Werner Enterprises Named a 2021 Top Company for Women

11/3/2021

OMAHA, Neb., Nov. 03, 2021 (GLOBE NEWSWIRE) -- Werner Enterprises (Nasdaq: WERN), a premier transportation and logistics provider, while continuing its commitment to being a diverse and inclusive workforce, is proud to be named among the 2021 "Top Companies for Women to Work For in Transportation" by the Women in Trucking (WIT) Association's Redefining the Road magazine. This is the fourth consecutive year Werner has received this recognition.

"As women rise through the ranks in the transportation industry, we are excited to feature the companies that make the extra effort to attract and retain a more gender-diverse workforce," said WIT President and Chief Executive Officer Ellen Voie. "We applaud their efforts, and this distinction is our way of giving them the recognition they deserve."

Werner was recognized for supporting a corporate culture that fosters gender diversity, competitive compensation and benefits, flexible hours and work requirements, professional development opportunities and career advancement opportunities. The complete list of winners can be found on the **WIT website**.

"Women at Werner embody our Core Values and represent more and more leadership positions in the form of Driver Leaders, management and senior management roles," said Chairman, President and Chief Executive Officer Derek Leathers. "We're proud that our numbers are steadily growing. Currently, Werner has a 13 percent female driver population which is nearly double the national average for trucking companies."
