

**NOMINATING AND CORPORATE GOVERNANCE COMMITTEE CHARTER  
of the Nominating and Corporate Governance Committee  
of Kimco Realty Corporation**

This Nominating and Corporate Governance Committee Charter was adopted by the Board of Directors (the “Board”) of Kimco Realty Corporation (the “Company”) on July 23, 2003.

**I. Purpose**

The purpose of the Nominating and Corporate Governance Committee (the “Committee”) of the Board is to assist the Board in discharging the Board’s responsibilities regarding:

- (a) the identification of qualified candidates to become Board members;
- (b) the selection of nominees for election as directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected);
- (c) the selection of candidates to fill any vacancies on the Board; and
- (d) the development and recommendation to the Board of a set of corporate governance guidelines and principles applicable to the Company (the “Corporate Governance Guidelines”).

In addition to the powers and responsibilities expressly delegated to the Committee in this Charter, the Committee may exercise any other powers and carry out any other responsibilities delegated to it by the Board from time to time consistent with the Company’s bylaws. The powers and responsibilities delegated by the Board to the Committee in this Charter or otherwise shall be exercised and carried out by the Committee as it deems appropriate without requirement of Board approval, and any decision made by the Committee (including any decision to exercise or refrain from exercising any of the powers delegated to the Committee hereunder) shall be at the Committee’s sole discretion. While acting within the scope of the powers and responsibilities delegated to it, the Committee shall have and may exercise all the powers and authority of the Board. To the fullest extent permitted by law, the Committee shall have the power to determine which matters are within the scope of the powers and responsibilities delegated to it.

**II. Membership**

The Committee shall be composed of three or more directors, as determined by the Board, each of whom (a) satisfies the independence requirements of the New York Stock Exchange, and (b) has experience, in the business judgment of the Board, that would be helpful in addressing the matters delegated to the Committee.

The members of the Committee, including the Chair of the Committee, shall be appointed by the Board. Committee members may be removed from the Committee, with or without cause, by the Board.

### **III. Meetings and Procedures**

The Chair (or in his or her absence, a member designated by the Chair) shall preside at each meeting of the Committee and set the agendas for Committee meetings. The Committee shall have the authority to establish its own rules and procedures for notice and conduct of its meetings so long as they are consistent with the provisions of the Company's bylaws.

The Committee shall meet on a regularly scheduled basis at least two times per year and more frequently as the Committee deems necessary or desirable. Meetings may be in person or by telephone conference call.

All non-management directors who are not members of the Committee may attend and observe meetings of the Committee, but shall not participate in any discussion or deliberation unless invited to do so by the Committee, and in any event shall not be entitled to vote. The Committee may, at its discretion, include in its meetings members of the Company's management, or any other person whose presence the Committee believes to be desirable and appropriate. Notwithstanding the foregoing, the Committee may exclude from its meetings any person it deems appropriate, including but not limited to, any non-management director that is not a member of the Committee.

The Committee shall have the authority, as it deems appropriate, to retain or replace, as needed, any independent counsel or other outside expert or advisor that the Committee believes to be desirable and appropriate. The Committee, in its discretion, may also use the services of the Company's regular inside or outside legal counsel or other advisors to the Company. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to any such persons retained by the Committee. The Committee shall have sole authority to retain and terminate any search firm to be used to identify director candidates, including sole authority to approve such search firm's fees and other retention terms.

The Chair shall report to the Board regarding the activities of the Committee at appropriate times and as otherwise requested by the Chairman of the Board.

### **IV. Duties and Responsibilities**

1. (a) At an appropriate time prior to each annual meeting of stockholders at which directors are to be elected or reelected, the Committee shall recommend to the Board for nomination by the Board such candidates as the Committee, in the exercise of its judgment, has found to be well qualified and willing and available to serve.

(b) At an appropriate time after a vacancy arises on the Board or a director advises the Board of his or her intention to resign, the Committee shall recommend to the Board for appointment by the Board to fill such vacancy, such prospective member of the Board as the Committee, in the exercise of its judgment, has found to be well qualified and willing and available to serve.

(c) For purposes of (a) and (b) above, the Committee may take into account the factors set forth in the Corporate Governance Guidelines, under "Director Qualification Standards."

(d) The foregoing notwithstanding, if the Company is legally required by contract or otherwise to permit a third party to designate one or more of the directors to be elected or appointed (for example, pursuant to rights contained in an Articles of Amendment of a class of preferred stock to elect one or more directors upon a dividend default), then the nomination or appointment of such directors shall be governed by such requirements.

2. The Committee shall, at least annually, review the relationships that each director has with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). Following such annual review, only those directors who the Committee affirmatively determines have no material relationship with the Company will be considered to be independent directors, subject to additional qualifications prescribed under the listing standards of the New York Stock Exchange.

3. The Committee shall, at least annually, review the performance of each current director and shall consider the results of such evaluation when determining whether or not to recommend the nomination of such director for an additional term. Such evaluation may be in either written or oral form.

4. In appropriate circumstances, the Committee, in its discretion, shall consider and may recommend the removal of a director for cause, in accordance with the applicable provisions of the Company's articles of incorporation, bylaws and Corporate Governance Guidelines.

5. The Committee shall oversee the Board in the Board's annual review of its performance (including its composition and organization) as well as the evaluation of management and will make appropriate recommendations to improve performance, in either written or oral form.

6. The Committee may make recommendations to the Board regarding governance matters, including, but not limited to, the Company's articles of incorporation, bylaws, this Charter and the charters and membership of the Company's other committees.

7. The Committee shall develop and recommend to the Board the Corporate Governance Guidelines.

8. The Committee shall oversee the Company's efforts with regard to environmental, social and governance matters.

9. The Committee shall evaluate its own performance on an annual basis, including its compliance with this Charter, and provide the Board with any recommendations for changes in procedures or policies governing the Committee. The Committee shall conduct such evaluation and review in such manner as it deems appropriate, including in either written or oral form.

10. The Committee shall periodically report to the Board on its findings and actions.

11. The Committee shall review and reassess this Charter at least annually and submit any recommended changes to the Board for its consideration, in either written or oral form.

## **V. Delegation of Duties**

In fulfilling its responsibilities, the Committee shall be entitled to delegate any or all of its responsibilities to a subcommittee of the Committee, to the extent consistent with the Company's articles of incorporation, bylaws, Corporate Governance Guidelines and applicable law and rules of markets in which the Company's securities then trade.
