## Werner Enterprises Announces Third Quarter 2012 Earnings Expectations

9/13/2012

OMAHA, Neb.--(BUSINESS WIRE)--Sep. 13, 2012-- Werner Enterprises, Inc. (NASDAQ: WERN), one of the nation's largest transportation and logistics companies, announced today that, based on factors known as of the date of this release, it expects earnings per diluted share for the third quarter ending September 30, 2012 to be in the range of 33 cents to 36 cents per diluted share.

Significant factors that are affecting earnings per share in third quarter 2012 compared to third quarter 2011 include cost increases for truck and trailer depreciation and driver pay, as we noted in our second quarter 2012 earnings release. Rising fuel prices, increased equipment maintenance costs and higher health care costs are also affecting our earnings. These costs are increasing faster than our revenue per mile.
