**Summary:** On January 19, 2021, PG&E observed wires down near Freedom Blvd, north of Pleasant Valley Road in Aptos. The wires down were in the area of the Freedom Fire which started earlier in the day and as reported by CAL FIRE was approximately 40 acres and has been fully contained. PG&E later became aware that CAL FIRE was investigating the wires down as a potential origin of the Freedom Fire. PG&E is reporting this incident under the Media CPUC incident reporting criteria due to public attention into the Freedom Fire. PG&E is not aware of any injuries, fatalities, or property damage exceeding \$50,000 related to the Freedom Fire. This information is preliminary.
