Werner Enterprises Named One of Food Logistics' Top 20 Green Supply Chain Partners

5/24/2011

OMAHA, Neb., May 24, 2011 (BUSINESS WIRE) --

Werner Enterprises (NASDAQ: WERN), a premier transportation and logistics provider, has been recognized by Food Logistics magazine as one of its Top 20 Green Supply Chain Partners. The company was selected for its development of pioneering, innovative and creative products, services and programs to help its food and beverage customers achieve sustainable or "green" goals.

"Werner Enterprises is extremely proud to have been selected by Food Logistics as one of its Top 20 Green Supply Chain Partners," said Derek Leathers, president and chief operating officer of Werner Enterprises. "This award underscores our company's commitment to investing in technologies, proactive strategies and policies that increase fuel efficiency and decrease carbon emissions, creating a cleaner, greener environment for future generations."

"Sustainable best practices are not only better for the environment, but contribute to the bottom line, as well," said Katherine Doherty, editor-in-chief of Food Logistics magazine. "Werner Enterprises is helping the industry to reduce its carbon impact in a variety of ways."

After receiving numerous nominations from solution providers, the magazine's editorial staff selected the top 20 companies to compile this year's listing. This was the first year the magazine has published the list, which will be featured in the June 2011 issue of Food Logistics, as well as on the magazine's website.
