Summary: On March 8, 2021 PG&E received a property damage claim from a third-party insurance company alleging PG&E equipment caused a garage fire which also caused damage to the attached house. This occurred on February 27, 2021 near Page Drive and Mellor Drive in Lakeport. The claim alleges that PG&E equipment caused damage to the property served by the Hartley 1101 12 kV Overhead Distribution Circuit. This incident is being reported under the Property Damage criteria, as the damage is expected to exceed \$50,000. This information is preliminary.
