Werner Enterprises Announces Collaboration With Hylion Holdings Corp.

4/9/2021

OMAHA, Neb., April 09, 2021 (GLOBE NEWSWIRE) -- **Werner Enterprises** (NASDAQ: WERN), a premier transportation and logistics provider, is proud to announce its participation in the newly formed Hylion Hypertruck Innovation Council with Hylion Holdings Corp. to encourage industry collaboration and advance product innovation. Werner's Senior Vice President of Van/Expedited Chad Dittberner will be a member of Hylion's Hypertruck Innovation Council.

Founded in 2015, Hylion's goal is to provide electrified powertrain solutions for Class 8 commercial trucks. As a leader in the transportation industry, Werner will work with Hylion to create more opportunities for sustainable growth in the industry, including collaborating on Hylion's existing and future commercial electrification solutions. Dittberner, a member of the Innovation Council, will drive development and work with other industry leaders to help create sustainable solutions for trucks, ultimately to achieve a net-zero carbon emissions commercial transportation industry.

Werner will be one of the first transportation companies to drive Hylion's Hypertruck ERX with an electric powertrain fueled by renewable natural gas for use in Class 8 commercial trucks. Its purpose is to provide top performance while lowering emissions and fuel costs.

"As a member of this council, I'm excited to work with other industry leaders to do our part to encourage and drive sustainable practices for trucking," said Senior Vice President of Van/Expedited Chad Dittberner.

"At Werner, we are always working to reduce our emissions and fuel consumption as part of our 5Ts + S strategy, with a focus on creating sustainable solutions," said Vice Chairman, President and Chief Executive Officer Derek

Leathers. "We are excited to work with Hyliion to help shape the future of trucking and ensure a more sustainable future for everyone."
