# Werner Enterprises Named 2022 Green Supply Chain Partner

6/20/2022

OMAHA, Neb., June 20, 2022 (GLOBE NEWSWIRE) -- **Werner Enterprises** (Nasdaq: WERN), one of the nation's largest transportation and logistics companies, is proud to be named a 2022 Green Supply Chain Partner by Inbound Logistics. This annual list recognizes 75 companies going above and beyond to ensure their global supply chains are sustainable and their operations are environmentally friendly.

"We are proud to be recognized for our conservation efforts by being named to this list for the 10th consecutive year," said Chairman, President and CEO Derek Leathers. "We are deeply committed to doing our part in becoming more environmentally efficient and are invested in continuous sustainability innovation."

The Company will be profiled in a special G75 issue of Inbound Logistics, featuring the 75 leading honorees for green supply chain management and logistics partners. Since 2007, Werner has reduced its carbon footprint by more than 3.7 million tons and saved more than 333 million gallons of fuel. Werner has also received the SmartWay Excellence Award and SmartWay High Performer Award for five consecutive years for its efforts to produce more efficient and sustainable supply chain transportation solutions.

"We are focused on reducing our carbon footprint and we appreciate this recognition as we continually increase our efforts to achieve our environmental goals," said Associate Vice President of Sustainability and Sales Operations, Shawntell Kroese. "We recognize the important role we play as one of the largest trucking companies in our country and how our sustainability efforts also help our customers reach their environmental goals."
