

THREE-QUARTERS OF AMERICANS ARE IN THE DARK WHEN IT COMES TO 401(k) FEES

96% of people know how much they pay each month for streaming media services like Netflix. Just 27% know how much they're paying in fees on their 401(k) accounts.

The vast majority may mistakenly believe:

- **They don't pay any 401(k) fees (37%)**
- **Don't know if their plan has fees (22%)**
- **Or don't know how to determine the fees (14%)**

WHAT AMERICANS DO WITH OLD 401(k) ACCOUNTS

Nearly three-quarters of Americans have left jobs with 401(k) accounts and they chose one of three paths:

1. **Roll it over to a qualified account**
 31% roll into a new employer's plan
 34% choose an IRA
2. **Leave it be**
 22% keep the account with their former employer
3. **Cash it out**
 13% cash it out (proceed with caution when considering)
