Werner® Earns Top Food Chain Provider for Third Consecutive Year

2024-10-22

OMAHA, Neb.--(BUSINESS WIRE)-- **Werner Enterprises**, Inc. (Nasdaq: WERN), a premier transportation and logistics provider, proudly announces its recognition as a 2024 “Top Food Chain Provider” by Food Chain Digest, the official magazine of Food Shippers of America (FSA). This prestigious honor marks the third consecutive year Werner has been named to this elite list of 25, which highlights third-party logistics companies (3PLs), freight brokers, motor carriers, rail/intermodal and maritime companies excelling in capabilities and service to food shippers.

“Being recognized as a Top Food Chain Provider for three consecutive years is a remarkable achievement for Werner,” said Werner’s Executive Vice President and Chief Commercial Officer, Craig Callahan. “Werner offers a diverse portfolio of service offerings and collaborates with shippers to solve their freight challenges through custom-built solutions. This honor reflects the dedication and expertise of our professional drivers and associates who consistently deliver exceptional service to our food industry customers.”

To be named to this list, Werner’s nomination underwent a stringent evaluation process, including meeting minimum qualifications, demonstrating significant achievements in solving business problems for food shippers and garnering votes from food manufacturers, retailers and distributors. The final list was audited and reviewed by FSA leaders, ensuring the quality of providers recognized.

FSA brings together a community of supply chain and logistics professionals from the food and beverage industry and their suppliers to facilitate education and networking opportunities to improve supply chain efficiencies. To view the full list of companies recognized, visit [here](#).
