Summary: CPUC PG&E Electric Incident EI220902A On September 2, 2022, at 0340 hours PG&E responded to a report of a structure fire in the area of West Flora Street and North Pershing Avenue in Stockton of San Joaquin County, a non-HFTD. This area is served by the Stockton Acres 0402 4kV overhead distribution circuit. On September 21, 2022, PG&E Law-Claims received a property damage claim in the amount of \$50,000. The claim alleges that a PG&E line fell and caused a residential garage fire. This incident is being reported under the property damage criterion. This information is preliminary.
