P&G's Responsible Palm Sourcing Policy holds all suppliers to the same high standards with respect to No Deforestation, No Peat and No Exploitation (NDPE). This applies to all our palm oil purchases regardless of whether the palm oils are RSPO certified or not. All suppliers must comply with our P&G Palm Oil Policy, P&G Responsible Sourcing Expectations for External Business Partners and RSPO's 2018 Principles and Criteria (P&C's).
