

The following summarizes the estimated exposures and investment performance on net investments managed by Third Point LLC for the monthly and year-to-date periods ending June 30, 2019. Corresponding results for our reinsurance operations are not available. Results of our net investments managed by Third Point LLC for such periods are based on information provided by our investment manager. This information has not been audited.

Effective August 31, 2018, we transitioned from our separately managed investment account structure to investing in the Third Point Enhanced LP. In addition, certain collateral assets supporting reinsurance contracts and certain other investment assets are managed by Third Point LLC. See additional information in our public filings with the Securities Exchange Commission.

The estimated returns reflect the combined results of investments managed on behalf of Third Point Reinsurance Company Ltd. and Third Point Reinsurance (USA) Ltd. by Third Point LLC prior to the transition date of August 31, 2018 and the investment in the Third Point Enhanced LP and collateral assets and certain other investment assets from the date of transition. The estimated exposures exclude collateral assets.

All information provided herein has been prepared by Third Point LLC at the request of Third Point Reinsurance Ltd. ("TP Re"). Sector and geographic categories are determined by Third Point LLC in its sole discretion. All P&L and performance results are based on the net asset value of the two investment accounts of TP Re prior to the transition date of August 31, 2018 and the investment in the Third Point Enhanced LP and collateral assets and certain other investment assets from the date of transition (together, the "Accounts") and are presented net of management fees, brokerage commissions, administrative expenses, and accrued performance allocation, if any, and include the reinvestment of all dividends, interest, and capital gains. Performance allocation is accrued monthly but deducted annually. All performance results are estimates and should not be regarded as final until audited financial statements are issued. While the performance of the Accounts has been compared here with the performance of a well-known and widely recognized index, the index has not been selected to represent an appropriate benchmark for the Accounts whose holdings, performance and volatility may differ significantly from the securities that comprise the index.
