### 12 BACK-TO-SCHOOL ESSENTIALS EVEN ADULTS WOULD LOVE

*There's no reason not to study in style.*

BY MONIQUE VALERIS AUG 6, 2019

Back-to-school shopping season is well underway, and after a fun-filled summer, kids are likely anxious about hitting the books again. To make the transition easier for them—and you—take the time to shop for a selection of stylish back-to-school supplies.

We're here to make your shopping experience stress-free by rounding up some of the best school goodies you can find online right now. There are items for a good range of ages, from the elementary school student in need of a playful shelf to jazz up [their room's decor](#) to the college student seeking affordable cotton sheets that will last all year long.
