The "Notes Consideration" for each $1,000 principal amount of the Notes validly tendered and accepted for purchase pursuant to the tender offer will be determined by the dealer manager for the tender offer in the manner described in the offer to purchase by reference to the Fixed Spread for the Notes specified in the table above plus the yield based on the bid-side price of the U.S. Treasury Reference Security specified in the table above at 11:00 a.m., New York City time, on December 22, 2017, unless extended or the tender offer is earlier terminated.
today, the Company will issue a notice of redemption to the holders of the Notes to redeem any and all Notes that remain outstanding after the completion of the tender offer. Holders whose Notes are not repurchased in the tender offer will instead receive the "make-whole" redemption price based on the redemption spread of 50 basis points over the yield of the applicable U.S. Treasury Security, plus accrued and unpaid interest to the date of redemption of January 17, 2018.

Holders will also receive accrued and unpaid interest on the Notes validly tendered and accepted for purchase from the December 15, 2017 interest payment date up to, but not including, the date the Company makes payment for such Notes, which date is anticipated to be December 28, 2017 (the "Settlement Date"). Tendered notes may be withdrawn at any time at or prior to the earlier of (i) the Expiration Time, and (ii) if the tender offer is extended, the 10th business day after commencement of the tender offer; provided, however, that if the Company is required by law to permit withdrawal, then previously tendered Notes may be validly withdrawn to the extent required. In addition, tendered Notes may be withdrawn at any time after the 60th business day after the commencement of the tender offer if for any reason the offer has not been consummated within 60 business days after commencement of the tender offer. The Company reserves the right to terminate, withdraw or amend the tender offer at any time, subject to applicable law. The tender offer is subject to the satisfaction or waiver of certain conditions described in the offer to purchase.

The Company has engaged BofA Merrill Lynch to act as dealer manager in connection with the tender offer, and has appointed D.F. King & Co. ("D.F. King") to serve as the tender and information agent for the tender offer.

For additional information regarding the terms of the tender offer, please contact BofA Merrill Lynch at 888-292-0070 (toll-free) or 980-388-3646 (collect). Questions regarding the tender offer should be directed to D.F. King at 212-269-5550 (banks and brokers) or 877-361-7972 (all others).

The complete terms and conditions of the tender offer are described in the offer to purchase and the related letter of transmittal and notice of guaranteed delivery. These documents are available at http://www.dfking.com/vmc and may also be obtained by contacting D.F. King by telephone.

None of the Company, the dealer manager, D.F. King or the trustee for the Notes, or any of their respective affiliates, is making any recommendation as to whether holders should tender any Notes in response to the tender offer. Holders must make their own decision as to whether to tender any of their Notes and, if so, the principal amount of Notes to tender.

This announcement is not an offer to purchase or a solicitation of an offer to sell any securities and shall not constitute a notice of redemption under the indenture governing the Notes. The tender offer is being made solely by means of the offer to purchase and the related letter of transmittal and notice of guaranteed delivery.
