### What do you value most about working at Public Storage?

- *Having a well-meaning team that is invested in everyone's success and is willing to step in to help us all achieve our goals.*
- *I love this company because of the people. I enjoy the people that I work with, as well as the customers that I encounter.*
- *The customers that we serve. There are so many interesting people that come to our properties. This is why I like working for Public Storage, meeting them and helping them.*
