Summary: CPUC PG&E Electrical Incident ? EI191014B ? On November 1, 2021 PG&E was notified of a wrongful death lawsuit regarding a fire that occurred in the area of Road 36 and Avenue 17 in Madera on October 14, 2019 at approximately 1400 hours. The lawsuit is alleging a PG&E transformer started sparking and ignited a vegetation fire. The resident of the property where the fire started attempted to extinguish the fire by stomping it out. The subject burned his leg while attempting to extinguish the fire. The lawsuit is alleging the subject died on February 16, 2021 as a result of the burn he sustained to his leg. This information is being reported under the injury/fatality criterion. This information is preliminary.
