Tronox Limited Posts 2015 GRI Report

STAMFORD, Conn., July 20, 2016 /PRNewswire/ -- Tronox Limited (NYSE: TROX) today published its 2015 Global Reporting Initiative (GRI) Report, based on the internationally recognized GRI Framework for Sustainability Reporting. The report can be read or downloaded on the company's Web site: www.tronox.com.

"As a global leader in the inorganic chemical and mining industries, we at Tronox are aware that sustainable business practices, measured in both socio-economic and environmental terms, are essential elements of our business," said Chairman and CEO Tom Casey. "Our approach is rooted in our six Tronox Values: health & safety, responsibility, people, teamwork, customers, and results. These principles define our business, and every member of our global team seeks to live, communicate, and reinforce them every day, everywhere we work."

The GRI Report supplements the Tronox Limited 2015 Annual Report and Corporate Responsibility Report, providing additional data and information on the company's economic, environment and social performance.

In 2015, companywide, and across its supply chain, Tronox made progress in meeting its environmental targets for energy consumption, water use, carbon emissions, waste, and land rehabilitation.
