proposed director of the Company is, or within the 10 years prior to the date hereof has been, a director, chief executive officer or chief financial officer of any company (including Genworth Canada) that (i) was subject to a corporate cease trade order that was issued while acting in the capacity as director, chief executive officer or chief financial officer; or (ii) was subject to such an order that was issued after that person ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while the person was acting in that capacity.

Except as stated herein, no proposed director of the Company is, as at the date hereof, or has been within 10 years before the date hereof, a director or executive officer of any company (including Genworth Canada) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets. In addition, no proposed director of the Company has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

Sidney Horn was a director of LMI Legacy Holdings II Inc. (formerly known as Landauer - Metropolitan Inc.) (together with certain affiliated entities, “LMI”) which filed a petition for protection under Chapter 11 of the United States Bankruptcy Code on August 16, 2013. Following a sale of substantially all of LMI’s assets on February 7, 2014, LMI filed a Joint Plan of Liquidation (the “**Joint Plan**”) pursuant to Chapter 11 of the U.S. Bankruptcy Code. On April 18, 2014, the U.S. Bankruptcy Court entered an order confirming the Joint Plan, and the effective date for the Joint Plan was May 1, 2014.

No proposed director has been subject to (i) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (ii) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable Shareholder in deciding whether to vote for a proposed director.

Changing Directors

Effective February 4, 2019, Mr. Leon Roday resigned from the board of directors. Mr. Rajinder Singh was appointed by the Board to fill the vacancy at the Board created by Mr. Roday’s resignation. Mr. Hurley was appointed by the Board to fill the vacancy at the Compensation and Nominating Committee created by Mr. Roday’s resignation.

APPOINTMENT OF AUDITORS

KPMG LLP (“**KPMG**”) is the present auditors of the Company. At the Meeting, Shareholders will be requested to re-appoint KPMG as the auditors of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix the auditors’ remuneration. KPMG have been the Company’s auditors since May 25, 2009.

On the advice of the Company’s audit committee (the “**Audit Committee**”), the Board recommends a vote “FOR” the re-appointment of KPMG as auditors for the Company until the next annual meeting of Shareholders or until a successor is appointed and the authorization of the Board to fix the auditors’ remuneration. **In the absence of a contrary instruction, or where no instruction is indicated, the persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the re-appointment of KPMG as auditors for the Company until the next annual meeting of Shareholders or until a successor is appointed and the authorization of the Board to fix the auditors’ remuneration.**

Further to the recommendation of the Audit Committee, and in accordance with the mandate of the Audit Committee, the following fees were paid to the external auditors in 2017 and 2018:

Audit Related Fees

In 2017 and 2018, KPMG charged the Company and its subsidiaries \$120,243 and \$89,000 respectively for audit related services for assurance and services related to the performance of the audit of the annual statements not reported under "Audit Fees" above. In 2017 and 2018 these included fees in relation to the translation of Interim and Annual Financial Statements, and the audit of the employee Pension Plan (as defined herein).

Tax Fees

In 2017 and 2018, KPMG charged the Company and its subsidiaries \$42,000 and \$40,660 respectively, for tax compliance services. KPMG also charged the Company and its subsidiaries \$14,900 and \$0, respectively, for SR&ED related services.

All Other Fees

In 2017 and 2018, KPMG charged the Company \$86,518 and \$172,372, respectively, for services incurred other than those described above, which include the Service Organization Report and actuarial peer review of the Appointed Actuary's Report to the Superintendent of Financial Institutions.

The Audit Committee is responsible for approving in advance any retainer of the auditors to perform any non-audit services for the Company that it deems are advisable, provided such services are in accordance with all applicable legal and professional requirements and the Board's approved policies and procedures.

REPORT ON DIRECTOR COMPENSATION

COMPENSATION DISCUSSION & ANALYSIS

Compensation Philosophy & Objectives

The Company's philosophy for compensating its directors is to ensure competitive compensation with its approved peer group. Director compensation is structured to compensate the Company's directors appropriately for their time and effort overseeing the operation of the Company while aligning their interests with those of its shareholders.

Evaluating Market Competitiveness

Director Compensation

The responsibility for director compensation is part of the mandate of the C&NC.

In 2018, the C&NC engaged Willis Towers Watson to review its director compensation structure in relation to the Board approved peer group, consistent with the sample of companies used to benchmark senior executive compensation (refer to page 25 for details).

Informed by this market review, upon recommendation from the C&NC, the Board approved an increase to the annual director retainer, from \$85,000 to \$95,000, effective January 1, 2019. The minimum share ownership levels for directors, remains 3 times the total retainer with the dollar value increasing to \$285,000 for directors and \$570,000 for the board chair.

Role & Compensation Element		2018	2019
Board Member	Annual retainer	\$85,000	\$95,000
Board Chair	Additional retainer ¹	\$190,000	\$190,000
Lead Director	Additional retainer ¹	\$25,000	\$25,000
Committee Member annual retainer	Audit Committee	\$15,000	\$15,000
	Compensation & Nominating Committee	\$15,000	\$15,000
	Risk, Investment & Capital Committee	\$10,000	\$10,000
Committee Chair additional retainer	Audit Committee ²	\$20,000	\$20,000
	Compensation & Nominating Committee ²	\$12,500	\$12,500
	Risk, Investment & Capital Committee ²	\$10,000	\$10,000
Special Committee	Per Meeting Fee (where applicable)	\$2,000	\$2,000

1. In addition to the annual board member retainer

2. In addition to the annual committee member retainer

For Fiscal 2016, Mr. Hurley was the Executive Chairman of the Board and compensated by Genworth Canada and Genworth Financial Mortgage Insurance Company Canada. On February 15, 2017, Mr. Hurley retired from his Executive Chairman of the Board position and was appointed as Chairman of the Board and of the board of directors of Genworth Financial Mortgage Insurance Company Canada.

Genworth Canada will compensate Mr. Hurley for his participation on the Board at the same level and in the same manner as the independent directors. Mr. Hurley does not meet the requirements of an “independent director” as defined in *National Instrument 58-101*.

Directors are entitled to be reimbursed for reasonable expenses incurred by them in their capacity as directors. See “*Report on Executive Compensation – Compensation Decisions for 2018 – Share Ownership Requirements*” for more details on the payment method of directors and the Company’s Common Share ownership requirements, and “*Business of the Meeting – Election of Directors – Director Nominees*” for details of the Common Share ownership levels of the directors.

Deferred Share Unit Plan

The purpose of the Company’s Directors’ Deferred Share Unit Plan (the “**DSU Plan**”) is to assist the Company in attracting, and retaining qualified individuals to serve as members of the Board and to promote a greater alignment of interests between eligible directors and the Shareholders. The DSU Plan was adopted by the Board with effect from July 7, 2009 and has been amended from time to time since then. There are currently 250,000 Common Shares reserved for issuance under the DSU Plan (approximately 0.29% of the currently outstanding Common Shares (on a non-diluted basis) (the “**Share Reserve**”)) of which 167,043 (or approximately 0.19% of the currently outstanding Common Shares on a non-diluted basis) remain available for issuance as of the date hereof. DSUs are units that are credited to an eligible director’s account, the value of which, on a particular date, shall be equal to the fair market value of a Common Share for such date. The fair market value for a particular date is deemed to be the average closing price of the Common Shares on the Toronto Stock Exchange (“**TSX**”) during the five trading days prior to such date. Under no circumstances shall DSUs be considered Common Shares nor shall they entitle any participant to exercise voting rights or any other rights attaching to the ownership or control of Common Shares, including, without limitation, rights on liquidation, nor shall any participant be considered the owner of any Common Shares to be delivered under the DSU Plan until the date of purchase or issuance of such Common Shares, as determined by the Board.

The Board may grant awards of DSUs from time to time to each eligible director. The DSUs are then credited to the participant’s account on the award date. In any particular year the Board may, in its sole discretion, determine not to make an award to a particular eligible director or to all eligible directors as a group. See “*Business of the Meeting – Election of Directors – Director Nominees*” for details on the amount of DSUs held by each of the directors of the Company.

The DSU Plan is administered by the Board. Subject to the limitations set forth in the DSU Plan, the Board’s authority includes:

- (a) determining the eligible directors who may participate in the DSU Plan;
- (b) determining the number of DSUs that will be awarded and whether dividend equivalents will be granted to an eligible director in connection with all or a portion of such award;
- (c) determining the terms and conditions of each award or election, the effect, if any, of a DSU Plan participant’s termination, and the adjustment of the terms of an award or election to comply with applicable laws or regulations; and
- (d) specifying and approving the provisions of the payment delivered to a DSU Plan participant in connection with their account, whether it be in the form of Common Shares from treasury, Common Shares purchased on the TSX on behalf of such participants, in cash, or a combination thereof.

The Board may, in its absolute discretion, elect one or any combination of the following payment methods for the DSUs credited to a participant’s account on the participant’s termination date:

- (a) issuing Common Shares to the participant or the participant’s beneficiary, as the case may be;
- (b) causing a broker to purchase Common Shares on the TSX for the account of the participant or the participant’s beneficiary, as the case may be; or
- (c) paying cash to the participant or the participant’s beneficiary, as the case may be.

Where the Board does not specify any payment method for the DSUs credited to a participant’s account, the form of payment shall be in cash. The maximum number of Common Shares which may be reserved for issuance to insiders under the DSU

Plan and all other share-based compensation plans collectively shall be 10% of the Common Shares outstanding at the time of the grant (on a non-diluted basis). The maximum number of Common Shares which may be issued to insiders under the DSU Plan and all other share-based compensation plans collectively within a one year period shall be 10% of the Common Shares outstanding at the time of the issuance (on a non-diluted basis). Any increase in Common Shares reserved shall be subject to the approval of Shareholders in accordance with the rules of the TSX.

Payment amounts under the DSU Plan are determined by calculating the product of: (a) the number of DSUs credited to the participant's account; and (b) the fair market value on the redemption date.

The DSU Plan may be amended, suspended or terminated in whole or in part at any time and for any reason by the Board, provided that no such amendment, suspension or termination shall: (i) unless required by law, adversely affect the rights of any participant with respect to DSUs to which the participant is then entitled under the DSU Plan without the consent of the affected participant; or (ii) contravene applicable laws or regulations. Notwithstanding the foregoing, the following changes to the DSU Plan will require Shareholder approval in accordance with the requirements of the TSX: (i) any amendment increasing the number of Common Shares in the Share Reserve; (ii) any amendment granting additional powers to the Board to amend the DSU Plan or entitlements; (iii) any amendment to the definition of "Eligible Director" in the DSU Plan to add categories of eligible participants; (iv) any amendment adding new forms of compensation involving the issuance of Common Shares by the Company; (v) any amendment to assignment provisions; or (vi) any amendment to the insider participation limits.

Shareholder approval shall not be required for the following amendments and the Board may make certain changes without Shareholder approval that include, subject to any legal or regulatory approvals: (i) amendments of a "housekeeping" nature; (ii) any amendment to comply with the rules, policies, instruments and notices of any regulatory authority to which the Company is subject, including the TSX, or to otherwise comply with any applicable laws or regulations; (iii) amendments required for awards to qualify for favourable tax treatment; or (iv) any amendment suspending or terminating the DSU Plan. During 2015, amendments were made to the DSU Plan relating to redemption dates and other items aimed at improving tax efficiency under applicable income tax laws. The results of these revisions are to allow Genworth Canada to issue DSUs to directors who are residents of the United States, and such revisions were required for proper tax administration of the DSU Plan for such directors. Effective February 6, 2017, the DSU Plan was amended to include the Board's right to defer the allocation of DSUs for a period of up to 12 months in special circumstances. In addition, the DSU Plan was amended to enable an Eligible Director to elect to receive from 0% up to a maximum 100% of their annual remuneration in the form of DSUs. As these amendments to the DSU Plan did not require Shareholder approval pursuant to the requirements of the TSX, Shareholder approval was not sought with respect thereto.

The rights or interests of a participant under the DSU Plan, including the DSUs, shall not be assignable or transferable, otherwise than in case of death, and such rights or interests shall not be encumbered by any means.

In the event of any stock dividend, stock split, combination or exchange of Common Shares, merger, consolidation, spin-off or other distribution (other than normal cash dividends) of the Company's assets to Shareholders, such proportionate adjustments, if any, as the Board in its discretion may deem appropriate to reflect such change, shall be made with respect to the number of DSUs credited to the accounts maintained for the participants.

Share Ownership Requirements

Below is a description of the Company's share ownership policy (the "**Share Ownership Policy**"), which was revised in February 2018. In order to ensure alignment of the interests of its compensated directors and officers with those of the Shareholders, the Board has established the Share Ownership Policy as follows:

- Directors that receive compensation from the Company will be required to beneficially own at least three times their annual retainer in Common Shares or DSUs;
- The Chairman of the Board is required to own three times his or her current annual retainer in Common Shares, EDSUs, DSUs or RSUs;
- The Chief Executive Officer will be required to own four times his or her current annual base salary in Common Shares, EDSUs, RSUs or PSUs. Fifty percent of the PSUs held by the Chief Executive Officer will count towards the share ownership requirements;
- All other executive officers of the Company, being the Senior Vice-Presidents, will be required to own an amount equal to two times their current annual base salary in Common Shares, EDSUs, RSUs or PSUs. Fifty percent of the unvested PSUs held by such executive officer will count towards the share ownership requirements;

- Minimum ownership levels are to be met within five years from the date of appointment to such person's relevant executive officer position or the date a compensated director is first appointed to the Board or begins receiving compensation (as applicable);
- If promoted to a new role the employee will have five years from effective date of role change to attain the new ownership level required;
- If the share ownership requirements are amended at any time, the applicable individual will have five years from the effective date of such change to attain the required ownership level;
- Individuals who experience a change in ownership requirements will need to satisfy both their new ownership requirements and any pre-existing outstanding ownership obligations in place prior to such change. However securities applied to pre-existing ownership requirements also will apply to the ownership calculation for the new ownership requirements;
- The value of the securities, for the purposes of meeting ownership requirements shall be equal to the greater of:
 - (a) the purchase price of Common Shares purchased;
 - (b) the closing price of the Common Shares on the grant date in the case of EDSUs, RSUs, or PSUs;
 - (c) the fair market value of the Common Shares on the date at which DSUs are credited to the applicable director's account (calculated in the manner set forth in the DSU Plan; or
 - (d) the closing market price of such securities, multiplied by the relevant number of securities, calculated on the relevant date as of which compliance with the Share Ownership Policy is being tested; and
- For the purposes hereof, a compensated director will be deemed to own the Common Shares or DSUs owned by the entity over which such director or executive officer has beneficial ownership of, or control or direction over, directly or indirectly, including, but not limited to:
 - (a) his or her spouse;
 - (b) his or her dependent natural born or legally adopted children;
 - (c) a trust, the sole beneficiary of which are the applicable director, or the persons specified in (a) or (b) above; and
 - (d) a corporation or other legal entity, all of the voting securities or other ownership interests of which are owned by the applicable director, or the persons specified in (a) or (b) above.

Each eligible director can elect to receive a percentage, ranging from a minimum of 0% to a maximum of 100%, of his or her annual remuneration, defined as annual base retainer plus the retainer paid for serving as a committee chair or lead director, in the form of DSUs, with the balance, if any, to be paid in cash. Notwithstanding any election made by the eligible director, if the eligible director has not satisfied the Share Ownership Policy, within the prescribed five-year timeframe, then the Board may require that such director receive as much as 100% of his or her annual remuneration in the form of DSUs until the director has satisfied the Share Ownership Policy.

The following table summarizes the five year targets and current actual Common Share and DSU ownership as of the date hereof for directors receiving compensation from the Company.

Name and Principal Position	Five Year Target Ownership (\$)	Current Ownership Level (\$)	Percentage of Goal Met (%)
Andrea Bolger, Independent Director ⁽¹⁾	285,000	394,844	>100%
Sharon Giffen, Independent Director ⁽³⁾	285,000	83,387	29%
Brian Hurley, Chairman of the Board	570,000	2,992,229	>100%
Sidney Horn, Lead Director	285,000	1,836,902	>100%
Neil Parkinson, Independent Director ⁽²⁾	285,000	497,268	>100%

Notes:

- (1) Ms. Bolger was appointed to the Board in June 2016. Ms. Bolger has five years from the date she was appointed to the Board to satisfy her share ownership requirements.
- (2) Mr. Parkinson was appointed to the Board in February 2017. Mr. Parkinson has five years from the date he was appointed to the Board to satisfy his share ownership requirements.
- (3) Ms. Giffen was appointed to the Board in June 2017. Ms. Giffen has five years from the date she was appointed to the Board to satisfy her share ownership requirements.

Insider Trading Policy

In working towards the goal of meeting their Common Share ownership requirements, directors must adhere to the terms of the Company's insider trading policy (the "**Insider Trading Policy**"). This policy sets out the timing of when trades may be made, but also sets out limitations on the types of trades that can be made by such personnel. Under the Insider Trading Policy, such personnel are prohibited at any time from, directly or indirectly:

- (a) speculating in securities of the Company, which may include buying with the intention of quickly reselling such securities, or selling securities of the Company with the intention of quickly buying such securities (other than in connection with the acquisition and sale of Common Shares issued under the Stock Option Plan (as defined herein) or any other Company benefit plan or arrangement);
- (b) buying the Company's securities on margin;
- (c) short selling a security of the Company or any other arrangement that results in a gain only if the value of the Company's securities declines in the future;
- (d) selling a "call option" giving the holder an option to purchase securities of the Company; and
- (e) buying a "put option" giving the holder an option to sell securities of the Company.

These restrictions are in addition to applicable corporate laws that would impose additional prohibitions against speculative trading in the Company's securities.

Directors' and Officers' Liability Insurance

In 2018, the Company purchased liability insurance for its directors and officers with an aggregate limit of US\$100 million and a deductible of US\$0 personal / US\$100,000 company. Premiums of US\$207,500 were paid by the Company in 2018. The aggregate limit and premiums paid were unchanged from 2017.

Additional Insurance

In 2018, the Company purchased professional liability insurance with an aggregate limit of US\$30 million and a deductible of US\$100,000, financial institution bond insurance with an aggregate limit of US\$25 million and a deductible of US\$50,000 and fiduciary liability insurance with an aggregate limit of US\$10 million and a deductible of US\$25,000. Premiums of US\$298,000 were paid by the Company in 2018. The aggregate limit and premiums paid were unchanged from 2017.

New for 2018, the Company purchased cybersecurity insurance with an aggregate limit of C\$10 million and a deductible of C\$250,000. Premiums of approximately C\$86,000 (for policy period 2/20/18 – 3/31/19) were paid for this insurance by the Company in 2018.

DIRECTOR SUMMARY COMPENSATION TABLE

The following table sets out information concerning the director compensation earned during the financial year ended December 31, 2018 (“**Fiscal 2018**”) by directors of the Company. Other than those directors listed below, no compensation was paid to a director for his or her services as a member of the Board or as a member of a committee of the Board.

Name	Fees Earned (\$) ⁽¹⁾	Share Based Awards (\$) ⁽²⁾	Option Based Awards (\$)	Non-Equity Incentive Plan Compensation (\$)	Pension Value (\$)	All Other Compensation (\$)	Total (\$)
Andrea Bolger	76,500	42,500	N/A	N/A	N/A	N/A	119,000
Sharon Giffen	64,700	42,500	N/A	N/A	N/A	N/A	107,200
Sidney Horn	30,000	122,500	N/A	N/A	N/A	N/A	152,500
Brian Hurley	280,000	0	N/A	N/A	N/A	N/A	280,000
Neil Parkinson	71,500	52,500	N/A	N/A	N/A	N/A	124,000
Leon Roday	57,500	42,500	N/A	N/A	N/A	N/A	100,000

Notes:

- (1) Fees earned include up to 100% of the annual Board retainer for Fiscal 2018 and committee chair retainers, as applicable.
- (2) Share-based awards are based on a percentage of an independent director’s retainer(s) for Fiscal 2018 (each independent director elected the percentage they want to receive in DSUs), which are valued based on the value of the Common Shares on the TSX as of the close of trading on the date of grant.

Outstanding Share-Based and Option-Based Awards

No directors have any Option, RSU, PSU or EDSU grants outstanding as of December 31, 2018 except for (i) Brian Hurley who has outstanding grants of Options from his prior roles as Chairman and CEO and as Executive Chairman of the Board; and (ii) Stuart Levings has outstanding grants of Options, PSUs and RSUs from the various executive roles he has held with the Company. No compensation has been paid to a member of the Board or a member of a committee of the Board as part of an incentive plan award for such services.

The table below sets out the value of all awards realized by compensated directors in Fiscal 2018. All share-based awards are paid in the form of DSUs which vest at time of grant. As he has exceeded his share ownership requirements, Mr. Hurley receives 100% of his director compensation in cash. During Fiscal 2018, Mr. Hurley received dividend equivalents on the EDSUs held by him.

Name	Option-Based Awards – Value Vested During the Year (\$)	Share-Based Awards – Value Vested During the Year ⁽¹⁾ (\$)	Non-Equity Incentive Plan Compensation – Value Earned During the Year (\$)
Andrea Bolger	N/A	40,999	N/A
Sharon Giffen	N/A	40,999	N/A
Sidney Horn	N/A	118,175	N/A
Brian Hurley ⁽²⁾	N/A	43,164	N/A
Neil Parkinson	N/A	50,646	N/A
Leon Roday	N/A	40,999	N/A

- Note:
- (1) The value of the outstanding DSUs is based on the value of the Common Shares on the TSX as of the close of trading on December 31, 2018 which was \$40.20.
 - (2) During Fiscal 2018, Mr. Hurley received dividend equivalents on the EDSUs held by him.

See “*Equity-Based Compensation Plans*” for a description of the significant terms of all plan-based awards.

REPORT ON EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION & ANALYSIS

The following compensation discussion and analysis provides an overview of the compensation programs and policies of the Company and its subsidiaries, including material compensation decisions for the Company's named executive officers and a summary of the C&NC's process to govern executive compensation on behalf of the Board.

Named Executive Officers

For Fiscal 2018, the Company's named executive officers included the President and Chief Executive Officer, Chief Financial Officer and the Company's next three highly compensated executives (collectively, the "NEOs"). The following individuals are the NEOs for Fiscal 2018:

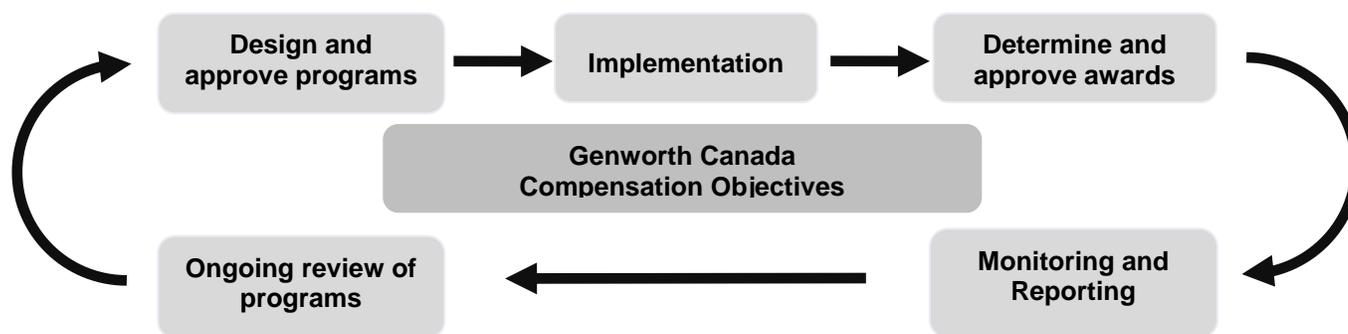

- Stuart Levings, President and Chief Executive Officer ("CEO");
- Philip Mayers, Senior Vice President and Chief Financial Officer ("CFO");
- Deborah McPherson, Senior Vice President, Sales and Marketing ("SVP, Sales & Marketing");
- Winsor Macdonell, Senior Vice President, General Counsel and Secretary ("SVP, GC"); and
- Craig Sweeney, Senior Vice President and Chief Risk Officer ("CRO")

The compensation discussion and analysis should be read together with the compensation tables and related disclosures in respect of Fiscal 2018 set forth below. This discussion may contain forward-looking information within the meaning of applicable securities laws. Any such forward-looking information is based on the Company's current compensation plans, considerations, expectations and projections regarding future compensation programs. Actual compensation programs that the Company adopts in the future may differ materially from currently planned compensation programs as summarized in this discussion and the Company assumes no obligation to update any such information, except as otherwise required by applicable law.

Oversight by the Compensation and Nominating Committee

The C&NC oversees the management of the Company in relation to human resource matters, including compensation of employees, management and executives, and makes recommendations to the Board regarding the annual CEO performance assessment and CEO compensation review and annual director nominations. The C&NC provides oversight of performance and compensation of the senior leadership team (comprised of the President and CEO, and all senior vice-presidents of the Company) (the "Senior Leadership Team"), human resources policy development and Company succession plans. In all matters pertaining to human resources governance and in particular policy and process, compensation and benefits, talent management, succession planning and performance management, the C&NC is supported by the SVP, HR & Facilities and the CEO who, with the assistance of external consultants, prepare materials, reports and presentations for each meeting.

The following diagram summarizes the various components of compensation governance and management.

In Fiscal 2018, the C&NC was comprised of two independent directors, Mr. Sidney Horn and Ms. Andrea Bolger. There was one nominee of Genworth Financial on the C&NC, Mr. Leon Roday. Mr. Horn, Lead Director of the Company, was Chair of the C&NC in 2018. The C&NC meets a minimum of four times annually. In 2018 there were seven C&NC meetings. At each meeting, the C&NC meets "in-camera" to allow the C&NC the opportunity to discuss and deliberate without the

presence of management. See “*Corporate Governance – Board and Committee Mandates*” and “*Corporate Governance – Compensation and Nominating Committee*” for further details of the C&NC mandate and composition.

Highlights of the Activities of the Compensation and Nominating Committee in 2018

Among other things, the C&NC completed the following items during 2018:

- Reviewed and approved the 2018 performance remuneration and equity grants for the Senior Leadership Team (which includes all of the NEOs);
- The Share Ownership Policy was revised in February 2018 to increase the share ownership requirements for the CEO to four times and the SVPs to two times their current annual base salary in Common Shares, RSUs, EDSUs, and 50% unvested PSUs;
- The EDSU Plan was amended in the first quarter of 2018 to allow eligible participants to elect to receive all or part of their annual incentive, or their RSUs, in the form of EDSUs. This is to enable eligible participants to meet the revised share ownership requirements;
- Reviewed the 2018 goals and objectives for the President and CEO and the Senior Leadership Team, including NEOs;
- Reviewed and approved all aspects and components of the compensation philosophy, short-term and long-term compensation plan design and framework including the annual compensation risk analysis and selection of the Company’s peer group for compensation benchmarking;
- The Stock Option, Share Incentive and EDSU plans were amended to allow for early retirement of employees in the following circumstances: (i) attainment of the age of 55; (ii) at least 10 years of service; (iii) one year notice of early retirement; (iv) the signature of a non-compete agreement;
- Reviewed best practices and external trends in governance and executive compensation;

Compensation and Nominating Committee Activities in early 2019

In 2019, similar to previous years, the C&NC conducted a comprehensive review of the total target direct compensation levels for the Senior Leadership team including the NEOs. The market positioning of the Company’s total target direct compensation, including short and long-term incentive plans, was compared to an approved peer group and, for some roles, compared against a broader sample of financial services sector comparators to ensure alignment with the Company’s business strategy and risk tolerance. The C&NC and the Board approved the following changes to the Company’s executive compensation programs for 2019:

- The metrics for the 2019 VIC (as defined herein) program remain a mix of financial and operational objectives;
- The mix of long-term incentive vehicles for 2019 grants remained unchanged with awards calculated as a percentage of base salary and distributed as 50% PSUs, 25% Options and 25% RSUs;
- There were no changes to the financial metrics used in the Company’s 2019-2021 Performance Share Unit Plan (the “**PSU Plan**”). The measures will include basic earnings per Common Share (50% weight) and operating return on equity (“**ROE**”) (50% weight). The threshold and maximum levels of performance remain unchanged at 85% and 115% of target respectively;
- Following the resignation of Mr. Leon Roday from the Board in early 2019, the Committee reviewed the candidacy of Mr. Raj Singh and recommended his appointment to the Board for approval.

Risk Assessment of Compensation Programs

The Board is ultimately responsible for the management of business-related and compensation-related risks. To encourage behaviour that is in the best interests of the Company and its Shareholders, inherent and residual risks are regularly identified, reviewed and managed by the Board.

From a governance perspective, the Board’s risk, capital and governance committee (the “**Risk, Capital and Investment Committee**”) has overarching oversight responsibility for all activities related to risk management on behalf of the Board.

Management of the Company and supporting control function roles (i.e., Human Resources, Risk, Finance, and Legal) are responsible for identifying, measuring and managing existing risk exposure. This includes developing and implementing strategies to mitigate and monitor risks.

All compensation, benefits and other human resources policy design for senior executives is centralized in human resources with oversight and approval by the C&NC, on behalf of the Board. The SVP, HR & Facilities, with the assistance of external consultants, annually prepares a compensation risk review, which is reviewed with the Chief Risk Officer and presented to the C&NC. The C&NC also regularly reviews the compensation programs of the Company to ensure that significant controls and appropriate decision authorities are in place to monitor for potential risks associated with short-term and long-term incentive plans. The C&NC is responsible for approving all human resources policies and programs including compensation and benefits design for the NEOs with the exception of the CEO. The C&NC recommends the CEO's compensation design to the Board for approval.

In 2018, the C&NC on behalf of the Board reviewed the executive compensation programs. The review was completed with consideration of the principles established by the Office of the Superintendent of Financial Institutions, the Financial Stability Board, and the Canadian Coalition for Good Governance. Results of the review concluded that the Company's executive compensation programs and practices continue to align with effective risk management and are unlikely to have a material adverse effect on the Company.

Compensation Program Best Practices

The Company's compensation programs are designed to align with the Company's business strategy, risk profile and prevailing practices for appropriate compensation governance. The following design features are included in the Company's compensation governance process and compensation structure.

- ✓ **Compensation philosophy and objectives.** The Company has a formal compensation philosophy and objectives to effectively guide executive compensation decisions and incentive plan designs.
- ✓ **Committee discretion.** Current incentive compensation programs provide the C&NC with discretion to assess performance and modify awards as it deems appropriate to ensure the continued alignment of performance and awards, all subject to final approval by the Board.
- ✓ **Balance of incentive awards.** The C&NC endeavours to ensure that the size of the awards related to any given incentive plan metric, within the influence of a key decision maker, is not significant enough to encourage excessive risk-taking behaviour.
- ✓ **External independent compensation advisor.** As required, the C&NC retains the services of an independent compensation advisor to provide an external perspective regarding market changes, selection of appropriate peer group and best practices related to compensation design, governance and risk management.
- ✓ **Annual review of performance objectives.** Every year the Company reviews the short-term and long-term performance targets and range around targets (threshold and maximum performance) to assess alignment with the Company's business strategy, business plan and risk profile.
- ✓ **Variable compensation mix.** For the Senior Leadership Team, a significant portion of target total direct compensation is delivered through variable compensation programs. The majority of target variable compensation is delivered through the Company's long-term incentive plan. This compensation mix provides a strong pay-for-performance relationship, and mitigates the risk of rewarding short-term goals at the expense of long-term Shareholder value.
- ✓ **Incentive plan payouts capped.** The Company's short-term incentive plan has a maximum corporate funding payout of 150% of target. The PSU Plan payout factor is also capped at 150% of target.
- ✓ **Share ownership requirement.** All members of the Senior Leadership Team are required to achieve and maintain a defined value of share ownership to align their interests with the long-term performance of the Company.
- ✓ **Insider Trading Policy.** The Company maintains and updates regularly its Insider Trading Policy. The Insider Trading Policy prohibits, among other things, insider trading, tipping, speculating, short selling, puts and calls, and defines specific black-out periods in trading of the Company's securities. The Insider Trading Policy applies to an employee's equity-based compensation positions in the Company.
- ✓ **Recoupment Policy.** The Company's recoupment policy (the "**Recoupment Policy**") provides the Board with the ability to recoup variable incentive compensation from senior leaders in the event of a restatement of financial performance and individual employees in the event of misconduct.
- ✓ **Anti-hedging Policy.** The Company prohibits specified employees (including all members of the Senior Leadership Team) from hedging any securities of the Company, as outlined in the Insider Trading Policy.

- ✓ **Change of Control Plan.** The Change of Control Plan (as defined herein) provides severance benefits to participating executives in the event of a change of control and a qualifying termination. The intent of the program is to allow the executive to remain neutral to the possibility of corporate transactions. The Change of Control Plan was designed with consideration of applicable employment law requirements, control for costs, market norms and best practices. See “*Termination and Change in Control Benefits – Change of Control and Qualified Termination Benefits*”.

Compensation Consultants

Since 2012, the C&NC has retained Hugessen Consulting Inc. (“**Hugessen**”) as its independent compensation consultant. To support an effective governance framework, Hugessen provides the C&NC with independent advice, analysis and expertise to assist the C&NC in its decision-making, however the compensation decisions made by the C&NC are the responsibility of the C&NC and may reflect factors and considerations in addition to the information and recommendations from Hugessen. In Fiscal 2018, services provided by Hugessen to the C&NC included:

- Review and input regarding VIC scorecard design and related proxy disclosure;
- Review and commentary on CEO compensation benchmarking and 2019 proposals;
- An independent review of the Company’s financial performance in the context of the current market environment to support C&NC and Board year-end executive compensation decision-making; and
- In consultation with the Chair of the C&NC, assistance in facilitating annual Board evaluation of the CEO’s performance.

In 2018, the Company retained Willis Towers Watson, to provide competitive market information and executive compensation survey data and trends, as well as external opinion, advice and support on executive compensation and broader compensation-related topics. Willis Towers Watson supported management with the following executive compensation activities:

- Reviewed prevailing market trends in executive compensation design and governance;
- Reviewed the selection criteria and composition of comparator groups used for executive compensation benchmarking;
- Reviewed compensation levels for the CEO, other members of the Senior Leadership Team and other senior executives;
- Reviewed the treatment and value of existing pension programs and outstanding long-term incentives in the event of executive retirement;
- Assisted in determining the grant-date fair value of a stock option for purposes of compensation;
- Reviewed and provided recommendations on Board compensation benchmarking and proposals for 2019 implementation;
- Reviewed and provided input into the 2018 Management Information Circular; and
- Attended and contributed at C&NC meetings, upon request.

Executive Compensation Consulting Fees

The table below summarizes the consulting fees paid to Hugessen and Willis Towers Watson for executive compensation consulting to the C&NC in 2017 and 2018. There were no other consulting fees paid to Hugessen as the C&NC’s independent advisor for non-executive compensation consulting in 2017 or 2018.

Consultant	2017		2018	
	Executive Compensation for C&NC	Executive Compensation for Management	Executive Compensation for C&NC	Executive Compensation for Management
Hugessen Consulting Inc.	\$41,406.26	--	\$45,626.38	--
Willis Towers Watson	--	\$192,582	\$21,952	\$131,482

COMPENSATION PHILOSOPHY

Genworth Canada Compensation Objectives

The Company's executive compensation programs are designed to align the interests of its executives with those of the Company and its Shareholders. A significant portion of executive compensation is linked to the achievement of business specific metrics and the creation of Shareholder value.

The Company's compensation strategy has the following key goals:

Attract and retain high performing employees through market competitive compensation programs	Align incentive compensation with the interests of the Company
Support the Company's values and motivate employees to achieve increasingly higher levels of performance	Maintain programs that are flexible to adjust to changing business needs, competitive environments and market practices

To achieve these goals, the Company uses the following guiding principles to establish its compensation programs for executive officers and to guide individual compensation decisions:

Total target direct compensation* is benchmarked against the median of a Board-approved comparator group of companies in the Canadian financial service sector of a similar size and scope of operations to the Company.	The executive officer's position and ability to impact the short-term and long-term performance of the Company is considered in determining the mix of pay and the weighting of short-term and long-term incentive.	Superior performance by individuals and the Company may result in above-market compensation, and likewise, individual and Company performance that falls short of expectations may result in below-market compensation.
--	---	---

* Aggregate of salary + target short-term incentive awards + target long-term incentive grant values

Evaluating Market Competitiveness

The Company's compensation philosophy is to position target total direct compensation around the median of the approved market reference. The C&NC reviews each compensation component separately and considers the individual performance, experience and responsibilities of each member of the senior leadership team. Based on this assessment, individual members of the Senior Leadership Team may have higher or lower target compensation levels compared to the median of the market peer group.

Each year, the C&NC evaluates the competitiveness of the Company's executive compensation program. For 2018, the following methodology was applied for the CEO, CFO and other NEOs.

For the CEO and CFO roles, the primary market reference included market data (proxy data) collected from publicly-disclosed management information circulars. For 2018, the following peer company selection criteria were applied:

Structure	Industry	Size / Scope	Informed Review
<ul style="list-style-type: none"> Canadian headquarters Publicly-traded 	<ul style="list-style-type: none"> Financials sector Industry focus including insurance, banking, asset management (excluding real estate), and mortgage finance 	<ul style="list-style-type: none"> Market capitalization and assets of approximately one-fifth to five times the Company's size 	<ul style="list-style-type: none"> Availability of relevant benchmark positions Compensation design aligned with prevailing market practices

Aligned with the selection criteria, the peer group for 2018 included the following 10 Canadian companies. Overall, the Company was positioned around the median of the size and scope indicators:

Canadian Western Bank	Home Capital Group Inc.
CI Financial Corp.	IGM Financial
E-L Financial Corp. Ltd.	Industrial Alliance Insurance and Financial Services Inc.
Equitable Group Inc.	Intact Financial Corp.
First National Financial	Laurentian Bank

Percentile	Market Capitalization	Assets	Revenue	Net Income
75 th Percentile	\$5,053	\$34,283	\$3,120	\$630
50 th Percentile	\$2,893	\$26,749	\$1,038	\$244
25 th Percentile	\$1,670	\$18,943	\$538	\$166
Genworth Canada	\$3,714	\$6,889	\$871	\$452
Percent Rank	59P	3P	39P	61P

Note:

All financial scope information was collected from Standard & Poor's Capital IQ. Market capitalization reflects a 3-month average ending December 31, 2018. Assets, revenue and net income reflect disclosed information for Fiscal 2018.

For other NEOs, the primary market reference included survey data from Towers Watson's 2018 Executive Compensation Data Bank. Each NEO was compared to a relevant benchmark position, reflecting the specific skills and required experience of their respective role in the Company and a Canadian general industry peer group.

COMPENSATION PROGRAM

Overview of Compensation Elements

The Company's executive compensation program includes the following elements of fixed and variable (at risk) compensation.

Fixed Elements	
Provide a competitive base compensation necessary to attract, retain and motivate executive talent. The value of each element is determined with reference to the competitive market and an executive's role and responsibilities.	
Base salary	Annual cash compensation to an executive for fulfilling the responsibilities of the role
Broad-Based Benefits ⁽¹⁾	Life, accidental death and dismemberment, medical, dental, disability insurance while the NEO is actively employed. In addition, for NEOs hired prior to September 26, 2005, there is a retiree benefits plan which includes life, medical and dental insurance. For NEOs hired between September 27, 2005 and December 31, 2015, there is a retiree benefit plan which includes life and medical insurance.
Retirement Plans	Defined contribution pension plan ⁽¹⁾ and supplementary executive retirement plan.
Employee Share Savings Plan ⁽¹⁾	Company match on portion of employee contributions for purchase of Common Shares.
Perquisites	Company car or car allowance.
Executive Allowance	Cash reimbursement for the cost of select services. NEOs may use this allowance to pay for services such as a comprehensive medical examination, financial planning and additional life insurance. The amount the NEO receives is grossed up for taxes.

Variable Elements (pay at risk)

Balances short and long-term objectives of the Company, motivate superior performance of individuals, reward the achievement of business objectives, and align compensation with Shareholder interests.

Short-term incentive	Cash award paid at the end of the year, based on Company and individual performance vs. pre-established measures and targets
Long-term incentives	Equity-based incentive awards which motivate and reward for the achievement of mid-term and longer-term performance objectives

1. The same broad-based benefits, defined contribution pension plan and Employee Share Savings Plan are available to all employees of the Company and its subsidiaries.

In total, the various pay elements are intended to deliver a competitive and effective compensation program, and align pay outcomes with performance and the Company's risk tolerance.

Long-term incentive plan vehicles

The Company has flexibility to grant the following long term incentive vehicles, including Stock Options, Restricted Share Units (RSUs), Performance Share Units (PSUs), and Executive Deferred Share Units (EDSUs). Details of each vehicle include:

Vehicle	Stock Options*	RSUs	PSUs	EDSUs
Purpose	Encourages executives to generate sustainable increases to the Company's Common Share price over the vesting period and term of the Option	Encourages executives to remain with the Company for the vesting period and aligns to the creation of Shareholder value	Motivates achievement of long-term Company objectives and aligns to the creation of Shareholder value	Encourages the retention of certain individuals aligning them to the longer term objectives of the organization and Shareholders
Determination of Grant	Previous grants, current option holdings and the estimated future value of the shares are taken into account	Previous grants, current RSU holdings of, performance and retention considerations are taken into account	Previous grants, current PSU holdings and performance are taken into account when new grants are awarded	EDSUs are one-time grants. The grant size is determined by the C&NC based on set criteria
Term	10 years	3 years	3 years	Held until one of the following circumstances occurs: voluntary termination of the executive's employment, retirement, or death
Vesting Period	1/3 rd each year over 3 years	Cliff vests (100%) after 3 years	Vesting dependent on successful achievement of performance goals at the end of the term	Dependent on individual grant agreements
Realized Value	Based on the appreciation of the Common Share price over the option's exercise price.	Based on the performance of the Common Share price	Based on Company performance against pre-established goals and the performance of the Common Share price measured at the end of the three-year term	Based on the value of the Common Shares at the time of the individual's departure from the Company

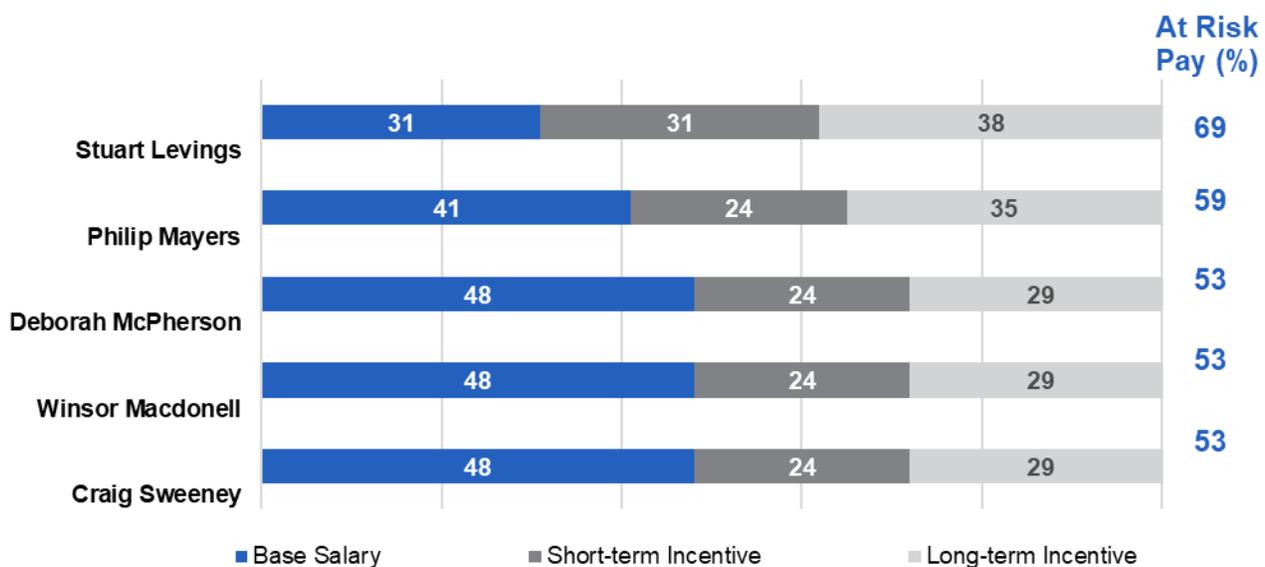

Vehicle	Stock Options*	RSUs	PSUs	EDSUs
Form of Payout	If the option is exercised, the recipient receives Common Shares. If the tandem SAR is exercised, the recipient receives cash	Upon vesting, the Board has the discretion to provide recipients with the option of receiving payment in Common Shares or cash	Upon vesting, the Board has the discretion to provide recipients with the option of receiving payment in Common Shares or cash	Pays out in cash once vested

* Granted with tandem share appreciation rights (“SARs”), which allow for the recipient to receive an amount equal to the excess of the fair market value per Common Share over the base dollar amount specified in the grant agreement.

Target Mix of Compensation Elements

In accordance with the Company’s compensation objectives, a significant portion of compensation is “at risk”. The short term incentive bonuses are dependent first on the Company’s performance, and second on the executive’s individual performance in his or her role. Long-term incentive grants may consist of any combination of Options, RSUs, PSUs and EDSUs. Much of the value of the long-term incentive grants is contingent on future Common Share price performance and financial performance in the case of PSUs.

The chart below shows the approximate proportion of total direct compensation delivered in base salary target short-term incentive and target long-term incentives to the CEO and other NEOs for fiscal 2018. The target mix varies according to the executive’s ability to influence short- and long-term business results and market practices for comparable positions.

COMPENSATION DECISIONS FOR 2018

The compensation decisions in Fiscal 2018 reflected the business performance of the Company as well as the individual performance of each NEO in the case of the annual short-term incentives. While the long-term incentive grants are largely determined by competitive long-term incentive targets, the ultimate value of the Fiscal 2018 long-term incentive grants will depend on the performance of the Common Share price and, in the case of the PSUs, the corporate performance as measured by plan metrics.

Base Salaries

Base salaries provide executives with a base level of income reflecting the executive’s role, scope of responsibilities, skills, and relative experience. Using compensation information for the relevant comparator groups and survey data, base salaries are reviewed on an annual basis.

Anticipating the impact of recent regulatory changes and the Company's commitment to strict expense management, the C&NC decided not to change salaries for all NEOs in 2017. Increases in salaries were awarded in 2018 and 2019 to ensure NEO salaries remained competitive with the peer group and the general industry as applicable.

Name and Principal Position	2017 Base Salary (\$)	2018 Base Salary (\$)	Change (%)	2019 Base Salary (\$)	Change (%)
Stuart Levings, President & CEO	515,000	650,000	26	715,000	10
Philip Mayers, SVP & CFO	359,575	367,575	2	380,000	3
Deborah McPherson, SVP, Sales & Marketing	290,950	297,950	2	305,000	2
Winsor Macdonell, SVP, GC	275,575	289,575	5	303,000	5
Craig Sweeney, SVP & CRO	235,000	250,000	6	265,000	6

Short-Term Incentives

The Variable Incentive Compensation (“VIC”) program is designed to reward employees for their contributions to achieving specific Company and individual employee annual objectives.

At the beginning of each year, the Company establishes financial and operational business objectives at three levels of performance: threshold (minimum performance level of 85% for which a payout is awarded); target (performance level consistent with operating plan targets for which a target payout is awarded); and maximum (performance level of 115% at which a maximum payout is awarded). Actual business performance relative to the established financial and operational objectives drives the decision on the pool of money allocated to be paid through the VIC program. If target results are achieved, the VIC bonus pool is set at the sum of the target bonuses for all eligible employees. If results are above target, the bonus pool is set higher with a maximum of 150% of the target bonuses, and if results are below target, the bonus pool is set lower. The bonus amounts awarded to individual employees are further determined by individual performance and contribution to the achievement of Company goals. Employees who are high performers and who provide the greatest contribution to the Company receive a higher award.

Actual VIC awards for the CEO and the other NEOs are determined using the following formula:

Target VIC Opportunity (% of salary)	X	Business Performance (0-150% of target)	=	Adjusted Target VIC Opportunity (\$)	X	Individual NEO Performance (Discretionary) (0-150%)	=	Actual VIC Award (\$)
--------------------------------------	---	---	---	--------------------------------------	---	---	---	-----------------------

Business Performance

In evaluating Fiscal 2018 performance, the C&NC considered both financial and operating performance. With respect to the funding of the Company's short-term goals through its VIC program, financial performance was given a 70% weighting and operating performance was given a 30% weighting.

Based on an assessment of the Company's overall business performance, the CEO recommended to the C&NC a VIC funding level of 101% of target (within a range of 0% to 150% of target). After discussing the recommendations with the CEO, the C&NC confirmed that the CEO's assessment fairly reflected the Company's performance and recommended the overall funding level of 101% to the Board.

In Fiscal 2018, the key financial metrics results were as follows:

Financial Metrics (Total 70% Weighting)	Weighting (%)	Threshold	Target	Maximum	2018 Results
Net operating income (“NOI”)	35	\$392 million	\$462 million	\$531 million	\$475 million
ROE	35	10.2%	12.0%	13.8%	12.0%

NOI of \$475 million was 103% of the Fiscal 2018 target of \$462 million. The higher NOI was primarily the result of higher investment rates and higher premiums earned. Operating ROE of 12.0% was achieved primarily as a result of favourable NOI and prudent capital management actions.

The following key operating metrics, which have a 30% weighting, were used to evaluate operating performance for Fiscal 2018.

Operating Metrics (Total 30% Weighting)	2018 Results
Prudent top line growth while maintaining market share	<ul style="list-style-type: none"> Realized 92% of the premiums written target. Transactional Insurance premiums written were 95% of target driven as a result of a smaller than expected mortgage originations market, while the Company's market share was on target. Portfolio Insurance premiums written were 53% of target primarily due to lower than expected demand and higher proportion of Insured mortgages with loan to values of less than 75% with corresponding lower average premium rates.
Maintain overall strong portfolio quality in uncertain economic climate	<ul style="list-style-type: none"> Originated a high quality insurance portfolio in 2018 with an average credit score of 748 primarily due to continued underwriting discipline. The average transactional credit score below 660 was 2% of the portfolio compared to a target of 5%.
Achieve Capital Plan	<ul style="list-style-type: none"> Achieved dividend and capital optimization plans. Increased 4th quarter dividend by 9% to \$0.51 and repurchased shares for an aggregate amount of approximately \$150 million. Maintained a strong and efficient capital base with a minimum capital test ratio of 172%, 15 percentage points above the internal target. Achieved capital flexibility through \$55 million in short-term liquid investments held outside the Insurance Subsidiary and a \$300 million undrawn capital facility.
Attract, retain and development of top talent	<ul style="list-style-type: none"> The Company created detailed, executive profiles for some of their senior leaders, including but not limited to the CEO and CFO. This will continue into 2019. The Company continued to work on building succession plans throughout the organization, as well as individual development plans for key talent. In 2018, this resulted in Mr. Spitali being promoted to the SVP, Operations role. The Company focused on empowering their people through effective delegation, collaboratively making decisions and introduced a high performance coaching model for all of their people leaders. The Company partnered with the Rotman School of Business to enhance the organization's ability to approach challenges from a business design and innovative mindset.

Individual Performance

The CEO's VIC award for Fiscal 2018 was recommended by the C&NC and was approved by the Board in consideration of the Company's strong financial performance and the CEO's individual accomplishments.

In determining the allocation of VIC awards for the other NEOs for Fiscal 2018, the CEO discussed individual performance of each NEO with the C&NC and recommended a VIC award level. Awards were based on the VIC bonus pool funding level, distribution level and the contribution of each NEO to the attainment of the financial and operational objectives of the Company.

The table below sets out some of the individual NEO accomplishments for Fiscal 2018 which were used in determining individual performance levels.

Position	Key Accomplishments for Fiscal 2018
Stuart Levings, President & CEO	<p>Mr. Levings' incentive compensation reflects his leadership of the Company in a year where financial results met or exceeded targets, including NOI and ROE, in a more challenging regulatory and housing market environment. During the year, Mr. Levings provided strategic leadership to the business, protecting the franchise value and market position while driving prudent growth initiatives, focused on prime, high quality mortgage loans within the Company's board approved risk appetite. Other key accomplishments included:</p> <ul style="list-style-type: none"> • The development and execution of the strategic and operating plan for 2018 • Leadership on the customer experience enhancement strategy, utilizing advanced analytics to improve risk selection, process consistency and decision response rates • Oversight of the government relations strategy to help influence mortgage policy development and implementation of the new regulatory capital model • Proactive capital management aimed at optimizing shareholder returns while maintaining appropriate capital strength and flexibility • Oversight of refinements to the Company's risk appetite to appropriately reflect the economic environment • Strengthened investor relations and business understanding through focused outreach strategies with high frequency, in-depth communications • Ongoing development of executive succession planning to support the Company's overall strategic objectives
Philip Mayers, SVP & CFO	<p>Mr. Mayers' incentive compensation is reflective of his leadership in the role of SVP & CFO. Overall the Company's financial performance met or exceeded most targets, including NOI, and operating ROE, in addition to other operational objectives for 2018. In addition to his responsibilities for capital management, investment management and investor relations, Mr. Mayers provided a high level of overall financial management and strategic leadership to the business. Other key accomplishments included:</p> <ul style="list-style-type: none"> • Collaborated with senior team members to drive results in the areas of operations management, risk management, loss mitigation, market penetration and expense management • Successfully managed the Company's capital including exceeding the internal and regulatory capital targets, enhancing the Company's capital flexibility through increasing the Company's undrawn credit facility to \$300 million • Exceeded key business goals related to ordinary dividends, and generation of capital in excess of internal target and return of capital to shareholders • Prudently managed the Company's \$6 billion investment portfolio and hedging activities to optimize investment yield within the Company's risk appetite
Deborah McPherson, SVP, Sales & Marketing	<p>Ms. McPherson's incentive compensation is reflective of her role and performance as SVP Sales & Marketing. Her key accomplishments for 2018 included:</p> <ul style="list-style-type: none"> • Prudent market share growth with direct emphasis on portfolio quality & diversification ensuring alignment to risk appetite • Drove Customer Experience strategy through sponsorship of projects focused on competitive differentiation • Championed & participated in national & regional lender forums to engage & educate lenders & build thought leadership brand • Facilitated lender discussions to deepen our understanding of relevant industry issues • Minimized counterparty risk by continuing to utilize stress test results to educate stakeholders on our financial strength & claim paying ability • Selected by peers & industry partners and was inducted into Canadian Mortgage Hall of Fame

Position	Key Accomplishments for Fiscal 2018
Winsor Macdonell, SVP, GC	<p>Mr. Macdonell's incentive compensation reflects his leadership of the legal, compliance and government relations functions of the Company. As a member of the Company's leadership team he contributed to the financial performance of the Company. Other key accomplishments included:</p> <ul style="list-style-type: none"> • Led discussions with regulators and Government stakeholders to further their understanding of the Company, its business, the first time homebuyer, capital and the mortgage insurance industry • Worked with organizations across the industry to increase awareness of the needs of first time homebuyers and how these can be addressed • Provided leadership in the implementation and development of new enterprise wide risk policies and polices to address new regulations and the Office of the Superintendent of Financial Institutions guidelines • Helped execute the Company's Capital Plan related to its Normal Course Issuer Bid and increasing its credit facility to \$300 million • Demonstrated leadership in working with the Company's Board and maintained strong governance and compliance disciplines across the Company
Craig Sweeney SVP and CRO	<p>Mr. Sweeney's incentive compensation is reflective of his leadership in the role of SVP & CRO. During the year, Mr. Sweeney provided strategic leadership to drive improvements in the Company's risk management capabilities and strengthen risk governance across the organization. Other key accomplishments included:</p> <ul style="list-style-type: none"> • Developed the Company's 2018 enterprise risk appetite in collaboration with the CEO, CFO and other senior team members • Ensured that the Company's enterprise risk management framework was in alignment with the organizations risk appetite and business strategy • Provided independent oversight of all relevant current and emerging risks and promoted a strong risk culture across the organization • Regularly documented the Company's risk profile relative to its enterprise risk appetite and promptly escalated any material risk limit breaches • Provided regular reports to the Risk Committee of the Board and the senior leadership team on the effectiveness of the Company's policies, processes and controls • Collaborated with senior team members and provided strategic thinking to drive results in the areas of operations management, capital management, loss mitigation and compliance

Actual VIC Awards. VIC awards for all eligible participants can range from 0% to 150% of the target opportunity, based on the VIC bonus pool funding, the distribution methodology, and the individual performance of each employee. For Fiscal 2018, the VIC awards for the NEOs were as follows:

Name and Principal Position	Target VIC Opportunity (% of Salary)	Business Performance Distribution Funding (%)	Adjusted Target VIC Opportunity (% of Salary at 101% Funding) ⁽¹⁾	Individual NEO Performance ⁽²⁾ (Discretionary)	Actual VIC	
					Percentage of Salary (%)	Value (\$)
Stuart Levings, President & CEO	100	101	101	110	108	700,700
Philip Mayers, SVP & CFO	60	101	61	110	65	237,748
Deborah McPherson, SVP, Sales & Marketing	50	101	51	100	49	145,996
Winsor Macdonell, SVP, GC	50	101	51	100	49	141,892
Craig Sweeney, SVP & CRO	50	101	51	100	49	122,500

Notes:

(1) For 2018 the VIC pool was funded at 101%. The pool was distributed generally at 98%, 3% was further distributed to individuals on the VIC program that obtained a performance rating of very strong or outstanding on their individual performance measure, thus providing differentiated compensation for the high performers in the organization.

(2) Recommended by the CEO and approved by the C&NC with consideration of the VIC bonus pool funding and the individual performance and corporate contribution of each NEO to the attainment of the financial and operational objectives of the Company.

Long-Term Incentives

The long-term incentive (“LTI”) program is designed to align NEO, Company and Shareholder interests, and ensure executives have a long-term financial and operational view to their planning, goals and decision making. The long-term incentives are also meant to reinforce the Company’s pay-for-performance objectives and provide competitive levels of total compensation while retaining key employees. The LTI program consists of Options, RSUs, PSUs and EDSUs. In Fiscal 2018, NEO equity awards were generally comprised of 25% Options, 25% RSUs and 50% PSUs as follows:

Name and Principal Position	LTI Target (as a % of Base Salary)	Number Options Granted	Number RSUs Granted	Number PSUs Granted	Number EDSUs Granted
Stuart Levings, President & CEO	125	24,400	4,878	9,756	-
Philip Mayers, SVP & CFO	85	9,400	1,876	3,752	-
Deborah McPherson, SVP, Sales & Marketing	60	5,400	1,073	2,147	-
Winsor Macdonell, SVP, GC	60	5,200	1,043	2,086	-
Craig Sweeney SVP & CRO	60	4,500	901	1,801	-

Stock Options

The Company’s 2009 stock option plan (the “**Stock Option Plan**”) is intended to focus participants on the long-term performance of the Company. The value of the annual stock option grant is 25% of the approved target LTI program percentage of base salary for each executive. On the date of grant, the value of each Option is based on the estimated future value of one Common Share, using the binomial valuation method for compensation purposes. This value is used to determine the number of Options to be granted to deliver a desired target compensation value. The actual value received from each Option is contingent on the appreciation of the Common Share price over time.

For Fiscal 2018, one-third of the Options granted will vest and become exercisable on the first, second and third anniversaries of the grant, respectively. Each Option has a 10 year term to maturity. All Options to date have been granted with tandem SARs. See “*Equity-Based Compensation Plans – Stock Option Plan*” for further details on the Stock Option Plan.

Restricted Share Units

As part of the Company’s share incentive plan (the “**Share Incentive Plan**”), RSUs are granted to further align the compensation outcomes for senior executives with the mid-term performance of the Common Share price, and to ensure retention of key individuals. The value of the annual RSU grant is 25% of the approved target LTI program percentage of base salary for each executive. The actual number of RSUs granted is determined by dividing the target dollar value by the fair market value (average closing price of stock on the five trading days prior to the date of grant) of the Common Shares on the date of grant. The actual value of a RSU on the settlement date is contingent on the fair market value of the Common Shares at that time.

For Fiscal 2018, 100% of the RSUs granted will cliff vest at the end of the three year term from date of grant. Once RSUs have vested, the Board has discretion to settle RSUs in cash, newly-issued Common Shares or Common Shares purchased on the market. For further details on RSUs, see “*Equity-Based Compensation Plans – Share Based Incentive Plan*”.

Performance Share Units

As part of the Share Incentive Plan, PSUs are granted to further align NEO compensation with the long-term interests of Shareholders, the achievement of mid-term Company objectives and the Common Share price performance. The value of the annual PSU grant is 50% of the approved target LTI program percentage of base salary for each executive. The actual number of PSUs granted is determined by dividing the target dollar value by the fair market value of the Common Share on the date of grant. The actual value of a PSU at time of vesting is determined by the level of attainment of the performance metrics for the plan year as approved by the Board and the fair market value of the Common Shares. At time of vesting, the value of PSUs may vary from zero to one and one-half times the original value granted based on performance against established targets.

For Fiscal 2018, a total of 19,542 PSUs were awarded to NEOs based on the total dollar value of the aggregate of the NEO individual LTI grant and the fair market value of the Common Shares on date of grant. All PSUs granted will cliff vest (100%) at the end of the three-year performance period. Once the PSUs have vested, the Board has the discretion to settle PSUs in cash, newly-issued Common Shares or Common Shares purchased on the market. The performance measures established for the 2018 to 2020 performance plan period are as follows:

Performance Measure	Weighting (% of Total)	Type of Measure	2018-2020 Performance Range		
			Threshold (85%)	Three Year Target (to be completed by Dec. 31, 2020)	Maximum (115%)
Basic EPS	50%	Average of 2018-2020 performance	\$4.37	\$5.14	\$5.91
Operating ROE	50%	Average of 2018-2020 performance	10.2%	12%	13.8%

Each performance metric has an established threshold, target and maximum level of performance to determine actual payouts in 2021. For further details on PSUs, see “*Equity-Based Compensation Plans – Share Based Incentive Plan*”.

Executive Deferred Share Units

EDSUs are granted as a one-time, long-term incentive that aligns with the performance of the Common Shares. On the date of grant, the value of an EDSU is based on the fair market value of the Common Shares. This value is used to determine the number of EDSUs to be granted to deliver a desired target compensation value. The actual value of an EDSU on the settlement date is based on the fair market value of the Common Share price. A grant of EDSUs is determined by the C&NC based on set criteria. The individual grants have vesting dates specific to these criteria. Payment of vested awards will be in cash and paid out only in the event of, voluntary termination, termination without cause, retirement (as defined by the retirement provisions of the executive deferred share unit plan (the “**EDSU Plan**”)), change of control or death.

For further details on EDSUs, see “*Equity-Based Compensation Plans – Executive Deferred Share Unit Plan*”.

Payment of the 2016-2018 PSU Grant

In accordance with the Share Incentive Plan, the grant of PSUs to NEOs in 2016 vested on March 7, 2019. Actual performance achieved relative to established objectives for the three-year performance period resulted in funding at 148% of target. The table below reflects actual performance to goal.

Performance Measure	Weighting (% of Total)	Type of Measure	2016-2018 Performance Range			Actual 2016-2018 Results	Weighting (% of Total)
			Threshold (75%)	Target	Maximum (110%)		
Basic Operating EPS	50%	Average of 2016-2018 performance	\$3.50	\$4.12	\$4.74	\$4.88	75%
Operating ROE	50%	Average of 2016-2018 performance	10.0%	10.5%	12.1%	12.0%	73%
Total (as a % of Target)							148%

Incorporating the impact of dividend equivalents received over the three-year performance period, the PSU performance at 148% of target and the fair market value of the Common Shares on the date of settlement, the actual payout value of the 2016 - 2018 PSU grants to NEOs were as follows:

Name and Principal Position	PSUs Granted in 2016		Value as of March 7, 2019		
	Number Granted	Value ⁽¹⁾ (\$)	Number of Accumulated PSUs ⁽²⁾	Number of Accumulated PSUs times 148%	Payout Value ⁽³⁾ (\$)
Stuart Levings, President & CEO	11,388	270,009	13,353	19,762	870,516
Philip Mayers, SVP & CFO	5,687	134,839	6,668	9,869	434,729
Deborah McPherson, SVP, Sales & Marketing	3,681	87,277	4,316	6,388	281,391
Winsor Macdonell, SVP, GC	3,487	82,677	4,089	6,051	266,547
Craig Sweeney SVP, CRO	2,973	70,490	3,486	5,159	227,254

Notes:

- (1) Based on the fair market value (average closing price of stock on the five trading days prior to the date of grant) of the Common Shares on the TSX on the date of grant which, on February 3, 2016, was \$23.71.
- (2) Includes additional PSUs granted to reflect dividends (dividend equivalents) received over the three-year performance period.
- (3) The payout value is determined by multiplying the total number of accumulated PSUs times the performance factor of 148% times the fair market value (average closing price of stock on the five trading days prior to settlement) which, on March 7, 2019, was \$44.05.

Share Ownership Requirements

The Share Ownership Policy, as revised in January 2018 is described under “*Report on Director Compensation – Compensation Discussion & Analysis – Share Ownership Requirements*”.

The following table summarizes the five year targets and current actual Common Share ownership as of the date hereof for the NEOs.

	Five Year Target Ownership ⁽¹⁾ (\$)	Current Ownership Level ⁽²⁾ (\$)	Percentage of Goal Met (%)
Stuart Levings, President & CEO ⁽³⁾	2,860,000	2,797,673	98%
Philip Mayers, SVP & CFO	760,000	2,337,182	>100%
Deborah McPherson, SVP, Sales & Marketing	610,000	1,276,538	>100%
Winsor Macdonell, SVP, GC	606,000	995,206	>100%
Craig Sweeney SVP, CRO	530,000	643,959	>100%

Notes:

- (1) Pursuant to the terms of the 2018 Share Ownership Policy, the number of applicable securities required to be owned is based on the current annualized base salary of the respective individual (based on the biweekly amount paid to the executive on the first pay date that occurs after June 1 of each calendar year converted into an annual amount). The level of ownership required for the executive officer position is four times his annual base salary and two times annual base salary for executive officers.
- (2) These ownership levels exclude Options but include the value of Common Shares, unvested RSUs, 50% of unvested PSUs and EDSUs held as of the close of trading on April 18, 2019, which was \$41.84. NEOs have five years to meet the new ownership requirements.
- (3) Mr. Levings assumed the role of President and CEO on January 1, 2015. The above table reflects his new ownership against his current annualized salary and new higher ownership obligation. Mr. Levings has five years to meet these ownership requirements from his appointment date. Mr. Levings has exceeded his Common Share ownership requirements for the roles he held in 2009 as Chief Risk Officer, in 2011 as Chief Operations Officer, and in 2013 as Chief Operating Officer.

Insider Trading Policy

In working towards the goal of meeting their Common Share ownership requirements, officers and employees of the Company must adhere to the terms of the Insider Trading Policy which is described under “*Report on Director Compensation – Compensation Discussion & Analysis – Insider Trading Policy*”.

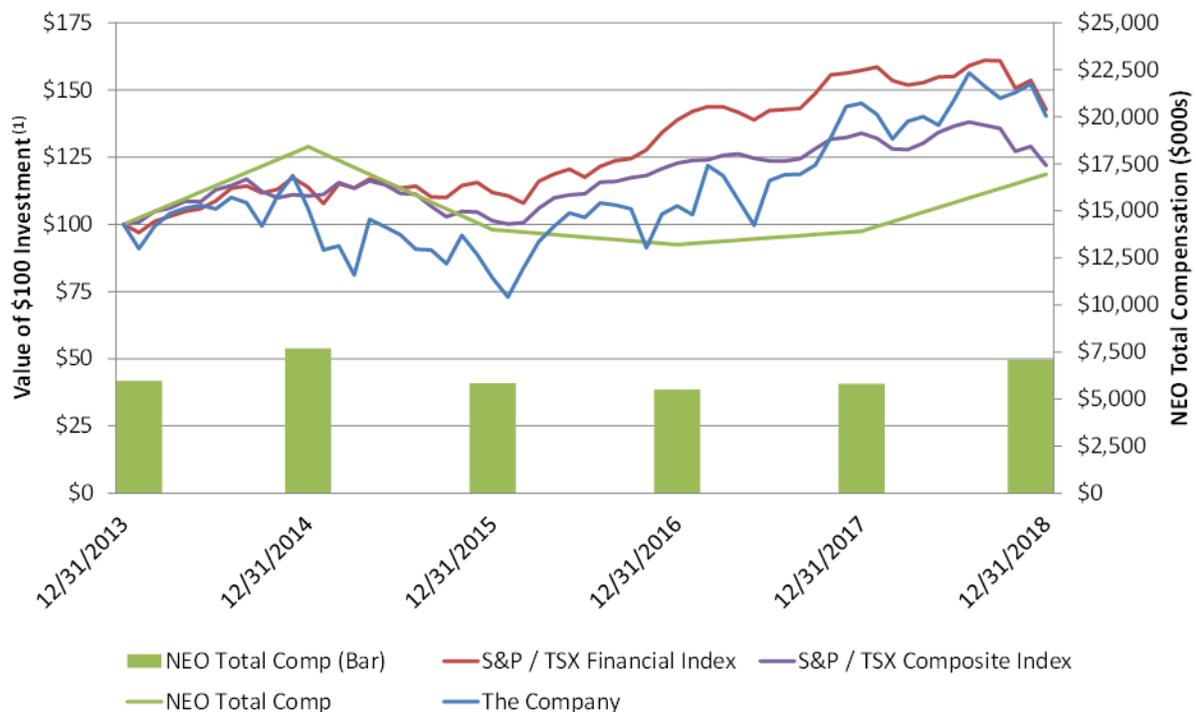

Performance Graph

The following graph compares the cumulative total return of \$100 invested in Common Shares of the Company on the TSX on December 31, 2013 with the cumulative total return of the S&P/TSX Financial Index and S&P/TSX Composite Index, assuming reinvestment of dividends, for the five most recently completed financial years. The performance as set out in the graph does not necessarily indicate future Common Share price performance.

The graph also reviews the trend in the Company’s NEO total compensation levels in relation to the Company’s absolute and relative total shareholder return. Total compensation awarded for fiscal years 2013 through 2018 are presented on the same basis as disclosed in the “*Summary Compensation Table*” for NEOs (salary + short-term incentive paid + grant date fair value of long-term incentives + compensatory change in pension value + all other compensation).

Given that the majority of the Company’s total compensation is equity-based, the executive compensation program appropriately aligns with the long-term share price performance of the organization. Over the past five years, cumulative total shareholder return was 40% while the disclosed value of NEO total compensation over the same five-year period has remained relatively flat. However, over this time period, the realizable value of NEO total compensation has fluctuated, tied closely to the changes in the Company’s Common Share price.

In 2016, the Company experienced a rebound in share price performance, reflecting strong financial performance, after a decline in 2015. In 2017, share price performance continued to improve, exceeding performance of the S&P/TSX Financial Index and S&P/TSX Composite Index. In 2018, share price performance declined but on a relative basis, continued to exceed the benchmark indices. Over this time, disclosed NEO total compensation remained relatively flat with modest increases as a result of changes to executive compensation levels aligned with the competitive market. The increase in 2018 is largely attributable to an increase in the NEOs SERP pension adjustments.

	Years ending December 31					
	2013 (\$)	2014 (\$)	2015 (\$)	2016 (\$)	2017 (\$)	2018 (\$)
The Company ⁽¹⁾	100	106	80	107	145	140
S&P/TSX Financial Index	100	114	112	139	157	143
S&P/TSX Composite Index	100	111	101	123	134	122
NEO Total Compensation ⁽²⁾	100	129	98	93	97	119

1. All data are sourced from Standard and Poor's Capital IQ.

2. NEO Total Compensation excludes the value of special, one-time EDSUs granted in 2013 to assist with retention of select employees. For further details on EDSUs, see "Equity-Based Compensation Plans – Executive Deferred Share Unit Plan".

SUMMARY COMPENSATION TABLE

The following table sets out information concerning the compensation earned for Fiscal 2018, 2017 and 2016 by the Company's NEOs.

Name and Principal Position	Fiscal Year	Salary ⁽¹⁾ (\$)	Share-Based Award ⁽²⁾ (\$)	Option-Based Award ⁽³⁾ (\$)	Non-Equity Incentive Plan Compensation ⁽³⁾ (\$)		Pension Value (\$)	All Other Compensation ⁽⁴⁾ (\$)	Total (\$)
					Annual Incentive	Long-Term Incentive			
Stuart Levings, President & CEO	2018	629,231	609,360	203,008	700,700	N/A	1,293,296	81,426	3,517,021
	2017	515,000	482,808	161,184	750,870	N/A	478,903	69,620	2,458,385
	2016	505,000	405,014	134,900	523,755	N/A	537,542	69,338	2,175,549

Deborah McPherson, SVP, Sales & Marketing	2018	296,873	134,081	44,928	145,996	N/A	181,307	68,973	872,158
	2017	290,950	130,932	43,608	196,391	N/A	52,858	32,749	747,488
	2016	290,027	130,927	43,700	174,570	N/A	-13,295	44,599	670,528
Winsor Macdonell, SVP, GC	2018	287,421	130,292	43,264	141,892	N/A	194,538	57,845	855,252
	2017	275,575	123,995	41,400	186,013	N/A	84,424	59,275	770,682
	2016	274,652	124,003	41,420	165,345	N/A	-7,260	46,447	644,607
Craig Sweeney, SVP, CRO	2018	247,692	112,511	37,440	122,500	N/A	181,645	38,378	740,166
	2017	235,000	105,753	35,328	158,625	N/A	81,641	26,052	642,399
	2016	236,154	105,747	35,340	141,000	N/A	118,241	25,771	662,253

Notes:

- (1) Salary is based on actual salary paid to the executive in Fiscal 2018 as per payroll records.
- (2) The value of share-based awards (RSUs, PSUs, DSUs and EDSUs) is based on the LTI program percentage of base salary granted to each NEO, converted into units based on the Fair Market Value ("FMV") (the average closing price of the Common Shares on the Toronto Stock Exchange ("TSX") during the five trading days prior to such date) on the dates of the grant as follows: February 3, 2016 - \$23.71, February 6, 2017 - \$33.35, and February 6, 2018 - \$41.64. In previous years this value was calculated using the closing price of stock on the date of grant.
- (3) The amounts disclosed represent the Option fair value for purposes of compensation at the date of grant. For 2012, a reasonable fair value was derived with reference to: (a) Option values used for past grants; (b) Common Share price at the time of grant; and (c) expectations for the future performance of the Common Share price over the term of the Option including the Black-Scholes value. Starting in 2013, the Company used a binomial valuation model, and with reference to Option values used for past grants, to determine a more reasonable fair value of an Option for purposes of compensation. For purposes of accounting the Company continued to use a Black-Scholes valuation model to calculate the fair value of an Option.
- (4) All other compensation includes perquisites and other taxable benefits. The aggregate value of perquisites was calculated using the incremental cost to the Company for providing these personal benefits to NEOs. The following values reflect the perquisites which exceed 25% of the NEOs' total amount reported. For 2018, Mr. Levings' amount includes \$28,493 related to the cost of a Company car and \$32,279 in executive benefits; Mr. Mayers' amount includes \$15,447 which is Genworth Canada's contribution to the Employee Stock Savings Plan on his behalf and \$16,139 in executive benefits; Ms. McPherson's amount includes \$34,371 in executive benefits; Mr. Macdonell's amount includes \$22,220 related to the cost of a Company car and \$16,139 in executive benefits. Mr. Sweeney's amount includes \$19,200 related to the cost of a Company car.

The table below summarizes the various inputs used to calculate the compensation and accounting fair values of an Option for 2016, 2017, and 2018 grants and the difference in aggregate value for each NEO.

Inputs	2018		2017		2016	
	Compensation	Accounting	Compensation	Accounting	Compensation	Accounting
Valuation Model	Binomial	Black-Scholes	Binomial	Black-Scholes	Binomial	Black-Scholes
Share Price Volatility	24.45%	24.45%	24.19%	24.19%	25.53%	24.19%

Notes:

- (1) Value of the unexercised "in the money" Options is the difference between the fair market value of the Common Shares on the TSX as of the close of trading on December 31, 2018, which was \$40.20, and the exercise price.
- (2) The value of the outstanding RSUs, PSUs and EDSUs is based on the Common Share price on the TSX as of the close of trading on December 31, 2018, which was \$40.20, and includes RSUs, PSUs and EDSUs issued as dividend equivalents.
- (3) Vested share-based awards are all immediately paid out or distributed upon vesting, except for EDSUs which are paid out at the time of the individual's departure from the Company.
- (4) This expiry date relates to outstanding EDSU grants.

Value Vested or Earned During Fiscal 2018

Name and Principal Position	Option-Based Awards – Value Vested During the Year ⁽¹⁾ (\$)	Share-Based Awards – Value Vested During the Year (\$)	Non-Equity Incentive Plan Compensation Value Earned During the Year ⁽²⁾ (\$)
Stuart Levings, President & CEO	337,668	574,716	N/A
Philip Mayers, SVP & CFO	167,137	335,705	N/A
Deborah McPherson, SVP, Sales & Marketing	108,555	217,051	N/A
Winsor Macdonell, SVP, GC	102,806	205,645	N/A
Craig Sweeney SVP & CRO	86,074	156,872	N/A

Notes:

- (1) This value is based on the market price of the awards at the time of vesting.
(2) See “*Incentive Plan Awards*” for a description of the significant terms of all plan-based awards, as well as “*Report on Executive Compensation – Compensation Decisions for 2018 – Short-Term Incentives*” and “*Report on Executive Compensation – Compensation Decisions for 2018 – Long-Term Incentives*” for a description of non-equity and equity compensation evaluation process.

PENSION PLAN BENEFITS

The Company’s retirement programs are benchmarked to the industry and provide competitive post-employment financial security and are a key element of the total compensation package. The NEOs participate in two retirement plans:

- the pension plan for the employees of Genworth Financial Mortgage Insurance Company Canada (the “**Pension Plan**”), a registered defined contribution pension plan to which contributions are made based on pensionable earnings up to the annual limits allowed by the Canada Revenue Agency; and
- the supplemental retirement plan of Genworth Financial Mortgage Insurance Company Canada (the “**SERP**”), a defined benefit supplemental executive retirement plan.

After July 1, 2012, vesting is immediate in accordance with legislative requirements.

Defined Contribution Pension Plan

The NEOs, along with other employees of the Company, participate in the Pension Plan. The Company contributes 6% of earnings below the year’s maximum pensionable earnings (“**YMPE**”), as determined by Canada Revenue Agency, and 8% of earnings over the YMPE for each plan participant. In certain legacy situations, the Company will pay an additional contribution, the level of which depends on the NEO’s age plus years of service as at September 26, 2005, starting at 2% of earnings for age plus service less than 25 years, escalating to the maximum of 7% of earnings for age plus service of 49 or more years. Messrs. Mayers, Levings, Macdonell, Sweeney, and Ms. McPherson all qualify for these additional contributions. For the purpose of the Pension Plan, earnings for NEOs are defined as salary plus 50% of the actual short-term incentive VIC award.

Sun Life Financial Inc. is the custodian and record keeper of the Pension Plan. Pension Plan participants have a selection of investment options from which to choose. The rate of return is dependent on the investment choices of the plan participant. If a participant is terminated after vesting, funds are transferred to a registered retirement plan or to another deferred retirement vehicle. The participant may retire between the ages of 55 and 71, in which case the contributions may be used to purchase an annuity (normal form, and with a 60% survivor benefit). In the event of death of an active employee, all contributions are paid to the spouse or estate pursuant to the Pension Plan.

The following table provides the accumulated balances at the start and end of Fiscal 2018 under the Pension Plan for the NEOs.

Name and Principal Position	Accumulated Value at Start of Year⁽¹⁾ (\$)	Compensatory (\$)	Accumulated Value at End of Year (\$)
Stuart Levings, President & CEO	466,665	21,096	482,148
Philip Mayers, SVP & CFO	493,237	21,578	503,446
Deborah McPherson, SVP, Sales & Marketing	437,192	21,907	443,022
Winsor Macdonell, SVP, GC	443,695	21,638	453,884
Craig Sweeney, SVP & CRO	466,946	21,345	474,711

Note:
 (1) The "Accumulated Value at Start of Year" column and the "Accumulated Value at End of Year" column both include compensatory amounts paid by the Company and non-compensatory amounts, including amounts contributed by the NEO. The columns are not cumulative as, in accordance with applicable securities legislation, this table does not disclose the non-compensatory contributions of the NEO or other non-compensatory amounts such as changes in market value.

Supplemental Executive Retirement Plan

The pension an NEO will receive from the SERP is calculated as:

- The target benefit calculated using the formulas set out in the table below, offset by,
- The pension derived from the NEOs notional account which represents what the NEOs account balance would be under the Pension Plan if contributions made to the Pension Plan had been invested in the balanced fund investment options, and further offset by,
- The pension payable to the NEO under other related pension plan(s) in which the NEO participated in prior to September 26, 2005.

The Company delivers the difference, if greater than \$0, via a monthly annuity or a lump sum payment, at the Company's discretion.

The NEO has a choice of either accruing contributory or non-contributory service under the SERP. The contributory formula has the opportunity to provide a higher target benefit to the executive participant at retirement than the non-contributory formula. If the participant selects the contributory formula, then he or she must provide a contribution of 3% of compensation to the Pension Plan.

The target benefit under the SERP is calculated in accordance with the charts below:

Non-Contributory Credited Service 1% of Final Average Earnings (for earnings up to the average YMPE); plus 1.5% of Final Average Earnings (for earnings excess of the average YMPE).	X	Non-Contributory Credited Service	=	Defined Benefit Target Pension
Contributory Credited Service 1.5% of Final Average Earnings (for earnings up to the average YMPE); plus 2% of Final Average Earnings (for earnings excess of the average YMPE).	X	Contributory Credited Service	=	Defined Benefit Target Pension

"Final Average Earnings" are calculated as one-third of the NEO's earnings in the consecutive 36 month period for which the NEO's earnings was highest during the 60 month period prior to retirement or termination of employment, where earnings are defined as base salary plus 50% of variable compensation (short-term incentive).

The participant may retire early, at any point after becoming 55 years of age, and receive a reduced SERP entitlement. The target benefit as calculated at the date of early retirement is reduced by 0.25% for each month prior to the participant's 60th birthday.

The participant is vested in the SERP immediately upon enrollment in the Pension Plan. A participant whose employment terminates before age 55 will receive their SERP pension commencing at age 65. A terminated participant may elect to receive a reduced SERP benefit commencing on the first day of any month following the attainment of age 55. If such terminated participant elects to commence receiving their SERP pension between the ages of 60 and 65, their SERP pension will be reduced by 0.6% for each month prior to their 65th birthday, and if such terminated participant elects to commence receiving their SERP pension prior to age 60, their SERP pension will be more aggressively reduced in accordance with the terms of the SERP.

A participant who chooses to retire on or after his normal retirement date will receive a supplemental benefit based on the participant's credited service, Final Average Earnings and average YMPE at his date of cessation of continuous service.

The following table provides estimates of the benefits payable under the SERP to the NEOs as of December 31, 2018. All information is based on the assumptions and methods used for purposes of reporting financial statements as found in the Company's annual financial statements, which are available on SEDAR at www.sedar.com.

Name and Principal Position	Number of Years of Credited Service	Annual Benefits Payable (\$)		Opening Present Value of Defined Benefit Obligation ⁽²⁾ (\$)	Compensatory change ⁽³⁾ (\$)	Non-Compensatory change ⁽⁴⁾ (\$)	Closing Present Value of Defined Benefit Obligation ⁽²⁾ (\$)
		At Year-End	At Age 65 ⁽¹⁾				
Stuart Levings, President & CEO	18.42	214,497	563,499	3,571,800	1,272,200	-222,234	4,621,766
Philip Mayers, SVP & CFO	23.92	138,441	210,319	2,695,300	121,800	-38,226	2,778,874
Deborah McPherson, SVP, Sales & Marketing	23.92	110,881	157,871	2,100,300	159,400	-65,147	2,194,553
Winsor Macdonell, SVP, GC	19.83	73,520	126,512	1,509,800	172,900	-43,386	1,639,314
Craig Sweeney SVP & CRO	20.42	50,969	95,010	1,240,600	160,300	-55,540	1,345,360

Notes:

- (1) For greater clarity, at retirement NEOs will receive the benefits as described in this table as well as the benefits described in the Pension Plan table above. The SERP "Annual Benefits Payable" columns in this table represent only the lifetime pensions payable from the Supplemental Executive Retirement Plan, taking into consideration the offsets as described in the SERP documentation including the annuitized value of the notional account as well as entitlement to a legacy pension and any minor legacy adjustments from predecessor companies, if applicable. The amounts shown are not inclusive of any of those benefits.
- (2) The valuation method and all significant assumptions the Company applied in quantifying the accrued obligation at the end of Fiscal 2018 can be found in the Company's financial statements for the year ended December 31, 2018, which are available on SEDAR at www.sedar.com.
- (3) The compensatory amount represents the NEO's 2018 current service cost as calculated in accordance with IAS 19, plus/minus the increase/decrease to the NEO's SERP accrued benefit obligation due to actual 2018 pensionable earnings being greater than/less than expected (where expected 2018 pensionable earnings equal 2017 pensionable earnings increased with the salary scale of 3.0% used for the 2018 pension expense).
- (4) The non-compensatory amount represents the change in the NEO's SERP accrued benefit obligation due to factors other than the compensatory amount, specifically interest on the accrued benefit obligation for 2018, changes to the annuitized value of the notional account as well as the impact of changing the accounting assumptions as at December 31, 2018. The non-compensatory amounts are negative for 2018 primarily resulting from the increase in the accounting discount rate from 3.7% at December 31, 2017 to 3.9% at December 31, 2018.

TERMINATION AND CHANGE IN CONTROL BENEFITS

Termination Benefits

The Company has standard policies in respect of employee terminations.

The majority of NEOs are subject to the same terms and conditions as all other employees of the Company in the event of resignation and termination for cause.

	Short-term Incentives	Long-term Incentives		Other Elements
		Unvested Options	Unvested RSUs, PSUs, EDSUs	
Resignation	Forfeited	Forfeited	Forfeited	--
Termination for cause	Forfeited	Forfeited	Forfeited	--
Termination not for cause (other than change of control)	Paid out	Forfeited	Forfeited	NEO receives his or her statutory and common law entitlements, subject to any alternative arrangement that may be agreed upon by the Company and the NEO at the time of termination
Retirement	Paid out	Continue to vest in accordance with the terms of the applicable equity-based incentive plans and grant agreements following retirement	Continue to vest in accordance with the terms of the applicable equity-based incentive plans and grant agreements following retirement	Eligible for accrued, vested retirement benefits; Grants of Options, RSUs and PSUs that have not reached the one year anniversary of the date of grant will be forfeited

Mr. Stuart Levings

In 2014, Mr. Levings and the Board entered into a contract of employment with respect to Mr. Levings' role as President and CEO of Genworth Canada, with an effective date of January 1, 2015. The contract provides that in the event Mr. Levings is terminated without cause (other than as a result of a change of control), Mr. Levings will be entitled to one month's base salary per year of service with the Company, pro-rated bonus and incentive payments earned up to the date of termination, and equity-based compensation in accordance with the Stock Option Plan and Share Incentive Plan.

Change of Control and Qualified Termination Benefits

In December 2009, the C&NC approved a change of control plan (the "**Change of Control Plan**") for the NEOs. The C&NC believed the best time to consider the appropriateness of change of control provisions is when a change of control is not imminent and before the lack of such a plan poses a risk to corporate policy effectiveness. As a result, the C&NC evaluated the considerations, implications and economics of a change of control plan and adopted one that balances the cost to the Company and its Shareholders relative to potential damage from distraction or loss of key executives. The purpose of the Change of Control Plan is intended to keep participants in the plan neutral to the possibility of change of control transactions, thereby reducing the risk that a participant's actions would not be in the best interests of the Company and its Shareholders. The Change of Control Plan calls for severance benefits in the event of a change of control and a qualified termination. The Change of Control Plan includes certain restrictive covenants, including confidentiality, non-compete, non-disparagement and non-solicitation provisions in relation to customers, clients and employees.

For the purposes of the Change of Control Plan, a change of control of the Company is deemed to occur in the following situations:

- The acquisition of 35% or more of the outstanding Common Shares (other than by Genworth Financial) by one party or two or more parties acting in concert;
- The sale of 50% or more of the Company's outstanding Common Shares by Genworth Financial;

- A majority change in the Board, other than through normal Board succession, without the incumbent Board's approval;
- A merger, consolidation, reorganization or sale of substantially all of the assets of the Company, unless such transaction does not change the beneficial ownership of the Company and a majority of the incumbent Board members remain on the Board; and
- Liquidation of the Company with Shareholder approval.

For the purposes of the Change of Control Plan, a qualified termination is defined as the termination of a participant without cause or a participant-initiated termination for **"Good Reason"** within 24 months of a change of control. Good Reason is defined as:

- A relocation of the head office greater than 160 kilometres from its current location;
- A material reduction in base salary, target bonus and benefits, unless such reductions are in concert with general employee compensation reduction and are less than 15%; or
- A significant diminution of duties or responsibilities, excluding a change in title or reporting relationship.

The benefits that a participant will receive in case of a change of control and a qualified termination are contained in the chart below.

Benefit Type	Benefit Amount
Severance	Two times (base salary and target bonus).
Loss of Employee Benefits	Lump sum payment to compensate the participant for loss of employee benefits (calculation is two times (15% of base salary)).
Annual Bonus	Pro-rata of target. ⁽¹⁾
Equity	Vesting of all unvested equity, which can be exercised until the normal expiration date. Where performance criteria is a condition of vesting then payouts are calculated based on target performance.
SERP Provisions (where SERP Plan is terminated)	Benefits are calculated in accordance with the SERP provisions, however where participants are terminated prior to age 55, the pre-age 55 reductions to the SERP are waived and the participant would receive a reduced benefit on attaining age 55.

Note:

- (1) Based on time worked during the bonus plan year.

The following table illustrates the incremental benefit associated with a qualified termination for the NEOs that participate in the Change of Control Plan, following a change of control, assuming the qualified termination took place as of December 31, 2018.

Name and Principal Position	Severance ⁽¹⁾ (\$)	Loss of Benefits (\$)	Options (\$)	Share-Based Awards ⁽²⁾ (\$)	SERP (\$)	Total (\$)
Stuart Levings, President & CEO	2,600,000	195,000	1,799,830	2,051,146	4,621,766	11,267,742
Philip Mayers, SVP & CFO	1,176,240	110,273	1,798,810	1,718,252	2,778,874	7,582,449
Deborah McPherson, SVP, Sales & Marketing	893,850	89,385	97,378	787,538	2,194,553	4,062,704
Winsor Macdonell, SVP, GC	868,725	86,873	283,632	539,570	1,639,314	3,418,114
Craig Sweeney SVP & CRO	750,000	75,000	288,713	461,565	1,345,360	2,920,638

Notes:

- (1) A participant entitled to severance under the Change of Control Plan shall not be eligible for benefits under any severance, layoff or termination benefits provided under any other agreement (including an employment agreement), plan, program or arrangement maintained by the Company.
- (2) The value of share-based awards for Mr. Mayers and Ms. McPherson includes EDSUs granted in 2013.

EQUITY-BASED COMPENSATION PLANS

Equity-based compensation plans attempt to align the interests of executives and other employees of the Company with Shareholder interests beyond the annual business cycle. The design of these long-term incentive plans is to balance medium and longer-term business objectives through the use of various types of awards, including Options, RSUs, PSUs and EDSUs that track to the performance of the Company and Common Share price. RSUs and PSUs are paid out in cash or Common Shares at the discretion of the Board, whereas EDSUs are paid out in cash only.

Common Shares Used for Purposes of Equity Compensation

The following table sets forth information regarding Common Shares reserved for purposes of equity compensation as at December 31, 2018.

Plan Category		Number of Securities to be Issued upon Exercise of Outstanding Options, Warrants and Rights	Weighted Average Exercise Price of Outstanding Options, Warrants and Rights (\$)	Number of Securities Remaining Available for Future Issuance under Equity Compensation Plans	Burn Rate ⁽⁵⁾		
					2016	2017	2018
Equity compensation plans approved by security-holders	Stock Option Plan (Options)	648,001	\$28.62	1,351,999	0.10%	0.08%	0.06%
	Share Incentive Plan (RSUs)	136,539 ⁽¹⁾	N/A ⁽²⁾	519,474 ⁽³⁾	0.06%	0.05%	0.05%
	Share Incentive Plan (PSUs)	93,987 ⁽¹⁾	N/A ⁽²⁾	519,474 ⁽³⁾	0.04% ⁽⁴⁾	0.03% ⁽⁴⁾	0.03% ⁽⁴⁾
	Deferred Share Unit Plan (DSUs)	80,157 ⁽¹⁾	N/A ⁽²⁾	169,843	0.01%	0.01%	0.01%
Equity compensation plans not approved by security-holders		N/A	N/A	N/A	N/A	N/A	N/A
Total		958,684	N/A	2,041,316			

Notes:

- (1) RSUs, PSUs and DSUs issued include dividend equivalents earned on such securities.
- (2) The weighted average exercise price is "not applicable" as RSUs, PSUs and DSUs do not have an exercise price. See "*Share Based Incentive Plan*" below for an explanation of the terms of the RSUs, PSUs and DSUs.
- (3) The aggregate number of Common Shares reserved for issuance under the Share Incentive Plan, for the issuance of both RSUs and PSUs, was 519,474 as of December 31, 2018.
- (4) Each grant of PSUs is subject to a performance multiplier that is applied to the outstanding PSUs at the time of vesting. The multiplier will result in a payout of 50% for threshold performance up to a maximum multiplier of 150% for exceptional achievement against the performance metrics. While the Board has flexibility to settle outstanding PSUs in newly issued treasury shares, to date all vested PSUs have settled in cash.
- (5) The burn rate was calculated by dividing the number of awards granted in the applicable fiscal year by the weighted average number of outstanding securities for the applicable fiscal year.

The aggregate number of Common Shares reserved for issuance in respect of the exercise of Options and for all other compensation plans, shall not exceed 3,000,000. Common Shares reserved in respect of Options which are not fully exercised as a result of Options having terminated, expired, forfeited, cancelled, or settled in cash by virtue of the SAR, shall be available for subsequent Options and not be counted toward depletion of the reserve.

Stock Option Plan

The Board adopted the Stock Option Plan with an effective date of July 7, 2009. Under the Stock Option Plan, the Board may grant Options to purchase Common Shares alone or in tandem with SARs to any officer (including the NEOs) or employee of the Company.

The purposes of the Stock Option Plan are:

- (a) To promote the interests of the Company and its Shareholders by strengthening the ability of the Company to attract, motivate, reward, and retain qualified individuals upon whose judgment, initiative, and efforts the financial success and growth of the business of the Company largely depend;

- (b) To provide an opportunity for such individuals to acquire Common Share ownership and other rights that promote and recognize the financial success and growth of the Company and link their interests and efforts to the long-term interests of the Shareholders;
- (c) To focus such individuals on Common Share price appreciation in alignment with the long-term focus of the Company; and
- (d) To provide an opportunity for such individuals to earn a competitive level of total compensation.

The exercise price of any Option to be granted under the Stock Option Plan is determined by the Board, but shall not be less than the closing price expressed in Canadian dollars of the Common Shares on the TSX on the date of grant of such Option. There are currently 2,000,000 Common Shares (approximately 2.28% of the outstanding Common Shares on a non-diluted basis) reserved for issuance under the Stock Option Plan, of which 1,281,299 (or approximately 1.46% of the outstanding Common Shares on a non-diluted basis) remain available for issuance as of the date hereof. Of the Options granted and outstanding, 609,930 Options are exercisable.

The maximum number of Common Shares which may be reserved for issuance to insiders of the Company under the Stock Option Plan and all other share-based compensation plans collectively is 10% of the Common Shares outstanding at the time of the grant (on a non-diluted basis). The maximum number of Common Shares which may be issued to insiders of the Company under the Stock Option Plan and all other share-based compensation plans of the Company collectively within a one-year period is 10% of the Common Shares outstanding at the time of the issuance (on a non-diluted basis).

At the time of grant, the Board may fix the term and the vesting conditions of the Option being granted provided that these terms do not exceed 10 years from the grant date. The Board may also determine the provisions relating to the expiry of an Option pertaining to termination, disability, retirement and death.

Except as provided below, an Option is non-transferable and non-assignable, other than by will or the laws relating to intestacy. However, where the assignor is not a U.S. Taxpayer (as defined in the Stock Option Plan), an Option may be transferred to any of the following permitted assigns: (i) the spouse of the assignor; (ii) a trustee, custodian or administrator acting on behalf of or for the benefit of the assignor or the assignor's spouse; (iii) a personal holding corporation, partnership (including a family limited partnership), family trust or other entity controlled by the assignor or the assignor's spouse, or the shareholders, partners, or beneficiaries of which are any combination of the assignor, the assignor's spouse, the assignor's children or the assignor's grandchildren; (iv) an individual or other person in that person's capacity as a trustee, executor, administrator or personal or other legal representative controlled by the assignor or the assignor's spouse; or (v) a registered retirement income fund or a registered retirement savings plan (as each such term is defined in the *Income Tax Act* (Canada)) of the assignor or the assignor's spouse. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of an Option contrary to the provisions of the Stock Option Plan, or upon the levy of any attachment or similar process upon an Option, the Company may terminate the Option.

If an Option expires during, or within ten business days after, a trading black-out period imposed by the Company to restrict trades in the Company's securities, then, notwithstanding any other provision of the Stock Option Plan, the Option will expire ten business days after the trading black-out period is lifted by the Company.

Subject to certain discretionary adjustments that may be made by the Board or its designee under the Stock Option Plan, the following types of amendments to the Stock Option Plan require Shareholder approval: (i) any increase in the number of Common Shares in respect of which Options may be granted under the Stock Option Plan; (ii) any amendment granting additional powers to the Board to amend the Stock Option Plan or entitlements without Shareholder approval; (iii) any reduction in the exercise price of Options, or a cancellation and re-issuance within three months of Options held by insiders of the Company; (iv) any amendment that would increase the maximum term of an Option granted under the Stock Option Plan; (v) any extension to the term of Options held by insiders of the Company, except in accordance with the terms of the Stock Option Plan; (vi) any amendment that would alter the limits on the total number of Common Share issuable to insiders of the Company; (vii) any amendment that would expand the scope of those persons eligible to participate in the Stock Option Plan; (viii) any addition of new forms of compensation involving the issuance of Common Shares by the Company; and (ix) any amendment to the assignment provisions of the Stock Option Plan.

Amendments to the Stock Option Plan or Options that are not subject to Shareholder approval may be implemented by the Company without Shareholder approval, but are subject to any approval required by the rules of any stock exchange on which the Common Shares are listed and other requirements of applicable law. The Board also has the right to suspend, discontinue or amend the Stock Option Plan.

For the Options granted in February 2018, the Board set the following terms and conditions, which are set out in individual Option award agreements. Options were granted with attached SARs (which allow for the recipient to receive an amount

equal to the excess of the fair market value per Common Share over the base dollar amount specified in the grant agreement) and vest 33% per year on the first, second and third anniversary of the grant. Other terms are as follows:

Reason for Termination	Treatment
Voluntary Termination	Unvested and vested Options are cancelled on the day of termination.
Termination with Cause	All vested and unvested Options are cancelled on the day of termination.
Involuntary Termination without Cause	Unvested Options are cancelled on the day of termination and vested Options may be exercised up to 60 days after termination, provided the term of the Option has not expired.
Retirement	If one year from the grant date to the date of retirement has not elapsed within a minimum age of 55 and accumulation of 10 years of service, the Options are cancelled. Otherwise Options may be exercised in accordance with the original terms of grant.
Disability	No impact on the terms of grant.
Leave of Absence	If the Option holder does not return to active employment following the legal end of the leave, all Options are cancelled on the day of termination.
Death	All unvested Options vest on the date of death and the estate may exercise the Options for up to 12 months following the death (provided they do not expire sooner).
Change of Control	The successor company may replace the Common Shares with securities of equal value to the Common Shares that underlie the Options. Following a change of control, and in the case of termination without cause or retirement within 24 months of the change of control, all Options vest and become exercisable.

Share Based Incentive Plan

RSUs and PSUs may be granted to employees, officers (including the NEOs) or consultants of the Company under the Share Incentive Plan which has the same purposes as the Stock Option Plan described above. The Share Incentive Plan was adopted by the Board with an effective date of July 7, 2009. The aggregate number of Common Shares reserved for issuance under the Share Incentive Plan, subject to adjustment or increase of such number pursuant to the provisions of the Share Incentive Plan, may not exceed 750,000, or approximately 0.86% of the currently outstanding Common Shares on a non-diluted basis, of which 532,436 (or approximately 0.61% of the outstanding Common Shares on a non-diluted basis) remain available for issuance as of the date hereof.

RSUs are securities with rights equal to the fair market value of a Common Share. RSUs are time vested and upon maturity the holder receives an amount equal to the value of one Common Share for each RSU. The grant agreement that governs the RSUs provides that the Board may grant additional RSUs, equivalent to the dividends issued on the Common Shares that underlie an RSU award, to be credited to the recipient's RSU account.

To further underscore the Company's compensation objectives, in Fiscal 2018, the Company continued to grant PSUs which are contingent on the long-term performance of the Company. PSUs have similar terms and conditions as RSUs; however a performance feature is attached to the award such that poor performance will reduce or negate the award and superior performance will increase the award to a specific maximum. The terms governing PSUs under the Share Incentive Plan are the same as those set out below for RSUs.

The Board has the discretion to fix the term and the vesting conditions of the RSUs provided they mature no later than December 1 in the third calendar year following the calendar year in respect of which the RSUs are granted and shall be paid prior to December 31 of that year. As well, at the time of grant the Board has the discretion to determine the provisions relating to the expiry of an RSU upon the termination, disability, retirement or death of a recipient. On the maturity date of an RSU, the Board may decide to settle the Common Share delivery obligation through the issuance of new Common Shares from treasury, the purchase of Common Shares on the open market or via the delivery of the cash equivalent of the underlying Common Share.

The maximum number of Common Shares which may be reserved for issuance to insiders of the Company under the Share Incentive Plan and all other share-based compensation plans collectively is 10% of the Common Shares outstanding at the time of the grant (on a non-diluted basis). The maximum number of Common Shares which may be issued to insiders of the Company under the Share Incentive Plan and all other share-based compensation plans of the Company collectively within a one-year period is 10% of the Common Shares outstanding at the time of the issuance (on a non-diluted basis).

RSUs are not assignable or transferable, other than in the case of death as set out in the Share Incentive Plan or in a grant agreement between the assignor and the Company.

The Board's rights to amend, change or suspend the Share Incentive Plan, as well as the requirements to seek Shareholder approval for amendments to the Share Incentive Plan, are the same as the equivalent provisions in the Stock Option Plan described above.

In Fiscal 2018, the Board elected to grant RSUs with the following terms and conditions which are set out in each individual grant agreement. All of the RSUs granted in Fiscal 2018 cliff vest (i.e. 100%) on the third anniversary of the grant. Other terms are as follows:

Reason for Termination	Treatment
Voluntary Termination	Unvested RSUs will be forfeited on the day of termination and vested RSUs shall be paid.
Termination with Cause	All vested and unvested RSUs will be forfeited on the day of termination.
Involuntary Termination without Cause	Unvested RSUs will be forfeited on the day of termination and vested RSUs shall be paid.
Retirement	If one year from the grant date to the date of retirement has not elapsed within a minimum age of 55 and accumulation of 10 years of service, the RSUs are forfeited. Otherwise RSUs vest and are paid in accordance with the original terms of the agreement.
Disability	No impact on the terms of grant.
Leave of Absence	RSUs that vest during the leave are paid at the Board's discretion on a pro rata basis on return from the leave. If the holder does not return to active employment following the leave, all RSUs are forfeited on the day of termination.
Death	All unvested RSUs vest as of the date of death and at the Board's discretion the estate may receive payment for vested Common Shares up to the full vested amount or on a pro-rated basis.
Change of Control	The successor company may replace the outstanding value of RSUs with securities of equal value. Following a change of control, and in the case of termination without cause, or retirement within 24 months of the change of control, all RSUs vest and become payable within 30 days of a qualified termination.

Executive Deferred Share Unit Plan

EDSUs track to the Common Share price of the Company. The EDSU Plan was established in 2013 for the sole purpose of retention of key executives during a time of organizational change. The plan was approved by the Board with the understanding that it would have limited participation, and that individual grants would be structured to the needs of the Company. The EDSU Plan was amended in the first quarter of 2018 in order to allow eligible participants to elect to receive, starting in 2019, all or part of the participant's annual incentive award in the form of EDSUs.

EDSUs are stock units with rights equal to the fair market value of a Common Share. EDSUs are time vested and upon maturity the holder is entitled to an amount equal to the value of one Common Share for each EDSU. The grant agreement that governs the EDSUs provides that the Board may grant additional EDSUs equivalents for the dividends issued on the Common Shares that underlie the EDSU award, to be credited to the recipient's EDSU account.

The Board has the discretion to extend the award and fix the term and vesting conditions of each award. Unlike the RSUs and PSUs, EDSUs can only settle in cash, and only on termination of employment, retirement (as defined by the share incentive plans) or death of the executive.

Share Savings Plan

The Board adopted the Company's share savings plan (the "**Share Savings Plan**") with effect from September 1, 2009. Under the Share Savings Plan, the NEOs and other employees have an opportunity to acquire Common Shares, purchased on the open market, by means of a payroll deduction.

Under the Share Savings Plan, employees may contribute up to a total of 10% of their compensation to the Share Savings Plan through a payroll deduction. Compensation, for the purposes of the Share Savings Plan, is defined as the sum of an employee's base salary, overtime pay and 50% of each of the following paid amounts: short-term incentive compensation, other sales bonuses and commissions. The Company will match 50% of the first 6% of an employee's contributions under the Share Savings Plan in each pay period. All matching contributions by the Company vest immediately. While there is immediate vesting of the Company's matching contributions, an employee's participation in the Share Savings Plan is temporarily suspended when an employee makes a withdrawal of Common Shares held in such plan. If an eligible participant elects to withdraw 50% of the Common Shares in their account, as either Common Shares or the net cash proceeds from a sale, then such participant's eligibility to make any contributions shall be suspended for a period of six months. If an eligible participant elects to withdraw 100% of the Common Shares in their account, as either Common Shares or the net cash proceeds from a sale, then such participant's eligibility to make any contributions shall be suspended

for a period of 12 months. Once per year the Company may decide to open a window for employees to receive a distribution of 35% of their shares in the Share Savings Plan without imposing the six month suspension penalty. In December 2018 the Company allowed staff to receive a distribution without penalty.

As soon as practicable (and in no event more than 30 calendar days) after each pay date, the employee contributions and matching contributions by the Company relating to such pay date, and any net cash dividends received prior to such pay date, will be used to purchase Common Shares through open market purchases. The daily volume of purchases may be limited to the extent that it is deemed to be in the best interests of the participants. The purchase of Common Shares will be made at prevailing market prices.

All Common Shares and cash allocated to a participant account shall at all times be vested in the participant and shall not be subject to forfeiture. Any right to participate in the Share Savings Plan, and any other right or benefit under the Share Savings Plan, shall not be transferable by a participant except upon death to a beneficiary.

Upon termination of employment of a participant (other than as a result of retirement), such participant or, in the case of the death of the participant, the participant's beneficiary, shall receive a compulsory distribution with respect to all of the Common Shares then allocated to the participant's account: (i) in cash, consisting of the proceeds, net of expenses payable, of a sale of 100% of the total number of Common Shares then allocated to the account; or (ii) Common Shares, consisting of 100% of the total number of whole Common Shares then allocated to the account plus cash in lieu of any remaining fractional Common Share. For the period from the date of cessation of employment until the fifth anniversary of such date, a retired participant shall have the right to receive at any time a distribution of the proceeds of their account.

The Company shall be responsible for the administration of the Share Savings Plan. The Company may, however, at any time and from time to time, delegate to one or more officers and employees of the Company or to a committee of such officers and employees any or all of its Share Savings Plan responsibilities. The Company shall also be permitted to hire administrators, custodians or similar service providers to assist in the administration of the Share Savings Plan.

Subject to all applicable laws and regulatory approvals and requirements, the Company may, at any time, terminate or amend any or all provisions of the Share Savings Plan, in whole or in part; provided, however, that no amendment shall retroactively and materially impair any rights or benefits under the Share Savings Plan which any participant or beneficiary otherwise would have had at the date of such amendment, except with the written consent of such person. The Company may also, at any time, amend, suspend or terminate the Share Savings Plan, in whole or in part, or participation in the Share Savings Plan by any participant for abuse of privileges under the Share Savings Plan.

INDEBTEDNESS OF DIRECTORS AND NEOs

No director, nominee or officer of the Company or any of its subsidiaries and none of their associates is currently or was at any time during Fiscal 2018, indebted to the Company or any of its subsidiaries and no indebtedness of such persons has been the subject of a guarantee, support agreement, letter of credit or other similar agreement provided by the Company or any of its subsidiaries, except for routine indebtedness.

NORMAL COURSE ISSUER BID

On May 1, 2018, the Company received approval from the TSX for the Company to undertake a normal course issuer bid (the "**NCIB**"), under which the Company may purchase for cancellation up to 4,489,616 Common Shares through the facilities of the TSX or through other permitted means (including through other published markets).

The Board believes that any purchases pursuant to the NCIB, if considered advisable, are (or will be) in the best interests of the Company and is (or will be) a desirable use of the Company's funds. Genworth Financial is permitted to sell its Common Shares to the Company in accordance with an exemption granted by the TSX pursuant to its rules, regulations and policies in connection with the NCIB in order to maintain its proportionate percentage ownership.

The maximum number of Common Shares that may be purchased pursuant to the NCIB is reduced by the number of Common Shares purchased by the Company from Genworth Financial. The timing for the purchase of Common Shares, the number of Common Shares purchased and the price payable for the Common Shares is determined by the Company's broker in its sole discretion, without consultation with the Company. All Common Shares that are purchased under the NCIB are cancelled.

The NCIB will terminate on May 6, 2019 or on such earlier date upon which the Company has purchased the maximum number of Common Shares under the NCIB. During Fiscal 2018, the Company repurchased a total of 2,352,526 shares for cancellation in 2018, for an aggregate purchase price of approximately \$100 million. During the first quarter of 2019, the

Company did not purchase any of its Common Shares for cancellation. Genworth Financial participated and maintained its proportionate percentage ownership interest in the Company throughout the course of the share purchase transactions.

Shareholders may contact the Company to request a copy of the Company's notice of intention to make a normal course issuer bid (without charge) by contacting Winsor Macdonell, Senior Vice President, General Counsel and Secretary, 2060 Winston Park Drive, Suite 300, Oakville, ON, Canada, L6H 5R7 or via e-mail at winsor.macdonell@genworth.com.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No director, nominee, executive officer, employee or informed person or former director, executive officer or employee or any associate or affiliate of the foregoing has, or has had, any material interest in any transaction with the Company during Fiscal 2018 or in any proposed transaction that has materially affected or will materially affect the Company or any of its subsidiaries.

CORPORATE GOVERNANCE

As a Canadian reporting issuer with securities listed on the TSX, the Company has in place corporate governance practices that are consistent with the requirements of that stock exchange and the applicable rules adopted by the Canadian Securities Administrators. The Company is committed to maintaining high standards of governance in accordance with Canadian regulatory requirements, particularly *National Instrument 58-101 – Disclosure of Corporate Governance Practices* (“NI 58-101”), *National Policy 58-201 – Corporate Governance Guidelines* and *National Instrument 52-110 – Audit Committees* (“NI 52-110”).

Board of Directors

In Fiscal 2018, the Board was comprised of nine directors. The directors elected at the June 2018 annual meeting of Shareholders were: Sidney Horn, Brian Hurley, Andrea Bolger, Sharon Giffen, Rohit Gupta, Stuart Levings, Neil Parkinson, Leon Roday, and Jerome Upton. In February of 2019 Mr. Singh replaced Mr. Roday on the Board. Genworth Financial has the right to nominate a certain number of directors, through its beneficial ownership of the Special Share based on its level of beneficial ownership of Common Shares. Currently, Genworth Financial has a beneficial ownership interest in the Company of greater than 50%, which entitles it to nominate a majority of the directors of the Company.

Independence of Directors

Four of the nominees for the Board are independent, as that term is defined in NI 58-101. These individuals are Mr. Horn, Ms. Giffen, Mr. Parkinson, and Ms. Bolger. For the purposes of NI 58-101, a director is independent if he or she has no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. Certain relationships are deemed to be material relationships for these purposes.

Five nominees for the Board, Messrs. Hurley (Chairman of the Board), Gupta, Levings, Singh and Upton, are not independent for the purposes of NI 58-101 as they are currently, or were in the past three years, an employee of the Company or one of its affiliates. As a majority of the members of the Board are not independent, to help ensure that the Board can apply independent judgment in carrying out its responsibilities, Mr. Horn, an independent director, was appointed as a Lead Director of the Board.

The role of the Lead Director is to facilitate the functioning of the Board independently of management of the Company and provide independent leadership to the Board. In fulfilling his responsibilities, the Lead Director is responsible for: (a) providing leadership to ensure that the Board functions independently of management of the Company and other non-independent directors; (b) providing leadership to foster the effectiveness of the Board; (c) working with the Chairman to ensure that the appropriate committee structure is in place and assisting the Board in making recommendations for appointment to such committees; (d) suggesting items of importance for consideration on the agenda and working with the Chairman to set the agenda for each meeting of the Board; (e) in the absence of the Chairman, chairing Board meetings, including stimulating debate, providing adequate time for discussion of issues, facilitating consensus, encouraging full participation and discussion by individual directors and confirming that clarity regarding decision-making is reached and accurately recorded; in addition, chairing each Board meeting at which only non-management directors are present; (f) as may be required from time to time, consulting and meeting with any or all of the directors, at the discretion of either party and with or without the attendance of the Chairman; (g) representing the independent directors in discussions with management of the Company on corporate governance issues and other matters; (h) providing recommendations and advice to the C&NC on candidates for nomination or appointment to the Board; (i) recommending, where necessary, the holding of special meetings of the Board; (j) working with the Chairman and the President & CEO to ensure that the Board is provided with the resources to permit it to carry out its responsibilities and bringing to the attention of the Chairman and

the President & CEO any issues that are preventing the Board from being able to carry out its responsibilities; and (k) providing additional services required by the Board.

At the conclusion of each Board meeting, a portion of the meeting is reserved for an in-camera discussion of the independent directors of the Company at which members of management are excluded. The independent directors of the Company may meet separately from non-independent directors and management as part of every Board meeting. In addition, the Board facilitates open and candid discussions among its independent directors by having an independent Lead Director and encouraging them to hold ad hoc discussions on matters as they arise. As the independent Lead Director, Mr. Horn presides at all such in-camera meetings. During these meetings, the independent directors have the opportunity to speak in private with any employee of the Company if so requests, the auditors or legal counsel to the Board. During Fiscal 2018 all meetings of the Board included in-camera sessions.

The independent directors are also the only members of the Audit Committee, and certain of them are members of the C&NC and the Risk, Capital and Investment Committee, which provides the independent directors with an opportunity to review and discuss all matters that come before such committees.

Board and Committee Mandates

The Board operates under the Board of Directors Mandate attached to this Circular as Appendix A. In summary, the mandate of the Board, which it discharges directly or through one of its four committees, is to supervise the management of the business and affairs of the Company, and includes responsibility for strategic planning, review of operations, disclosure and communication policies, oversight of financial and other internal controls, corporate governance, director orientation and education, senior management compensation and oversight, and director compensation and assessment.

The Board has three main committees: the Audit Committee, the Compensation and Nominating Committee, and the Risk, Capital and Investment Committee. The Board also established a Special Committee during Fiscal 2016 and which continued its duties into 2018.

Diversity Considerations

The Company's "Integrity First" policy outlines the Company's programs and processes which support a diverse work force. This policy establishes, among other things, the commitment of Genworth Canada to diversity and inclusiveness in the workplace. The Company recognizes the benefits of promoting diversity both within Genworth Canada and at the Senior Leadership Team level and considers the levels of diversity representation, including female representation, when assessing candidates and selecting nominees for Senior Leadership Team positions.

The current tenure and makeup of the Senior Leadership Team reflects a group of diverse and experienced managers. In 2018, of the seven Senior Leadership Team members, approximately 43% (3 of 7) were staffed by diverse incumbents, representing both gender and ethnic diversity, including approximately 29% (2 of 7) women. At the Board level, 2 of the 9 (22%) Board members are women. The Board has committed to increase female representation at the Board level to at least thirty-three percent (33%) by 2020.

Position Descriptions

The Board has developed and implemented written position descriptions for the Chairman, President and CEO, the Lead Director and the Chair of each committee of the Board. Copies of such position descriptions can be found on the website of the Company at <http://investor.genworthmicanada.ca/>

Ethical Business Conduct

The Board has adopted the Genworth Financial Code of Ethics contained within the Integrity First policy (the "**Code of Ethics**") as it relates to the Company to govern the conduct of the Company's directors, officers and employees. A copy of the Integrity First policy may be obtained by contacting the Company or may be retrieved from the Company's website at www.genworth.ca or at from SEDAR at www.sedar.com.

The Board oversees compliance with the Code of Ethics through the Company's General Counsel, who monitors compliance with the Code of Ethics as it relates to the Company and reports to the Audit Committee on such issues at least quarterly. Officers and employees must report known and suspected breaches of the Code of Ethics, and directors must report known and suspected breaches to the Company's General Counsel or to the Chairman of the Board. All reported breaches and results of investigations are reported to the Audit Committee.

In order to help ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or an executive officer has a material interest, the director or executive officer having a conflict of interest must declare his or her interest and excuse himself or herself from the meeting during the consideration of, and voting on,

that particular matter. If a conflict of interest arises on a non-material matter, the director must declare his or her interest and abstain from discussion and voting.

The Company requires that the directors, officers and employees annually certify they have complied with its Code of Ethics. To date, the Company has not been required to file a material change report relating to a departure from the Code of Ethics.

COMPENSATION AND NOMINATING COMMITTEE

Committee Members (at fiscal year-end)

In Fiscal 2018, the C&NC was comprised of three members, Messrs. Horn, Roday, and Ms. Bolger of which two are considered to be independent for the purposes of NI 58-101, Mr. Horn and Ms. Bolger. Upon Mr. Roday's resignation from the Board he was replaced on this committee by Mr. Hurley.

Committee Mandate

The primary mandate of the C&NC is to approve compensation policies and guidelines for senior management of the Company, to recommend to the Board compensation arrangements for the directors and for the CEO, to manage incentive compensation plans and equity compensation plans, and to review succession plans for management. The mandate of the C&NC also includes assessing the effectiveness of the Board, the committees of the Board and the directors, and recommending to the Board candidates for election as directors and candidates for appointment to Board committees. In order to encourage an objective nomination process for new directors, the C&NC will consider potential candidates from a variety of sources and evaluates the suitability of each such candidate using pre-determined, objective criteria.

Relevant Education and Experience

All members of the C&NC have experience in compensation review and management. For information regarding the education and experience for each member of the C&NC relevant to the performance of his or her duties as a member of the C&NC, see "*Business of the Meeting – Election of Directors – Director Nominees*". The C&NC works with their external consultants, Hugessen, to help keep up to date on market trends, best practices, and to endeavour to make informed decisions in executive compensation policy decisions, pay determinations and performance management. In order to encourage an objective nomination process for new directors, the C&NC will consider potential candidates from a variety of sources and evaluates the suitability of each such candidate using pre-determined, objective criteria.

Orientation and Continuing Education

The C&NC is responsible for director orientation and education. All newly elected directors are provided with a comprehensive orientation as to the nature and operation of the business and affairs of the Company and as to the role of the Board and its committees. Existing directors are periodically updated in respect of these matters.

In order to orient new directors, and to help existing directors maintain the skills and knowledge as to the nature and operation of the Company's business, the Board is regularly provided with presentations by management relating to the business, strategies and the competitive environment of the Company, changes to the regulatory environment affecting the Company, the economy in general and any other developments that could materially affect the Company's business. All directors also have the opportunity to meet with members of the Company's executive management team as desired to further discuss the Company's business and activities. The Board also periodically invites experts that are not affiliated with the Company, such as investment managers, legal and accounting experts or regulators, to speak to the Board and provide continuing education, this includes but is not limited to training related to current developments such as, cybersecurity, housing trends, corporate governance trends and updates on their fiduciary duties. Important regulators of the Company and its subsidiaries are also invited during the year to speak to the Board and provide insight into the regulatory landscape facing the Company. The orientation and continuing education program is designed to assist the directors in fully understanding the nature and operation of the Company's business, the role of the Board and its committees, and the contributions that individual directors are expected to make.

Nomination and Assessment of Directors

The C&NC is responsible for, subject to the director election rights of Genworth Financial, identifying new candidates, as needed, for Board nomination, and for recommending to the Board qualifications for directors including, among other things, the competencies, skills, business and financial experience, leadership roles and the level of commitment required to fulfill Board responsibilities. The C&NC recognizes that each director will contribute differently to the Board and that each will bring particular strengths in different areas of qualification.

At the time that new nominees may be required, the C&NC will consider the rights of Genworth Financial, the qualifications that existing directors possess and that each new nominee will bring to the Board, and will be responsible for identifying

candidates qualified for Board membership, and recommending to the Board nominees to be placed before the Shareholders.

The C&NC also reviews and assesses from time to time the contributions and effectiveness of the Board, of its committees and the directors. An annual evaluation of the Board, its committees and the directors to determine whether they are functioning effectively and meeting their respective objectives and goals. The objective of the assessments is to ensure the continued effectiveness of the Board, its committees and the directors in the execution of their responsibilities and to contribute to a process of continuing improvement. To facilitate such evaluations a survey of the directors is conducted to get their views on matters such as: the effectiveness of the Board, each Board committee and its chair; the contribution of individual directors; the adequacy and timeliness of the information provided to directors; agenda planning for Board meetings; and contributions of Board and committee members. The results of its survey and evaluations are provided to the Board for consideration as to if they wish to make any changes to the composition, structure or mandates of the Board or its committees. The C&NC further monitors the relationship between management and the Board and reviews the Company's governance structures to ensure that the Board is functioning independently of management of the Company.

Succession Planning

In accordance with its mandate, the C&NC oversees succession for the CEO and the other members of the Senior Leadership Team. The Company has in place a Nomination and Independence Policy limiting the tenure of directors. Annually, the C&NC conducts a formal in-depth review of each of the succession plans in order to satisfy itself that the succession plans meet the needs of the Company. The C&NC presents its findings to the Board annually.

Compensation

The C&NC has three primary responsibilities relating to compensation. First, the C&NC monitors management resources, structure, succession planning, development and selection processes, as well as the performance of key executives. Second, it reviews and approves the Company's executive compensation and broad-based incentive compensation plans. Finally, the C&NC recommends to the Board for approval the compensation arrangements for the directors, the Board committee chairs and the members of the Board committees. More information on the process by which compensation for the Company's directors and officers is determined is set forth under the headings "*Report on Executive Compensation – Compensation Discussion and Analysis*" and "*Report on Director Compensation – Compensation Discussion and Analysis*".

In order to ensure an objective process for determining compensation, the C&NC considers a variety of pre-determined, objective criteria and consults with independent third-party advisers.

The Board is ultimately responsible for the management of business-related and compensation-related risks. To encourage behaviour that is in the best interest of the Company and its Shareholders, all inherent and residual risks are regularly identified, reviewed and managed by the Board. All compensation, benefits and other human resources policy design for senior executives is centralized in human resources with oversight and approval by the C&NC, on behalf of the Board. The C&NC regularly reviews the compensation programs of the Company to ensure that significant controls and appropriate decision authorities are in place to monitor for potential risks associated with short-term and long-term incentive plans. The C&NC also endeavours to ensure that the size of the awards related to any given incentive plan metric, within the influence of a key decision maker, is not significant enough to encourage excessive risk-taking. The C&NC is responsible for approving all compensation, benefits and human resources policies and programs for the Company, and for the compensation design for the NEOs with the exception of the CEO. The C&NC recommends the CEO's compensation design to the Board for approval. See "*Report on Executive Compensation – Compensation Discussion and Analysis – Risk Assessment of Compensation Programs*".

AUDIT COMMITTEE

Committee Members (at fiscal year-end)

In Fiscal 2018, the Audit Committee was comprised of three members, Mr. Horn, Ms. Bolger and Mr. Parkinson. Each of the members of the Audit Committee is considered to be "independent" and "financially literate" within the meaning of NI 52-110.

Committee Mandate

The primary mandate of the Audit Committee is to review the financial statements of the Company and public disclosure documents containing financial information and to report on such review to the Board, to be satisfied that adequate procedures are in place for the review of the Company's public disclosure documents that contain financial information, to oversee the work and review the independence of the external auditors and to review, evaluate and approve the internal control procedures that are implemented and maintained by management.

Relevant Education and Experience

All members of the Audit Committee have experience reviewing financial statements and dealing with related accounting and auditing issues.

For information regarding the education and experience for each member of the Audit Committee relevant to the performance of his or her duties as a member of the Audit Committee, see “*Business of the Meeting – Election of Directors – Director Nominees*”. For further information regarding the Audit Committee, see “*Appendix “A” – Audit Committee Information*” in the Company’s Annual Information Form dated March 22, 2019 (“**AIF**”), which is available on the website of the Company at <http://investor.genworthmicanada.ca/> or on SEDAR at www.sedar.com.

Pre-Approval Policy

As part of its mandate, the Audit Committee has adopted a policy regarding the engagement of audit and non-audit services (the “**Pre-Approval Policy**”) for the purpose of identifying, mitigating or eliminating potential threats to the independence of the external auditor. The Pre-Approval Policy is reviewed and approved by the Audit Committee on an annual basis.

The Pre-Approval Policy prohibits the Company or any of its subsidiary entities from engaging the external auditor to provide certain specified non-audit services. Pursuant to the Pre-Approval Policy, all non-audit services that are not specifically prohibited may be provided to the Company or any of its subsidiary entities by the external auditor if such services have been pre-approved by the Audit Committee.

RISK, CAPITAL AND INVESTMENT COMMITTEE

Committee Members (at fiscal year-end)

The Risk, Capital and Investment Committee is comprised of three members, Messrs. Gupta, Upton, and Ms. Giffen. Ms. Giffen is considered to be independent for the purposes of NI 58-101. For information regarding the education and experience for each member of the Risk, Capital and Investment Committee relevant to the performance of his or her duties as a member of the Risk, Capital and Investment Committee, see “*Business of the Meeting – Election of Directors – Director Nominees*”.

Committee Mandate

The primary mandate of the Risk, Capital and Investment Committee is to review the Company’s business plan, risk management procedures, capital levels and portfolio investment strategies. The Risk, Capital and Investment Committee meets regularly with members of management, including the Chief Risk Officer, and discusses significant elements of risk management, including policies and procedures to manage risk. At such meetings, the Risk, Capital and Investment Committee have the opportunity to assess the effectiveness of the Company’s risk management policies and procedures. Following each meeting of the Risk, Capital and Investment Committee, the committee reports to the Board on such meetings and provides the Board with the opportunity to further discuss and provide feedback on any issues dealt with by the committee.

For information regarding the education and experience for each member of the Risk, Capital and Investment Committee relevant to the performance of his duties, see “*Business of the Meeting – Election of Directors*”.

SPECIAL COMMITTEE

Committee Members (at fiscal year-end)

At the end of Fiscal 2018, the Special Committee was comprised of three members, Ms. Bolger, Ms. Giffen, and Mr. Parkinson all of which are considered to be independent for the purposes of NI 58-101.

Committee Mandate

In 2016, Genworth Financial, Inc., the Company’s majority shareholder, entered into an agreement with China Oceanwide Holdings Group Co., Ltd., a limited liability company incorporated in the People’s Republic of China (“**China Oceanwide**”), under which China Oceanwide agreed to acquire all of the outstanding shares of Genworth Financial through a merger involving Asia Pacific Global Capital Co. Ltd., one of China Oceanwide’s investment platforms (the “**Potential Transaction**”). In light of the Potential Transaction the Board established the Special Committee. The mandate of this committee, among other tasks, is to examine, review and evaluate the Potential Transaction, and its implications for the Corporation and its stakeholders; to supervise and provide direction to management regarding the negotiation of any agreements or other arrangements related to the Potential Transaction; to review any requests for material non-public information that may be made; and to do any other such things as the Special Committee may determine to be necessary or advisable assist the Board in complying with its duties and obligations under applicable law.

CORPORATE GOVERNANCE OF GENWORTH FINANCIAL MORTGAGE INSURANCE COMPANY CANADA

As of the date hereof, the board of directors of Genworth Financial Mortgage Insurance Company Canada, the Company's insurance subsidiary, consists of eleven members, which consisted of the nine members of the Board (Mr. Hurley, Mr. Horn, Ms. Bolger, Mr. Gupta, Mr. Levings, Ms. Giffen, Mr. Parkinson, Mr. Singh, and Mr. Upton), as well as two additional independent directors, being Brian Kelly and John Walker. Genworth Financial Mortgage Insurance Company Canada's board of directors has three committees: an audit committee, comprised of the same members as the Audit Committee; a conduct review committee, comprised of Messrs. Kelly and Walker and Ms. Giffen; and a risk, capital and investment committee comprised of the same members as the Risk, Capital and Investment Committee.

Mr. Kelly is a member of Genworth Financial Mortgage Insurance Company Canada's board of directors. He served on the Board of the Company since its inception in 2009 until his resignation at the 2016 annual meeting of Shareholders. He joined the board of directors of Genworth Financial Mortgage Insurance Company Canada in 2003. He also served on several of the Company's and Genworth Financial Mortgage Insurance Company Canada's committees during that time, including their Audit Committees and Risk, Capital and Investment Committees. Prior to his retirement in 1998, Mr. Kelly held positions with several General Electric businesses, including General Manager of General Electric Hydro Business operations in China, Chief Financial Officer of General Electric Canada Motors and General Electric Power Systems Canada. Mr. Kelly also served on the Prime Minister of Canada's Executive Exchange Program for two years.

Mr. Walker served as a director of the Company since 2011 until his retirement from the Board in February 2017. He joined the board of directors of Genworth Financial Mortgage Insurance Company Canada in 1996. Mr. Walker is currently a partner in the law firm Walker Sorensen LLP, specializing in advising insurance and reinsurance companies. Prior to founding Walker Sorensen LLP in 2007, he was a sole practitioner. From 1987 to 2004, Mr. Walker practiced in the Financial Services Group of McCarthy Tétrault LLP, a national law firm. Mr. Walker has previously served as a member of the board of directors of a number of financial institutions, including TD Trust Company and Concordia Life Insurance Company.

Copies of the Company's AIF, together with any document incorporated by reference therein, including the most recent annual financial statements together with the accompanying report of the auditor, may be found on SEDAR at www.sedar.com. Shareholders may also contact the Company to request copies of the Company's financial statements and MD&A by contacting Winsor Macdonell, Senior Vice President, General Counsel and Secretary, 2060 Winston Park Drive, Suite 300, Oakville, ON, Canada, L6H 5R7 or via e-mail at winsor.macdonell@genworth.com.

OTHER BUSINESS

Management is not aware of any amendments or variations to matters identified in the Notice of the Meeting or of any other matters that are to be presented for action at the Meeting, other than those described in the Notice of the Meeting.

SHAREHOLDER PROPOSALS

Persons entitled to vote at the Company's 2020 annual meeting of Shareholders who wish to submit a proposal for consideration at the 2020 annual meeting of Shareholders must submit their proposal to the Company by January 19, 2020 and must comply with section 137 of the *Canada Business Corporations Act*.

DIRECTORS' APPROVAL

The contents and the sending of this Circular have been approved by the Board.

DATED at Oakville, Ontario, this 19th day of April, 2018

**BY ORDER OF THE BOARD OF
DIRECTORS**

A handwritten signature in black ink, appearing to read "Brian Hurley", written in a cursive style.

Brian Hurley

Chairman of the Board of Directors

APPENDIX A BOARD OF DIRECTORS MANDATE

1. Purpose

The members of the Board of Directors (the “**Board**”) have the duty to supervise the management and affairs of Genworth MI Canada Inc. (the “**Company**”). The Board, directly and through its committees, shall provide direction to senior management, generally through the President & Chief Executive Officer (the “**CEO**”), to pursue the best interests of the Company.

2. Duties and Responsibilities

The Board shall have the specific duties and responsibilities outlined below.

Strategic Planning

(a) Strategic Plans

At least annually, the Board shall review and, if advisable, approve the Company’s strategic plans. In discharging this responsibility, the Board shall consider management’s assessment of emerging trends, the competitive environment, the opportunities for the business of the Company, risk issues, and significant business practices and products.

(b) Business and Capital Plans

At least annually, the Board shall review and, if advisable, approve the Company’s annual business and capital plans as well as policies and processes generated by management relating to the authorization of major investments and significant allocation of capital.

(c) Monitoring

The Board shall monitor management’s implementation of the Company’s strategic, business and capital plans. The Board shall review and, if advisable, approve any material amendments to, or variances from, these plans.

Risk Management

(a) General

The Board shall receive regular reports from the Risk, Capital and Investment Committee on the principal risks associated with the Company’s business and operations, including the implementation by management of appropriate enterprise risk management systems to manage these risks, and reports by management relating to the operation of, and any material deficiencies in, these systems.

(b) Verification of Controls

The Board shall verify that internal, financial, non-financial and business control and management information systems have been established and are being maintained by management.

Human Resource Management

(a) General

At least annually, the Board shall review a report of the Compensation & Nominating Committee concerning the Company’s approach to human resource management and executive compensation.

(b) Succession Review

At least annually, the Board shall review the succession plans of the Company for the Chair, the Lead Director, the CEO and other executive officers, including the appointment, training and monitoring of such persons.

(c) Integrity of Senior Management

The Board shall, to the extent feasible, satisfy itself as to the integrity of the CEO and other executive officers of the Company and that the CEO and other senior officers strive to create a culture of integrity throughout the Company.

Corporate Governance

(a) General

The Board shall conduct a periodic review of the Company's corporate governance policies and make policy recommendations aimed at enhancing Board and committee effectiveness. The Board shall review overall governance principles, monitor disclosure and best practices of comparable and leading companies. The Board shall review the disclosure in the Company's public disclosure documents relating to corporate governance practices. The Board shall conduct a periodic review of the relationship between management and the Board, particularly in connection with a view to ensuring effective communication and the provision of information to directors in a timely manner.

(b) Director Independence

At least annually, the Board shall review the criteria that is used to evaluate the director independence standards applied by the Board and the Board's ability to act independently from management in fulfilling its duties.

(c) Ethics Reporting

The Board has adopted the Genworth Financial, Inc. Code of Ethics (the "**Code**") applicable to directors, officers and employees of the Company. At least annually, the Board shall review compliance with, or material deficiencies from, the Code. The Board shall receive reports from the CEO regarding breaches of the Code. The Board shall review investigations and any resolutions of complaints received under the Code.

(d) Conflicts of Interest

The Board shall monitor conflicts of interest (real or perceived) of both the Board and management in accordance with the Code.

(e) Mandate Review

At least annually, the Board shall review the Board of Directors Mandate and the mandates for each Committee of the Board, together with the Position Descriptions of each of the Chair of the Board, the CEO, the Lead Director and Committee Chairs, to ensure compliance with any rules or regulations promulgated by any regulatory body and approve any modifications to such items as considered advisable.

Communications

(a) General

The Board will adopt a disclosure policy for the Company. At least annually, the Board, in conjunction with the CEO, shall review the Company's overall policy with respect to disclosure, including measures for receiving feedback from the Company's stakeholders, and management's compliance with such policy.

(b) Shareholders

The Company endeavours to keep its shareholders informed of its progress through an annual report, annual information form, quarterly interim reports and periodic press releases. Directors and management meet with the Company's shareholders at the annual meeting and are available to respond to questions at that time.

3. Composition

General

The composition and organization of the Board, including: the number, qualifications and remuneration of directors; the number of Board meetings; Canadian residency requirements; quorum requirements; meeting procedures and notices of meetings shall comply with applicable requirements of the *Canada Business Corporations Act* (the "**CBCA**"), the *Securities Act* (Ontario) (the "**Act**") and the articles and by-laws of the Company, subject to any exemptions or relief that may be granted from such requirements.

Each director must have an understanding of the Company's principal operational and financial objectives, plans and strategies, and financial position and performance. Directors must have sufficient time to carry out their duties and not assume responsibilities that would materially interfere with, or be incompatible with, Board membership. Directors who

experience a significant change in their personal circumstances, including a change in their principal occupation, are expected to advise the chair of the Compensation & Nominating Committee.

The Board may establish a maximum retirement age.

Chair of the Board

If the Chair of the Board is not independent (as defined in National Policy 58-201 Corporate Governance Guidelines, as may be amended from time to time), then the independent directors shall select from among their number an independent director who will act as “Lead Director” and who will assume responsibility for providing leadership to enhance the effectiveness and independence of the Board. The Chair, if independent, or the Lead Director if the Chair is not independent, shall act as the effective leader of the Board and ensure that the Board’s agenda will enable it to successfully carry out its duties.

4. Committees of the Board

The Board has established the following committees: the Audit Committee, the Compensation & Nominating Committee, and the Risk, Capital and Investment Committee. Subject to applicable law, the Board may establish other Board committees or merge or dispose of any Board committee.

Committee Mandates

The Board has approved mandates for each Board committee and shall approve mandates for each new Board committee. The Board shall review the appropriate structure, size, composition, mandate and members for the committees, and approve any modifications to such items as considered advisable. At least annually, each mandate shall be reviewed by the Board and any suggested amendments shall be considered by the Board for approval. In addition, the Board shall institute procedures to ensure that the Board and the committees function independently of management.

Delegation to Committees

The Board has delegated to the applicable committee those duties and responsibilities set out in each Board committee’s mandate.

Consideration of Committee Recommendations

As required by applicable law, by applicable committee Mandate or as the Board may consider advisable, the Board shall consider for approval the specific matters delegated for review to Board committees.

Board/Committee Communication

To facilitate communication between the Board and each Board committee, each committee chair shall provide a report to the Board on material matters considered by the committee at the first Board meeting after the committee’s meeting.

5. Meetings

The Board will meet at least once in each quarter, with additional meetings held as deemed advisable. The Chair is primarily responsible for the agenda and for supervising the conduct of the meeting. Any director may propose the inclusion of items on the agenda, request the presence of, or a report by any member of senior management, or at any Board meeting raise subjects that are not on the agenda for that meeting. Meetings of the Board shall be conducted in accordance with the Company’s by-laws.

Secretary and Minutes

The Secretary of the Company, his or her designate or any other person the Board requests shall act as secretary of Board meetings. Minutes of Board meetings shall be recorded and maintained by the Secretary and subsequently presented to the Board for approval.

Meetings Without Management

The independent members of the Board shall hold regularly-scheduled meetings, or portions of regularly scheduled meetings, at which non-independent directors and members of management are not present.

Directors' Responsibilities

Each director is expected to attend all meetings of the Board and any committee of which he or she is a member. Directors will be expected to have read and considered the materials sent to them in advance of each meeting and to actively participate in the meetings.

Access to Management and Outside Advisors

The Board shall have unrestricted access to management and employees of the Company. The Board shall have the authority to retain and terminate external legal counsel, consultants or other advisors to assist it in fulfilling its responsibilities and to set and pay the respective reasonable compensation of these advisors without consulting or obtaining the approval of any officer of the Company. The Company shall provide appropriate funding, as determined by the Board, for the services of these advisors.

Service on Other Boards and Audit Committee

Directors may serve on the boards of other public companies so long as these commitments do not materially interfere and are compatible with their ability to fulfill their duties as a member of the Board. Directors must advise the Chair in advance of accepting an invitation to serve on the board of another public company.

6. Management

Position Descriptions for Directors

The Board has approved position descriptions for the Chair, the Lead Director and the chair of each Board committee. At least annually, the Board shall review such position descriptions.

Position Description for CEO

The Board has approved the position description for the CEO, which includes delineating management's responsibilities. The Board has also approved the corporate goals and objectives that the CEO has responsibility for meeting. At least annually, the Board shall review such position descriptions and such corporate goals and objectives.

7. Director development and evaluation

Each new director shall receive orientation materials from management. All directors shall have sufficient access to management to allow each director to receive such additional educational information as deemed necessary by each director. The Board may request that management prepare and present, or retain experts to present, continuing education presentations to the Board dealing with any matters deemed appropriate by the Board, including any recent developments or changes in laws or regulations impacting the Company or its business.

The directors shall annually review the performance of the Board and provide any feedback they might have to the Company relating to the operation or performance of the Board.

8. No Rights Created

This Mandate is a statement of broad policies and is intended as a component of the flexible governance framework within which the Board, assisted by its committees, directs the affairs of the Company. While it should be interpreted in the context of all applicable laws, regulations and listing requirements, as well as in the context of the Company's articles and by-laws, it is not intended to establish any legally binding obligations.
