

PRESS RELEASE

Asslar, May 23, 2017. The Annual General Meeting of Pfeiffer Vacuum Technology AG is currently taking place in the town hall of Wetzlar, Germany.

In his speech, Manfred Bender, CEO of Pfeiffer Vacuum, is set to touch on the business development of the past year. As already disclosed, Pfeiffer Vacuum experienced significant growth in FY 2016 and expects a further positive development in FY 2017.

Bender states: “At nearly plus 25 percent, our order intake at this point is currently significantly higher than it was in the previous year. We expect the positive trend to continue in FY 2017, also due to promising information about our clients' projects. At this point of time, we expect total sales of between EUR 520 million and EUR 540 million. This should result in a substantial improvement in operating profit. Pfeiffer Vacuum expects this positive development to continue in FY 2018.”

Detailed information relating to the results of the voting and a summary of the speech will be available following the event at
