**Summary:** CPUC Electrical Incident, Property Damage. On October 15, 2020 around 1900 hours, a Fire Department called PG&E requesting de-energize customers near Ramirez Street and Simpson Lane in Marysville due a vegetation fire. This area is served by the Marysville-1108 Circuit and the outage impacted 6,500 customers. On December 30, 2020, PG&E received a claim from a customer impacted by the incident. The claim alleges that the outage caused the customer to lose \$55,000 worth of medicine. This information is preliminary.
