

Tronox Announces Appointment of Julie Beck to its Board of Directors

2025-02-19

STAMFORD, Conn., Feb. 19, 2025 /PRNewswire/ -- Tronox Holdings plc (NYSE:TROX) ("Tronox" or the "Company"), the world's leading integrated manufacturer of titanium dioxide pigment, today announced the appointment of Julie Beck to the Board of Directors effective March 1, 2025. Ms. Beck will also serve as a member of the Audit Committee of the Board. Following the appointment of Ms. Beck, the Board will be comprised of 11 directors, 7 of whom are independent.

"We are pleased to welcome Julie to the Tronox Board," said Ilan Kaufthal, chairman of Tronox. "Julie's finance and accounting expertise, senior leadership roles, demonstrated business acumen and experience in several relevant industrial and manufacturing sectors will be valuable assets to the Board and its stakeholders."

Ms. Beck's business career spans more than 30 years. Ms. Beck was most recently Senior Vice President, Chief Financial Officer of Terex Corporation, a global industrial equipment manufacturer, from January 2022 to February 2025. Prior to Terex, from February 2016 through November 2021, Ms. Beck was Senior Vice President, CFO of Nova Chemicals. Prior to this, she spent 8 years with Joy Global in a variety of finance and operational-related senior leadership positions. Preceding her time at Joy Global, Ms. Beck held a variety of finance-related roles at Journal Register Company, Norwood Promotional Products, Temple-Inland and Rockwell Automation. A certified public accountant, Ms. Beck began her career with Deloitte & Touche.

About Tronox

Tronox Holdings plc is one of the world's leading producers of high-quality titanium products, including titanium dioxide pigment, specialty-grade titanium dioxide products and high-purity titanium chemicals, and zircon. We mine titanium-bearing mineral sands and operate upgrading facilities that produce high-grade titanium feedstock materials, pig iron and other minerals, including the rare earth-bearing mineral, monazite. With approximately 6,500 employees across six continents, our rich diversity, unmatched vertical integration model, and unparalleled operational and technical expertise across the value chain, position Tronox as the preeminent titanium dioxide producer in the world. For more information about how our products add brightness and durability to paints, plastics, paper and other everyday products, visit [tronox.com](https://www.tronox.com).
